It should also be noted that, besides these tournament regulations, all regulations within the OHSAA Handbook (Bylaws, General Sports Regulations and Track & Field Regulations) shall be followed.

The 2024 regulations have been completely re-formatted for ease of identification. [Items in blue indicate editorial changes or clarifications and do not reflect any rule or policy changes.](#) [Items in red indicate new regulations or changes effective this season.](#) Format changes are not reflected by any color but are extensive through this document

- 1. Organization of Tournaments** The District Athletic Boards organize and supervise district tournaments in their respective districts, subject to the regulations adopted by the Board of Directors. The regional and state tournaments are under the supervision of the Board of Directors and administered through the Executive Director's office.
- 2. Eligibility** All participants must be eligible under the Bylaws and Regulations of the OHSAA. - 3. Divisions** There will be three divisions, I, II and III in all levels of the OHSAA Cross Country tournaments (district, regional & state). Schools must compete in the division and sites to which assigned by the OHSAA.
- 4. Rules** The NFHS Track and Field Rules shall apply in all cases unless changed in the regulations that follow, [in the OHSAA Sport Regulations, or coaches/officials manuals](#). There shall be no juries of appeals convened, and the decisions of the referee are final. [Regulations outlines in the previously mentioned documents will not be listed in this document, however, they still apply \(for example, weather delay or concussion regulations\)](#)
- 5. Data Policy** All paperwork must be maintained for 30 days prior to disposal. All bib replacement forms, appeal forms, and violation cards must be submitted to the appropriate OHSAA staff immediately following the meet. The OHSAA will provide detailed instructions related to data transfer to MileSplit and the Data/Technology Manager.

- 6.1.** Each meet must have a games committee per NFHS regulations; the committee will be made up of:
[District: Meet Manager, Meet Referee \(chairperson\), Head Starter, Head Clerk, Official of the meet manager's choice, One coach from a boys qualifying team, One coach from a girls qualifying team](#)
[Regional: Meet Manager, Meet Referee \(chairperson\), Head Starter, Head Clerk, Head Umpire, One coach from a boys qualifying team, One coach from a girls qualifying team.](#)
[State Meet: Meet Manager, OHSAA Sport Administrator, Meet Referee \(chairperson\), Data Manager/Referee, Head Starter, Head Clerk, Head Umpire, President of the OATCCC, Vice President of OATCCC](#)
- 6.2.** The committee only needs to meet when the situation merits. If the coaching representatives must leave the meet, they shall be available via phone for a committee meeting if needed

7. Entry Requirements

- 7.1.** Entries shall be submitted electronically via MileSplit, which must include the name of the individual entries in all events.
- 7.2.** [At the district tournament level, coaches may modify or adjust event performance information in MileSplit. Meet managers must allow coaches access to make needed/wanted adjustments prior to the entry deadlines.](#)
- 7.3.** The completed electronic entry must be in the possession of the tournament manager no later than 5:00 p.m. on [Friday, October 11, 2024](#), or at a later date and time if established by your District Athletic Board.

- 7.4.** [A maximum of seven \(7\) athletes may be entered into the event; two alternates will be allowed. Alternates will be entered via MileSplit.](#)
- 7.5.** [A substitute may replace an entered athlete provided the substitute is submitted on the online roster, and provided the substitute is submitted to the tournament manager via the online scratch/substitution form **no later than NOON** the day before competition. substitution form. After that time, no substitutions will be accepted, including for injuries. The Clerk of the Course will accept scratches as per usual. The electronic scratch form will be posted on the MileSplit meet page. Paper scratch forms will be available in the Meet Manager's manual. No other methods of substitutions or replacements may be used.

7.6. Each level of tournament competition (district, regional, state) continues both individual and team advancement. When a team advances, the members of that team may change for the next level of tournament.

