

## **SPORTSMANSHIP RESPONSIBILITIES FOR Host Site Managers**

- **Study the OHSAA requirements for hosting a contest listed in the OHSAA Handbook**
- **Be aware of your school's emergency action plan — including emergencies, crowd management and health and safety protections — and how to adjust it to meet the needs of the particular contest or event.**
- **Ensure that game officials, proper medical personnel and other site-related conditions are in order before authorizing the start of the contest or event.**
- **Ensure that unauthorized personnel are kept from the playing field or playing court/areas.**
- **Ensure that you are providing safety and security for the visiting team(s) and their spectators.**
- **Ensure that you are providing safety and security for the contest officials. This includes getting them safely to their automobiles before and after the contest, and ensuring that no one — including school administrators, coaches and spectators — have access to officials' locker rooms.**
- **Ensure that safety and security is being provided for parking areas related to the contest/event.**
- **Review guidelines and expectations with your public address announcer(s) and ensure that any music played at contests and events is appropriate and in good taste.**
