OHSAA Position on Service Dogs

Reaffirmed May 2022

It is the position of the Ohio High School Athletic Association that all individuals, including those with disabilities, shall have access to OHSAA tournaments and regular season contests conducted by the member schools. This statement is designed to apprise all OHSAA member schools and tournament managers of the law relating to these accommodations for persons with disabilities and to remind the membership of obligations as it relates to this law.

According to the federal law known as the Americans with Disabilities Act, see complete reference here https://www.ada.gov/service_animals_2010.htm , **only dogs** are recognized as service animals and are defined as “dogs which are individually trained to do work or perform tasks for people with disabilities.” Under this law, as an organization which serves the public, the OHSAA and its member schools, shall allow these service animals to accompany people with disabilities in all areas of facilities where the public is normally allowed to go.

The service dog must be harnessed, leashed or tethered unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices. In that case, the individual must maintain control of the animal.

When it is not obvious what service the dog provides, only limited inquiries are allowed. Staff members may ask two questions: 1) **Is the dog a service animal required because of a disability?** and 2) **What work or task has the dog been trained to perform?** Staff shall not ask about the person’s disability, require medical documentation, require a special identification card or training documentation for the dog, or ask the dog to demonstrate its ability to perform the work or task.

We thank you in advance for making these accommodations for people who have disabilities so that they may fully enjoy the events that are sponsored by the Ohio High School Athletic Association and its member schools. If you have questions, as always, please contact a representative of your District Athletic Board for a sectional or district tournament or the sport administrator on our staff for all other inquiries.
