1. All tickets are sold through the codes given to the schools. Schools should prioritize parents and family members first when distributing codes. Schools may distribute unused or extra ticket codes to their school community directly.

Regular Season Contracts

1. Regular season contracts were only voided for the 2020 season.
2. **While all future contracts are still valid, schools should work together on resolving multi-year contracts that included 2020.**
3. Bylaw 7-1-8 states: If a school which has entered into a game contract cancels or attempts to cancel a game contract without the consent of the other school, or otherwise breaches the terms of the game contract, the schools shall:
 - a. Attempt to resolve their contract dispute by and between themselves; or

- b. The non-breaching school may invoke the liquidated damages clause as set forth in its game contract; or
- c. Determine the financial loss to the non-breaching school and make a financial settlement; or
- d. Refer the matter to the Executive Director's Office for binding resolution. In arriving at a binding financial resolution, the Executive Director's Office shall consider the financial records (attendance, gate receipts, concession sales, others) of past games previously played to ascertain damages to the non-breaching school. In addition to the foregoing remedies, the Executive Director's Office is authorized to sanction the breaching school with a full array of sanctions as set forth in Bylaw 11 including, but not limited to, denial of participation in the OHSAA tournament in the sport in which the contract disputed occurred.
