

Because of limited spectator capacity at Wayne Webb's Columbus Bowl, the venue hosting the OHSAA State Bowling Championships, please understand that if you arrive to the championship(s) after capacity has been reached, you will not be able to enter the facility.

After the eight advancing teams have been determined, attendance will decline, and tickets will again be sold. The schedule, which is approximate can be viewed at: <https://www.ohsaa.org/Sports-Tournaments/Bowling/Bowling-2019-20/2020-Bowling-State-Tournament-Coverage>
