# Congratulations on Qualifying to the State Tournament

The OHSAA will be using the **OHSAA Golf App** by **iWanamaker** for live scoring at the State Tournament. The **OHSAA Golf App** is used to live score and view leaderboards, scorecards, rankings, etc.

## **If you already have the app:**

- Please have your golfers create their own account on the **OHSAA Golf App** and register as a high school golfer for your team.
- Make sure that all of your golfers that qualified have the app. ☐ Have them get the **OHSAA Golf App** from the app store and sign up as a high school golfer.
- Log in at <https://iwanamaker.com> and **Seed** your golfers in the same order as they played at the district.

## **If you do not have the app:**

- **The first step** is to get the **OHSAA Golf App** from the app store and sign up as a coach.
- **The second step** is to sign in at <https://iwanamaker.com> and navigate to your school by clicking the iWanamaker logo and then your school. ☐ Your school's homepage is where you will be able to manage your rosters and events.
- Although you could enter your golfers manually, they need to be registered users to be able to enter scores.
