# The #OHSAA Monday Minute

*A Weekly Update from the Ohio High School Athletic Association*

Greetings from the OHSAA! Please see below for a snapshot of recent memos, important reminders, updates, links to the OHSAA's posting boards and more.

## Military Appreciation Night and Battle for the Golden Megaphone

The OHSAA has designated Friday, January 17, as a statewide Military Appreciation Night during high school athletic events across Ohio. In addition, the Battle for the Golden Megaphone continues for high school student cheering sections. Information about both programs is posted at: <https://www.ohsaa.org/Respect-the-Game/Battle-for-the-Golden-Megaphone/Golden-Megaphone-2019-20>

## Foundation Basketball Games and Holiday Helpers

Schools that have participated in an OHSAA Foundation Basketball game or other similar events to assist those in need during the holidays are asked to send a brief description and photos to the OHSAA for inclusion in upcoming OHSAA publications and social media. Please email content to Tim Stried at [tstried@ohsaa.org](mailto:tstried@ohsaa.org).

## New Feeder School Option Approved for Non-Public Schools

Based on action taken by the OHSAA Board of Directors during a special conference call meeting on Dec. 9, OHSAA non-public schools will now have another option available to select their "designated" feeder schools for Competitive Balance rostering purposes. The new option – specific to the Tier 1 factor in Competitive Balance – will permit non-public schools to utilize all elementary schools of the same system of education that are physically located within a 12.5-mile radius of the high school as designated feeder schools. Creation of this second option for the selection of designated feeder schools also resulted in resolution of an ongoing dispute between the OHSAA and the Greater Catholic League (GCL) Co-Ed Division in southwest Ohio. ## Officials Needed!

Like most states, Ohio has a shortage of contest officials. Anyone interested in becoming a licensed official should visit <https://www.ohsaa.org/Officiating> to get started. Coaches and school administrators – please urge people to become an official if you think they would be a good fit to give back to the game and contribute to the mission of interscholastic athletics!

## myOHSAA, Arbiter and MaxPreps

OHSAA member schools use **myOHSAA** for Participation Cards, Tournament Entry, Officials Tournament Voting and Rating, Staff Management, School Directory Information and more. **ArbiterSports** is used to handle scheduling/contracting and assigning. Please visit: <http://www.ohsaa.org/SchoolResources/Arbiter> or OHSAA staff members Brenda Murray ([bmurray@ohsaa.org](mailto:bmurray@ohsaa.org)) and Ronald Sayers ([rsayers@ohsaa.org](mailto:rsayers@ohsaa.org)). Specific support questions for Arbiter should be sent to [support@arbitersports.com](mailto:support@arbitersports.com) or by telephone at 1-800-311-4060. For those sports that have officials' ratings, Athletic Administrators are required to have varsity schedules (and officials assigned) in their Arbiter Game account, which is provided by the OHSAA. In addition, coaches are encouraged to use the resources available through MaxPreps for sports information items like rosters, results and stats. MaxPreps is the OHSAA's official partner for stats and scores. Please see the Sept. 23 memo linked below for details.
