Welcome to the State Championship

From the Executive Director

On behalf of the Ohio High School Athletic Association, welcome to the 48th Annual State Field Hockey Tournament. I extend these wishes on behalf of the OHSAA's Board of Directors, our staff and our member schools.

Over 350,000 young people in our state annually participate in interscholastic athletics. The state tournament is the pinnacle of each high school season, and the air is filled with excitement in anticipation of today's event.

Few things bring schools, communities and students together like high school activities and sports. This tournament event not only promises to help rekindle the spirit of citizenship and community, but it also will afford our students the lifelong memories of playing together to achieve successes later in life.

The Ohio High School Athletic Association is proud to host today's tournament event, and we're also proud to provide quality programs which help apply the lessons of life in an unequalled atmosphere. While we hope student-athletes are participating in interscholastic athletic programs because they're having fun, participation also promotes citizenship and sportsmanship; instills a sense of pride in community; teaches lifelong lessons of teamwork and self-discipline, and facilitates the physical and emotional development of our youth. In short, interscholastic athletic programs are vital to our youth because they provide lessons that are as important as those taught in the classroom, and they help prepare our sons and daughters for the next level of life.

As you watch the competition today, you as spectators can also contribute to the quality of this tournament event and the experience of our young people. By meeting the challenge of displaying sporting behavior in the stands, you are providing a sound example for the students in attendance and are also representing your schools and communities with pride and dignity. Indeed, such events should be both a playing experience and a learning experience for our high school students, so let's make sure that, whether we win or lose today, that our focus is to recognize and celebrate the commitment, dedication and determination of the young people competing.

The OHSAA wishes all teams and participants good luck, and we hope your experience at this tournament is positive. And as you watch today, please remember that everyone has the opportunity and responsibility to "Respect The Game!"

Spectators are asked to add to the quality of this tournament by displaying sportsmanship in the stands and showing respect for all participants and officials. You are representing your school and your communities, just like the student-athletes competing. Let's make sure that, win or lose, our focus is to recognize and celebrate the dedication and determination of the young people competing.

Sincerely,

Doug Ute

Coaches Sportsmanship Award Recipient

Jacque DeMarco

Each year, all 29 of the Ohio High School Athletic Association sanctioned sports' coaches associations and the four allied professional organizations can recognize and honor one of their members with an OHSAA Sportsmanship, Ethics and Integrity (SEI) Award. The recipients are selected by the directors or executive committees of the respective coaches or allied organizations. Individuals selected should reflect the values of sportsmanship, ethics and integrity in all their professional responsibilities and should be a role model for others.

The Ohio Field Hockey Coaches Association has selected **Gahanna Columbus Academy head coach Jacque DeMarco** as its 2026 SEI Award recipient. She will be honored at this weekend's state tournament.

Jacque DeMarco began her role as the assistant director of athletics for middle and upper school sports at Columbus Academy in June of 2022, taking over for longtime assistant director of athletics and coach Anne Horton, whom she also replaced as the varsity field hockey head coach.

Jacque also has 14 years of coaching experience in field hockey at various divisions in NCAA intercollegiate athletics. Nine of those years were at Kenyon College, where she was the field hockey head coach as well as an instructor.

Prior to taking over the program at Columbus Academy, Jacque worked in the athletics department and was varsity field hockey head coach at Columbus School for Girls for one season.

A native of Hudson, Ohio, Jacque earned her bachelor's degree in sociology and religious studies from Colgate University in 2007 and her master's in sport management from SUNY-Cortland in 2011.

Thomas Worthington Wins Second Straight State Title

WORTHINGTON, Ohio – For the second year in a row, a Sophia Borghese overtime goal delivered a state championship to Thomas Worthington.

Borghese, a sophomore, took a pass near midfield, beat two defenders, and scored with 2:46 left in overtime as the Cardinals defeated New Albany, 2-1.

The game was scoreless at halftime. New Albany's Sophia Mariotti broke the deadlock with a goal with eight minutes left in the third period, but Thomas Worthington's Julie Conroy forced overtime when she scored off a penalty corner with just 2:52 left in regulation.

The state title is Thomas Worthington's eighth, second most in state history, and second in a row. In both 2022 and 2023, Thomas Worthington trailed in the second half of the state final before forcing overtime and eventually winning on a goal by Borghese.

Thomas Worthington finished its season 21-2-0 overall. New Albany, making its first appearance in the state tournament, finished 19-4-0.
