LEAGUE EXPANSION NOTICE

October 1, 2026

The Lorain County League is exploring opportunities to expand its membership by welcoming additional schools of similar size and geographic proximity to contribute teams across all sports and levels of the league. Current Lorain County League members include Black River, Brookside, Clearview, Columbia, Firelands, Keystone, Oberlin, and Wellington.

The league has experienced continued growth and development in recent years and is evaluating the possibility of adding schools that share a similar commitment to student-athlete participation. Exploring expansion is an opportunity to build upon the positive foundation that our current member schools have established.

Schools interested in being considered for potential membership in the Lorain County League are invited to submit a letter of interest. The Lorain County League will review submitted letters of interest as it considers potential future membership and the continued growth of the league.

Letters of interest should be submitted to:
