Re: 2022 Golf Season Start Date

The Board of Directors approved the 2022 golf regulations at their June Board meeting.

With these regulations came a change to the start date of the 2022 season. Previously, competition was scheduled to begin on Friday, August 5.

The new start date for competition will be Thursday, August 4 and the practice start date will remain Monday, August 1.

I will be sending a revised "Non-Interscholastic Event Waiver Request Form" later this month. If your golfers have any non-interscholastic events they know they will be participating in, please hold off on submitting the request form until I send you the updated version. The deadline for non-interscholastic events will be Sunday, September 25.

Have a great summer!
