**Season-to-Date Stats**  
If you haven't been updating athlete stats on a regular basis, you can enter season-to-date stats to get caught up very quickly. Season-to-date stats should only be entered ONCE during the season.

Only use season-to-date stats if you have NOT already entered any stats for this season and do not plan on entering any individual contest stats in the future. Season-to-date stats will override any game-by-game stats previously entered during the season. If you enter Season-to-date stats, your athletes are not eligible to be listed within the league leader boards.
