

## 2022 OHSA Football Regional Alignments

### Division VII

- Schools with male enrollment of 112 and less
- Four regions: 31 schools each in regions 25 and 26; 23 schools in region 27; 25 schools in region 28
- Region Process:  
Regions are redrawn annually based on the number of teams that were eligible for the previous year's OHSA Football Tournament, and including those that have indicated participation in this year's tournament. Once the number of teams is known, "pins" representing each school in that division are added to a map. Counties are no longer kept together since "clusters" of schools make that impossible. Schools may be spread out to keep a similar number of schools as possible in each region.
