- Topics in this message –

1) Rule Book Mailings

2) **Update on another registration option for Mechanics Clinics**

3) State Meetings start Monday, January 27

- Preseason packets are now being mailed from the Columbus office. Remember these are **not** sent First Class so they may be delivered at various times to umpires. I'm sure that these will continue to arrive over the next week or two. If an umpire does not receive a packet the first thing to do is check and make sure that they have renewed their permit for this year! This can be checked on DragonFly. Also, these mailings are not forwarded by the postal service. Umpires need to update their DragonFly profile and address when they move or have other updates.
- **MECHANICS CLINICS START THIS WEEK AND RUN THE NEXT FOUR WEEKENDS.** Thanks to all the umpires who have registered for our series of Mechanics Clinics. **IN ADDITION TO THE REGISTRATION OPTIONS LISTED BELOW (mailing check or credit card info) THE OHSAA NOW HAS ANOTHER EASY OPTION TO REGISTER ONLINE THROUGH THE OHSAA TICKETING SOFTWARE – BELOW ARE DIRECT LINKS TO REGISTER FOR THE CLINICS AT THE VARIOUS SITES –**

- We are excited to be holding five Mechanics Clinics being offered around the state – and with our additional emphasis on mechanics will be offering all attendees SIX bonus points on your tournament composite score. I think that shows the strong feelings we have on mechanics improvement and the value of these clinics. For the past several years we have seen many umpires advance in tournament play, including to the state level, after attending these clinics, being identified and improving their mechanics. These clinics are also a great tool for our newer umpires who want to jump start their career. We want to encourage everyone to take advantage of this opportunity!

The OHSAA will sponsor five Softball Mechanics Clinics in 2025. These clinics, designed to help umpires improve their skills and attain their advancement goals, will emphasize plate and base mechanics. Staff will be from the OHSAA Softball Umpire Instructional Team and will include OHSAA softball tournament observers. Umpires attending will receive one educational credit (local rules meeting). **Attendees will also receive SIX points added to their TOURNAMENT SELECTION SCORE.**

The cost of each clinic will be \$60 which includes all instruction, lunch, and a registration gift. Immediate registration is encouraged as the number of attendees at each location will be limited.

This clinic will be a working clinic – attendees should come prepared for both plate and base drills in an indoor setting. Please bring your plate equipment - OHSAA umpire uniform is recommended. Please also bring gym shoes as the weather will likely require that these be indoor events. Stations will be rotated in order that attendees can work with each instructor. We have learned that many of our newer umpires were as anxious as our veterans to take advantage of our Mechanics Clinics. These clinics provide a great supplement to the online RefPreps classes offered to our newest umpires. **IN THIS YEAR'S CLINICS GROUPS WILL BE DIVIDED BASED ON EXPERIENCE LEVEL – THIS IS A GREAT**

OPPORTUNITY FOR BOTH NEWER AND VETERAN UMPIRES TO WORK ON IMPROVING THEIR MECHANICS IN A SETTING THAT HELPS THEM BASED ON THEIR AMOUNT OF EXPERIENCE.

Questions should be directed to Clinic Director Jerry Fick, OHSAA Director of Officials Development – Softball at jfick@ohsaa.org.

For Registration - Send form on the next page to: OHSAA – follow instructions on the form

Note – Clinic registration will start at 9AM and program will begin at 930AM. In case of inclement weather participants will be notified by email and the clinic will be rescheduled.
