

**IMPORTANT INFORMATION**  
**REGARDING PRACTICE TEE TIMES**  
**FOR DISTRICT MANAGERS**

Please find enclosed practice tee time forms to be used once the qualifiers to the state tournament have been determined. Based on the tee times on this form, your qualifying team(s) and individual(s) will select from pre-determined practice round times on their respective courses (Scarlet, Gray or NorthStar). Tournament managers shall allow coaches to select their practice time slot in order of finish at the district tournament (i.e. district champion gets first pick, followed by district runner-up, etc.). In the case where you have multiple state qualifiers, there will be time slots to accommodate all teams and individuals (high finishers receive 1st choice, 2nd choice, etc.).

Once finalized, tournament managers will send the information back to OHSAA golf administrator Monroe Britton via email at [mbritton@ohsaa.org](mailto:mbritton@ohsaa.org). Monroe will relay the assigned tee times to the host courses.

Also, enclosed are the instruction sheets to be distributed to the qualifying teams and individuals. **It's very important these get distributed and each team/ind. receive the proper sheet since information is different.** Please also distribute the cart rules for NorthStar to Boys Division II Qualifiers only.

Thank you for your assistance, please let me know if you have any questions.
