RE: 2020 Skills Training CLARIFICATION

Skills Training for all “Contact” Sports

1. This information from the ODH is what you must adhere to when you begin:

<https://coronavirus.ohio.gov/static/responsible/Skills-Training-All%20Sports.pdf>

2. It is clear in the ODH document and the Governor’s office announcement that **no competitions or games are permitted including scrimmages or any types of tournaments**. Any lifting of the “no touch” policy which would allow 7 on 7 will come from the Governor’s Office. **This supersedes the General Sports Regulation from the memo on Friday.**
3. Here are GUIDELINES you should consider when beginning any activity during this crisis. It is up to your school district and local health organization to choose how to begin activity within the mandates in #1 above.

4. Here is a good tool for you to use to monitor your athletes:
