From the Ohio High School Athletic Association

On behalf of the Ohio High School Athletic Association, welcome to the 55th annual football playoffs. We are grateful for the outstanding efforts of our schools during the last four months. The OHSAA football state championships will return to Tom Benson Hall of Fame Stadium at the Pro Football Hall of Fame in Canton, Ohio December 3-5.

High school sports are about so much more than wins and losses, and this season has proven that once again. Almost 350,000 young people in our state annually participate in interscholastic athletics. Few things bring schools, communities and students together like high school activities and sports. The OHSAA is proud that our member schools provide quality sports programs which help apply the lessons of life. While we hope student-athletes are participating in interscholastic athletic programs because they're having fun and striving to achieve team and individual goals, participation also promotes citizenship and sportsmanship; instills a sense of pride in community; teaches lifelong lessons of teamwork and self-discipline, and facilitates the physical and emotional development of our youth. In short, interscholastic athletic programs are vital to our youth because they provide lessons that are as important as those taught in the classroom, and they help prepare our sons and daughters for the next level of life.

Spectators can also contribute to the quality of this tournament event and the experience of our young people. By displaying sporting behavior in the stands, you are providing a good example for the young people in attendance and are also representing your schools and communities with pride and dignity. These events are both a playing experience and a learning experience for our high school students, so let's make sure that, whether we win or lose today, our focus is to recognize and celebrate the commitment, dedication and determination of the young people competing. The OHSAA wishes all teams and participants good luck, and we hope your experience at this tournament is positive. And as you watch today, please remember that everyone has the opportunity and responsibility to "Respect The Game!"

OHSAA Mission

The mission of the Ohio High School Athletic Association is to serve our member schools and enrich interscholastic opportunities for students.

About the 2026 OHSAA Football Playoffs

Each of the state's seven divisions is divided into four regions. Twelve schools qualify for the playoffs in each region, with the top four seeds in each region receiving a first-round bye. Seeds 5, 6, 7, and 8 host seeds 12, 11, 10 and 9, respectively, in the first round, and the better-seeded team serves as the host for the regional quarterfinals and regional semifinals. Neutral sites are utilized for the regional finals and state semifinals. Regional rounds follow bracket format, with the OHSAA determining the matchups for the state semifinals.

Pro Football Hall of Fame and Tom Benson Hall of Fame Stadium to Host OHSAA Football State Championships

The OHSAA football state championships return to Canton and Tom Benson Hall of Fame Stadium for a sixth consecutive year in 2026. The seven state championship games will be played Dec. 3-5.

On June 16, 2021, the Ohio High School Athletic Association and Pro Football Hall of Fame announced an agreement to return the games to Canton.

“The OHSAA is excited for this agreement with the Pro Football Hall of Fame, as our student-athletes, schools and communities will get to experience Tom Benson Hall of Fame Stadium and all that Canton and the Hall of Fame Village have to offer,” said OHSAA Executive Director Doug Ute. “We are grateful to the Hall of Fame for their partnership, and we look forward to collaborating with the Hall year-round.”

Canton, Massillon and Ohio State University have hosted the state football championships at various points over the past 35 years. With its ties to the game and Canton’s rich history, the OHSAA believed the Pro Football Hall of Fame was the ideal place to host the state football championships.

Visit Canton, which first hosted the state football championships starting in 1990 and most recently in Canton from 2017-19, will continue to be a sponsor and partner of the events.

Feed Your Game with Beef

OHIO BEEF COUNCIL

If there were a protein contest, beef would surely be crowned the king! Among the powerful package of 10 essential nutrients beef is known for, protein may be one of the most notable. In fact, one 3-oz cooked serving of beef provides 50% of your Daily Value (25 grams) of this important nutrient—making it an excellent source!

Protein supports strength!
Protein helps support strong, lean bodies. Eating enough protein-rich food is essential to help protect lean body mass and prevent the loss of muscle and strength associated with aging.

Get more from your workout!
Studies show exercise is more effective when paired with a higher-protein diet, and complete proteins, like beef, provided the amino acids necessary for muscle-building and recovery.

Aim for evenly distributed daily protein intake.

Be super.

Every year, over 22,000 youth under 18 go to the emergency room for eye injuries—and many of those happen while playing sports. **You can reduce the risk of hurting your eyes by at least 90%, just by wearing protective gear.** So not only will you be able to play harder and smarter, you'll be able to see while doing it. **Learn more at superspecs.org.**
