

2022 OHSA Football Regional Alignments

Division V

- Schools with male enrollment of 154 to 201
- Four regions: 27 schools in region 17; 28 schools in region 18; 26 schools each in regions 19 and 20
- Region Process:
Regions are redrawn annually based on the number of teams that were eligible for the previous year's OHSA Football Tournament, and including those that have indicated participation in this year's tournament. Once the number of teams is known, "pins" representing each school in that division are added to a map. Counties are no longer kept together since "clusters" of schools make that impossible. Schools may be spread out to keep a similar number of schools as possible in each region.
