This basketball game between _____ High School and _____ High School is being broadcast through the cooperation of the Ohio High School Athletic Association.

The Ohio High School Athletic Association is a voluntary, non-profit, educational organization through which member schools work cooperatively to adopt the standards and regulations that guide their interscholastic activities. The upholding of these standards and the adherence to the regulations helps to provide more wholesome and educationally worthwhile activities for student athletes grades 7-12.

The schools participating in this contest consider interscholastic athletics an integral part of the educational program and primarily for the purpose of making better men and women out of their students. Unless it accomplishes this, it cannot be justified in the high school program.

Tonight's tournament game is one of many being played throughout the State leading to the State Championship. The OHSAA reserves all broadcasting rights to post season tournament games.
