## Athletic Uniform Regulation Change Approved by Board of Directors

In December, the OHSAA Board of Directors approved a change to General Sports Regulation 17 – Athletic Uniforms. The updated language reads:

Refer to the National Playing Rules of the particular sport to determine what head decorations or headwear are permissible.

**Exception:** In the event a head coach represents to the referee in advance of the start of the competition that a player wishes not to expose his/her uncovered head, the referee shall approve a covering or wrap which shall not:

- 1.) Fundamentally alter the sport;
- 2.) Be abrasive, hard or dangerous to any other participant;
- 3.) Be attached in such a way that it is likely to come off during play, and
- 4.) Be deemed to be unsporting/offensive.

For other exceptions not addressed above, school administrators and/or head coaches shall contact the OHSAA sport administrator via email well in advance of the competition date to discuss if a waiver is available and, if so, the details of the waiver process.

**Note:** If there are any concerns about head decorations or headwear well in advance of the start of competition on that day, contest officials shall approach the head coach (or assistant coach if the head coach is not available) to address the issue.

## Officials Needed!

Like most states, Ohio has a shortage of contest officials. Anyone interested in becoming a licensed official should visit <https://www.ohsaa.org/Officiating> to get started. Coaches and school administrators – please urge people to become an official if you think they would be a good fit to give back to the game and contribute to the mission of interscholastic athletics!

## myOHSAA, Arbiter and MaxPreps

OHSAA member schools use **myOHSAA** for Participation Cards, Tournament Entry, Officials Tournament Voting and Rating, Staff Management, School Directory Information and more. **ArbiterSports** is used to handle scheduling/contracting and assigning. Please visit: <http://www.ohsaa.org/SchoolResources/Arbiter> or OHSAA staff members Brenda Murray ([bmurray@ohsaa.org](mailto:bmurray@ohsaa.org)) and Ronald Sayers ([rsayers@ohsaa.org](mailto:rsayers@ohsaa.org)). Specific support questions for Arbiter should be sent to [support@arbitersports.com](mailto:support@arbitersports.com) or by telephone at 1-800-311-4060. For those sports that have officials' ratings, Athletic Administrators are required to have varsity schedules (and officials assigned) in their Arbiter Game account, which is provided by the OHSAA. In addition, coaches are encouraged to use the resources available through MaxPreps for sports information items like rosters, results and stats. MaxPreps is the OHSAA's official partner for stats and scores. Please see the Sept. 23 memo linked below for details.

## New Feeder School Option Approved for Non-Public Schools

Based on action taken by the OHSAA Board of Directors during a special conference call meeting in December 2019, OHSAA non-public schools will now have another option available to select their "designated" feeder schools for Competitive Balance rostering purposes. The new option – specific to the Tier 1 factor in Competitive Balance – will permit non-public schools to utilize all elementary schools of the same system of education that are physically located within a 12.5-mile radius of the high school as designated feeder schools. Creation of this second option for the selection of designated feeder schools also resulted in resolution of an ongoing dispute between the OHSAA and the Greater Catholic League (GCL) Co-Ed Division in southwest Ohio. Please read the complete release posted here: <https://bit.ly/2PRzkkX>

## Competitive Balance Contacts

If school administrators have questions on how students should be tiered, please reference the Competitive Balance resource center posted on OHSAA.org: <https://www.ohsaa.org/School-Resources/Competitive-Balance-Resource-Center> or contact: Public School contact – Kristin Ronai ([kronai@ohsaa.org](mailto:kronai@ohsaa.org)) / Non-Public School contact – Bob Goldring ([bgoldring@ohsaa.org](mailto:bgoldring@ohsaa.org)) / Arbiter and roster data contact – Ronald Sayers ([rsayers@ohsaa.org](mailto:rsayers@ohsaa.org)).
