- We are excited to be holding five Mechanics Clinics being offered around the state – and with our additional emphasis on mechanics will be offering all attendees SIX bonus points on your tournament composite score. I think that shows the strong feelings we have on mechanics improvement and the value of these clinics. For the past several years we have seen many umpires advance in tournament play, including to the state level, after attending these clinics, being identified and improving their mechanics. These clinics are also a great tool for our newer umpires who want to jump start their career. We want to encourage everyone to take advantage of this opportunity!

2025 SOFTBALL UMPIRE MECHANICS CLINICS

All sessions are from 9 AM to 4PM

____ Sunday, March 2 – Central – Reynoldsburg - Waggoner Rd. Junior HS – 360 South Waggoner Rd.

The OHSAA will sponsor five Softball Mechanics Clinics in 2025. These clinics, designed to help umpires improve their skills and attain their advancement goals, will emphasize plate and base mechanics. Staff will be from the OHSAA Softball Umpire Instructional Team and will include OHSAA softball tournament observers. Umpires attending will receive one educational credit (local rules meeting). **Attendees will also receive SIX points added to their TOURNAMENT SELECTION SCORE.**

The cost of each clinic will be \$60 which includes all instruction, lunch, and a registration gift. Immediate registration is encouraged as the number of attendees at each location will be limited.

This clinic will be a working clinic – attendees should come prepared for both plate and base drills in an indoor setting. Please bring your plate equipment - OHSAA umpire uniform is recommended. Please also bring gym shoes as the weather will likely require that these be indoor events. Stations will be rotated in order that attendees can work with each instructor. We have learned that many of our newer umpires were as anxious as our veterans to take advantage of our Mechanics Clinics. These clinics provide a great supplement to the online RefPreps classes offered to our newest umpires. **IN THIS YEAR'S CLINICS GROUPS WILL BE DIVIDED BASED ON EXPERIENCE LEVEL – THIS IS A GREAT OPPORTUNITY FOR BOTH NEWER AND VETERAN UMPIRES TO WORK ON IMPROVING THEIR MECHANICS IN A SETTING THAT HELPS THEM BASED ON THEIR AMOUNT OF EXPERIENCE.**

Questions should be directed to Clinic Director Jerry Fick, OHSAA Director of Officials Development – Softball at jfick@ohsaa.org.

For Registration - Send form on the next page to: OHSAA – follow instructions on the form

Note – Clinic registration will start at 9AM and program will begin at 930AM. In case of inclement weather participants will be notified by email and the clinic will be rescheduled.

Loading Error Note: If you are experiencing a loading error when trying to access the State Rules Meeting, try these steps:

If your page continues to spin without loading anything, and eventually a box with an "Exit Page" and "Wait" option, select the "Exit Page" option. It will take you to a "dead" page with a "reload" button in the middle. Select that button, and the meeting page should appear quickly.

We are working on fixing these errors, and I hope this helps you while the fixes are ongoing!
