

2022 OHSAA Football Regional Alignments

Division II

- Schools with male enrollment of 376 to 605
- Four regions: 28 schools each in region 5, 6 and 7; 22 schools in region 8
- Region Process:

Regions are redrawn annually based on the number of teams that were eligible for the previous year's OHSAA Football Tournament, and including those that have indicated participation in this year's tournament. Once the number of teams is known, "pins" representing each school in that division are added to a map. Counties are no longer kept together since "clusters" of schools make that impossible. Schools may be spread out to keep a similar number of schools as possible in each region.
