Bulletin 24 - 4

jfick@ohsaa.org

- During this past weekend we held Mechanics Clinics in Findlay and Tallmadge – our two largest attendances ever for clinics around the state. Thanks to everyone who is taking advantage of these opportunities. This bulletin is another reminder of the registration process for the remaining clinics as well as information on upcoming state meetings. Our final clinics are March 2 and 3 in Westchester and Reynoldsburg. **As a reminder, with our additional emphasis on mechanics we are offering all attendees SIX bonus points on your tournament composite score. This shows the strong feelings we have on mechanics improvement and the value of these clinics. For the past several years we have seen many umpires advance in tournament play, including to the state level, after attending these clinics, being identified and improving their mechanics. These clinics are also a great tool for our newer umpires who want to jump start their career. We want to encourage everyone to take advantage of this opportunity!**

The OHSAA will sponsor five Softball Mechanics Clinics in 2024. These clinics, designed to help umpires improve their skills and attain their advancement goals, will emphasize plate and base mechanics. Staff will be from the OHSAA Softball Umpire Instructional Team and will include OHSAA softball tournament observers. Umpires attending will receive one educational credit (local rules meeting). Attendees will also receive SIX points added to their TOURNAMENT SELECTION SCORE. The cost of each clinic will be \$60 which includes all instruction, lunch, and a registration gift. Immediate registration is encouraged as the number of attendees at each location will be limited.

This clinic will be a working clinic – attendees should come prepared for both plate and base drills in an indoor setting. Please bring your plate equipment - OHSAA umpire uniform is recommended. Please also bring gym shoes as the weather will likely require that these be indoor events. Stations will be rotated in order that attendees can work with each instructor.

We have learned that many of our newer umpires were as anxious as our veterans to take advantage of our Mechanics Clinics. These clinics provide a great supplement to the RefPreps classes offered to our newest umpires. IN THIS YEAR’S CLINICS GROUPS WILL BE DIVIDED BASED ON EXPERIENCE LEVEL – THIS IS A GREAT OPPORTUNITY FOR BOTH NEWER AND VETERAN UMPIRES TO WORK ON IMPROVING THEIR MECHANICS IN A SETTING THAT HELPS THEM BASED ON THEIR AMOUNT OF EXPERIENCE.

Questions should be directed to Clinic Director Jerry Fick, OHSAA Director of Officials Development – Softball at swdoc@fuse.net.

For Registration – Use form below – follow instructions on the form. Note – Clinic registration will start at 9AM and program will begin at 930AM. In case of inclement weather participants will be notified by email and the clinic will be rescheduled.

3. Click on “My State Meeting Attendance” from left-side menu

The deadline to complete the meeting requirement without paying the \$50 penalty fee is Friday, March 22 at 1159PM.

- A reminder about the new and enhanced Softball Umpires Manual. This is our improved Mechanics Training publication and we encourage you to put some time into reviewing this. Also, the manual will continue to be published every other year so this book is for the 2024 and 2025 seasons. Unlike some OHSAA sports we use NFHS mechanics in softball. The White Book, also included in your mailing is our OHSAA preseason guide that gives you all our state information plus much more in a single location. Other items in the mailings include your 2024 rule and case books.
- In our next bulletin we will start reviewing some of the questions that have come up in our early season meetings. Our schools have started softball practice and we hope that the great weather will help us get an early start for the 2024 season.
