

2022 OHSA Football Regional Alignments

Division IV

- Schools with male enrollment of 202 to 269
- Four regions: 26 schools in region 13; 25 schools in region 14; 28 schools in region 15; 26 schools in region 16
- Region Process:
Regions are redrawn annually based on the number of teams that were eligible for the previous year's OHSA Football Tournament, and including those that have indicated participation in this year's tournament. Once the number of teams is known, "pins" representing each school in that division are added to a map. Counties are no longer kept together since "clusters" of schools make that impossible. Schools may be spread out to keep a similar number of schools as possible in each region.
