

2022 OHSA Football Regional Alignments

Division III

- Schools with male enrollment of 270 to 375
- Four regions: 28 schools in region 9; 26 schools in region 10; 24 schools in region 11; 27 schools in region 12
- Region Process:
Regions are redrawn annually based on the number of teams that were eligible for the previous year's OHSA Football Tournament, and including those that have indicated participation in this year's tournament. Once the number of teams is known, "pins" representing each school in that division are added to a map. Counties are no longer kept together since "clusters" of schools make that impossible. Schools may be spread out to keep a similar number of schools as possible in each region.
