REQUIRED INFORMATION FOR 2023 OHSAA STATE BASEBALL QUALIFIERS

Congratulations on your Regional Championship! Ohio's State Baseball Tournament in downtown Akron continues to be among the best in the nation. We all look forward to this year's State Tournament and the excitement that comes with playing at one of the premier ballparks, Canal Park in downtown Akron, Ohio.

You were provided instructions after your District Championship to download and submit the required paperwork for **both** the Regional and State Tournaments. Doing this allows us to be more efficient, eliminating the need to duplicate any of this material. Since some schools may have updated/changed items from the Regional level, we are asking all State Tournament participating schools **to send any updated changes to Scott Rex (srex@ohsaa.org)**.

This is also an important reminder that the **virtual State Finalist's Meeting** will be held **Monday, June 5, at 10:30 AM** via Microsoft Teams. You will receive the meeting invitation (directly from Microsoft Teams) and link by Sunday, June 4 at 2:00 PM. You will need the Microsoft Teams application (phone or desktop) to access the meeting. Once you download the application, you can either join the meeting by clicking the link in the email regarding the meeting or by going to the Calendar tab in Microsoft Teams, and click "Join" in the upper right-hand corner of the meeting invitation on Monday at 10:30 AM.

We request two (2) representatives from your school attend the virtual meeting, to insure you have the accurate information. We will review several important items and go over the electronic packet of materials for the State Tournament. Please review these tournament instructions and the State Finalists Manual (to come!) prior to the Finalists Meeting, if possible. There will be representatives from the Akron RubberDucks, Akron Summit County Visitor's Bureau, Aimbridge Hospitality and the OHSAA staff, who will all be available for any questions.

Again, congratulations and we look forward to an exciting weekend of baseball at Canal Park!

Sincerely,

Emily Mason
OHSAA Senior Sport Administrator