8. Uniforms

- 8.1. Uniform regulations can be found in the NFHS Rule Book. Refer to the Track & Field Officials Manual & NFHS Rule Book for more regulations on uniforms.
- 8.2. All athletes must wear the bib/transponder assigned to them at their specific site. Numbers must be worn on the front of the uniform secured through pins or another non-harmful method. Meet management must provide schools with an appropriate number of pins to attach bibs.
- 8.3. Schools will be charged a **\$20 per bib fine/fee for the replacement of a lost bib/chip**. Coaches will be required to sign a bib replacement form before receiving the replacement bib. Following the meet, the forms will be sent to the OHSAA office for invoicing. Schools who do not pay the fine will not be permitted to participate in the tournament the following season. Note: This fine does not include errors made by the FAT provider or Meet Manager in not providing the bib in the packet. Coaches MUST inspect their packets at packet pickup to ensure all needed items are included before leaving packet pickup. Note: The bib replacement form can be found in the manager manual.

9. **School Representative** No team or individual entry will be allowed to compete in the OHSAA tournaments at any level of competition unless a coach or a person authorized by the Board of Education is present throughout the competition. Teams and individual entries unaccompanied by such a school representative will be disqualified (Per OHSAA Bylaws found in the general Sports Regulations) When a male coach is assigned to a girl's team, a female supervisor (non-high school student) should accompany the girl's team. Likewise, when a female coach is assigned to a boy's team, a male supervisor (non-high school student) should accompany the boy's team.

Note: Per NFHS Rule 1, school administrators (athletic directors, principals, school administration, superintendents, etc.) are considered members of a team and, therefore, are subject to NFHS and OHSAA rules and enforcement of rules by contest officials and meet management. This includes NFHS rules on unsporting & unacceptable conduct, as well as rules related to restricted areas such as infields/competition areas and interference.

10. **Qualifying Tournaments** Each district and regional cross country tournament is a qualifying tournament for the tournament that follows. These tournaments are not preliminaries for the succeeding tournament. The personnel of qualifying teams may be changed from one tournament to the next.

11. Qualification to each level of the Tournament

11.1. **Individual Qualifiers** Each boy's and girl's tournament will qualify individuals for the next level of the tournament based on the formula of four qualifiers per team. For example:

- a) If three teams qualify, those individuals who finish in the top 12 positions will qualify;
- b) If four teams qualify, those individuals who finish in the top 16 positions will qualify;
- c) If five teams qualify, those individuals who finish in the top 20 positions will qualify.

*A runner may qualify as a team member and as an individual.

Note: In the sport of Cross Country, team designation (used for determining scoring for the current year's tournament, advancement to the regional tournament, and "team" participants in subsequent years' tournaments) shall **NOT** be the number of students entered into or beginning a district tournament, but rather the number of students from that school that **FINISH** the district tournament (i.e. a minimum number of five) and score for their team.

12. Verification Forms In line with NFHS Regulations, coaches must complete a verification form indicating they understand their responsibilities related to sporting conduct and verify that their teams are properly equipped. **This form will be completed/acknowledged electronically via MileSplit when the team registers for the district tournament and will carry throughout the tournament. No paper verification forms will be collected.**

13. The Start

13.1. The Starting Line shall be designed to ensure each competitor has a position equidistant from the first significant change in the course (narrowing, turn, curve, etc.). This means starting lines MAY have a slight curvature to ensure the entire line is equidistant to the first significant change. Please see the Meet Manager Manual for more information on how to lay the starting line.

13.2. There must be a line three (3) meters behind the starting line, in a different color than the start. This line serves as the step back line to ensure all athletes step up is equidistance on the "on your mark" whistle.

13.3. All starting boxes must be exactly six (6) feet in width, not larger or smaller. This allows a team to place four runners on the line in the first row and three runners behind in the second row.

13.4. Box assignments must be made by lot; **they must be random.**

13.5. Individual qualifying athletes shall be assigned to a box with their teammates. Each box including individual qualifiers shall contain four (4) individual runners so all can be on the line. Note: At times, it may be necessary to have three (3) or five (5) individual runners in a box.

