RE: 2020 Weekly Word-Week 3

How Was Week 2?

1. Week 2 is in the books! We all want to continue playing, so what do we need to address? The Lt. Governor called and because of some of the issues at the Columbus Crew game, he wants to make sure we have our “ships” in order.
 - A. Coaches: keep working on your sidelines with distancing and masks.
 - B. Please think about entering and exiting the field and limiting congregations of players.
2. Our Athletic Directors have done a tremendous job adhering to the mandates. Our data from observers has been great fuel for ODH and the Governor’s office that our schools are doing the right thing!
3. We did receive clearance for schools to play a different JV team on Saturday morning.
