RE: Track & Field State Championship Clinic Announcement

### **2025 Track & Field State Championship Clinic – REGISTRATION NOW OPEN**

After a year off due to the move of the state meet to Dayton's Welcome Stadium in 2024, the Track & Field State Meet Clinic is **BACK!** Mick Harris will serve as the day of coordinator, and we have five all-star veteran officials lined up to serve as mentors.

The 2025 OHSAA Track & Field State Meet will serve as the backdrop for this opportunity, where veteran mentors instruct clinic participants on rules, mechanics, and best practices as they happen in real-time. The clinic is open to ALL officials who have not officiated the Track State Championship, regardless of years of service. Participants and their mentors will follow a preset schedule that will take them to every field event and every officiating position. Participants will get to experience everything from the press box to the referee; there will also be set times to ask questions and hear from the Meet Manager, Sport Administrator, and Tournament Assignor. There will also be time built in to enjoy the state meet with your all-access pass.

**It's an educational experience like no other.**