- 13.6. If more boxes are painted on the starting line than needed for a specific race, the boxes in the center of the line shall be used for the race, leaving open boxes on each end.
- 13.7. Boxes shall be numbered so that when looking from the start toward the course, box one is on the left-hand side. The center box on the line must be left open with no teams or individuals placed in it.
- 13.8. The start will follow the procedures outlined by the NFHS related to the audio/visual step-up start. Details can be found in the Meet Managers Manual and Officials Manual.
- 13.9. All noncurrent race competitors must exit the starting area when the final instructions to athletes begin.
- 13.10. Spectators shall not be given access to the athlete reporting area or starting line.

14. The Course

- 14.1. The course shall be 5,000M.
- 14.2. All course markings used shall comply with NFHS Regulations found in NFHS Rule 8.
- 14.3. Teams may not place any markers on, next to, or along the course. Only markings placed by meet management are allowed.

15. The Finish & Scoring

- 15.1. The scoring at each tournament level must be accurate and as efficient as possible. To this end, competent and experienced personnel must be employed.
- 15.2. All scoring systems shall use a double system (transponders and video) so that the scoring and order of finish may be cross-checked. NFHS regulations related to the use of a dual system must be followed.
- 15.3. The use of display boards and live results showing the order of finish may be used; however, they should be labeled in a way that ensures spectators, athletes, and coaches are aware that the order of finish shown is not final until verified by the meet referee and the appeal period has passed.
- 15.4. At the finish of the race, if an athlete wishes to stop their watch, they MUST do so by holding their hands above their head. Athletes who do not follow this direction and obscure their bib number or block their transmitter while stopping a watch may cause misidentification of themselves and their finish position; therefore, they will be excluded from the results and considered a DNF.
- 15.5. MileSplit Live Results must be utilized for the Regional & State Tournaments. No other live results platforms may be promoted during all three levels of the tournament, including posting on the MileSplit meet page, making PA announcements, listing on the meet websites, etc.
- 15.6. Once placement and scoring have been completed by the timing team, the referee will announce or cause to be announced that the appeal window has started. If teams are unable to utilize MileSplit Live Results due to internet or cell reception issues, paper results must be provided. The appeal period will be for 30 min starting when announced by the referee or the designee.

16. Decisions

- 16.1. Referee decisions are final in all tournaments. Exception: The Executive Director retains the right to rule on all instances involving ineligible participants.
- 16.2. The referee shall not observe any video device unless the device has been approved in advance and, when authorized, may use the device only for determining the order of finish.
- 16.3. No Jury of Appeals will be used. The referee MAY consult the Games Committee for advice; however, the referee's decision is final.

17. Appeal Procedure Coaches who have concerns related to the decision of the referee or the order of finish should speak with the referee. If, after speaking with the referee, they are not satisfied with the final decision, they should follow the below process to file a written appeal. Only coaches may file an appeal; parents & school administrators are not permitted to file an appeal. Judgment calls are not subject to appeal per NFHS regulations.

17.1. Appeal Process

- 17.1.1. Obtain an appeal form from the Tournament Manager or Referee.

17.1.2. Complete the appeal form, sign and present it to the tournament referee. Failure to complete the form in its entirety will result in it being denied.

17.1.3. The tournament referee will review the appeal, reach a decision, complete and sign the referee's decision portion of the appeal form, and notify the coach of the final decision. This must be done BEFORE the conclusion of the event. The decision of the tournament referee is final and not subject to further review except as indicated above related to eligibility.

18. Conduct

18.1. All NFHS and OHSAA regulations related to conduct apply at the tournaments.

19. **Unsporting Conduct Penalty** Participation in athletic contests is a privilege. Each individual is expected to conduct himself or herself in an exemplary manner while participating.  - o As the warning applies to the team, any member of that team is subject to disqualification for the meet

Note 1: Those disqualified from the meet are subject to additional penalties in line with OHSAA policy.
