Timeouts, Halftime and Halftime Interviews

Team Called Timeouts: 60 seconds plus an additional 25 seconds for teams to get into ready position (1:25 total)

TV Timeouts Per Quarter: Before each televised game, Spectrum will determine if additional TV timeouts will be taken. If so, each quarter there will be one (1) :90 second timeout, plus an additional :25 seconds for teams to get into ready position.

Timeout Note: A team timeout will count as a TV timeout (and be converted to the longer :90 + :25) if the timeout is not during the first drive of a quarter.

Time Between 1st-2nd and 3rd-4th Quarters: 90 seconds plus an additional 25 seconds for the teams to get into ready position (1:55 total).

Halftime: Intermission shall be 15:00 plus 3:00 for teams to warm up. The field clock will start at 20:00 upon the referee's signal and the clock will run continuously to 0:00, at which time the clock will be reset to 3:00 and immediately started and run continuously to 0:00. Teams must return to the field within 20 minutes. Each band may perform for 10 minutes.

Coaches Halftime Interviews: Spectrum may conduct an interview with coaches leaving the field at halftime. Typically, the coach of the team with the lead (or the home team if the score is tied) will be interviewed when leaving the field for halftime. The other coach will be interviewed when he returns to the field.
