**is OHSAA Fall / Winter / Spring**

**Sports Officials Appreciation Week. Every year, these individuals attend clinics, participate in rules meetings and take tests in preparation for the season. During the season, these dedicated men and women take time away from their personal and work schedules and their families to provide our student-athletes the opportunity to play the games they love and contribute to the overall experience our student-athletes receive while participating in educational athletics.**

**At this time, to show our appreciation and respect, please stand and give a big round of applause to the officiating team working today's contest.**

**Thank you!**
