*The schedule is subject to change once registration has closed*

- There is no maximum number of athletes that may be entered into the meet.
- Schools with less than 5 competitors per gender may enter.
- Each race will not have the same number of teams/schools but will have a similar number of competitors.
- Every effort will be made to assign teams/schools to races to allow the coaches adequate time to prepare their young athletes. We will make every effort to use the below grouping for schools with both genders:  
Section A & D | Section E & H | Section C & F | Sections G & B
- Each race team champion and team runner-up will receive a trophy at the podium following the race.
- The top 30 finishers in each race will receive a medal. The top 10 will be sent to the podium for awards, with the rest receiving awards as they finish.
