Thank you for your willingness to serve as a manager for the OHSAA Golf Tournament!

This is the traditional ‘Managers’ Manual’ provided to all managers of Sectional and District tournaments that reflects the consistent procedures for all tournaments across the state. District Athletic Boards (DAB’s) make certain permissible adjustments in their respective districts, but this manual reflects items adopted by the OHSAA’s Board of Directors to provide a consistent and fairly administered tournament across the state.

The manual is designed to help you in the operation of the tournament and is divided into basic parts of:

- Introduction Information
- Important Changes for 2021
- Baumspage Information
- General Information
- Overall Tournament Organization Information
- Specific Regulations (Coaching Rule, Range Finders, Electronic Communication Devices)
- Financial Reporting Information
- Inclement Weather Information
- Medical Information
- Tournament Regulations

I cannot stress enough the importance of adhering to regulations at the Sectional/District level. As you might expect, should a regulation not be followed, it only becomes magnified when the team advances to another level and is required to follow a regulation that should have been followed all along.

Each District Athletic Board is given the task of organizing tournaments at the sectional and district level in their respective athletic districts under the tournament regulations adopted by the OHSAA’s Board of Directors. These tournament regulations are located at the end of this Manual.

Though nearly all of your communication will be with the District Athletic Board member in your district that oversees golf, if I can be of any service to you, please do not hesitate to contact me via email at tbrooks@ohsaa.org. Thank you for your efforts and making this year’s tournament the best it can be for the student-athletes!

Tyler Brooks,
Senior Manager of Officiating & Sport Administration

The OHSAA Mission Statement

To serve our member schools and enrich interscholastic opportunities for students.
1. As of the August 26 Board of Directors Meeting, the tournament ticket prices are being tabled for a special meeting/vote to take place at the beginning of September. Ticket prices will be shared with District Athletic Boards and managers after those prices have been determined and approved. Children under the age of five are provided complimentary admission.

2. Please note that Yom Kippur is Sept. 15-16 this year and should not affect any of our tournaments.

3. Green Fees – Per Golf Tournament Regulation XV, participating schools will not be charged green fees for competition rounds of play.

4. District Managers: Please print the appropriate state qualifier sheets and give them to your teams/individuals that qualify to state. They contain important information that the teams/individuals will need for the state tournament.

5. District Managers: Also, please be sure to print the state tournament practice times schedule and assign practice times for your qualifiers and communicate those to the respective state tournament course.

6. The 2019 Rules of Golf included a new optional Local Rule that allows players to drop a ball with 2 penalty strokes in an area near where the ball was lost or estimated to go out of bounds. The Local Rule is not one of the 24 Rules of Golf; it’s an optional Local Rule. **This 2-stroke optional Local Rule will NOT be used at the OHSAA Sectional, District or State Championships.** The intent of this Local Rule is for golfers who are playing recreational golf, casual rounds, or their own competitions at their club or course. For example, for leagues, outings, and everyday play.

7. As always please review the 2021 OHSAA Golf Tournament Regulations in full, linked at the end of this resource. Please review section “VII. Rules” in the tournament regulations as several significant changes have been made to this section.
   a. In previous years, the tournament regulation stated that a golfer could pick up their ball at any point in the round but should continue to play with his/her group to finish the round. Additionally, the regulation formerly stated that from the point of pick up, each hole thereafter should be marked on the scorecard as “N/A”. The tournament regulation now states that the score for any hole not completed should be recorded as “X” on the scorecard.

   b. Also, the tournament regulation used to state that golfers must hit at least one shot on all 18 holes in order to count towards the 4 players needed for representation purposes. That is no longer a component of the tournament regulation and golfers do not need to hit a shot on each hole in order to be counted for representation purposes.

   c. If a player picks up their ball on any hole during the round, their final score shall not be counted for individual or team qualifying and shall be recorded as “DNF” on both the scorecard and on Baumspage.

8. Each DAB has been given the authority to determine whether to permit spectator carts at your tournaments. They should provide you their decision and all the details prior to or at the manager meeting. Please reach out to them should you have any questions.
Utilizing “Baumspage” for Tournament Managers

The use of Baumspage remains a requirement at all sectional and district tournaments. It serves the purpose of integrating online entry, posting of results, transfer of qualifier data, and participation reports all the way through to the state tournament. There is a consistency of data for all tournaments. Gary Baumgartner or Terry Young with Baumspage will follow-up directly with all managers to provide instruction and any training that is needed.

Please call or send an e-mail if you have questions or need help

Gary Baumgartner
Cell: 513-594-6154
E-mail: gb@baumspage.com

Terry Young
Cell: 740-517-0195
E-Mail: terry@baumspage.com

General Information for Sectional/District Managers

1. Managers should consult their respective district’s websites for teams assigned to their sectional/district tournaments. Please be in constant contact as ‘full teams’ and ‘individual’ competitors change frequently.

2. Once you have been provided the teams assigned to your Sectional/District, tournament managers should send tournament information to both the School Athletic Director AND the School’s Golf Coach (sectional level) and/or district tournament managers. This should be done in a timely fashion, preferably a minimum of two weeks before their tournament.

3. This should include site of tournament, date of tournament, tee times/pairings, golf course telephone numbers, charge for range balls, and any other pertinent information.

4. If the host golf course has a website, it is recommended it be used as well to provide necessary information.

The Tournament Information Packet

1. On the day of the tournament, each participating team shall receive:
   A. Tee assignment/tee times
   B. Listing of local rules (six copies – one for the coach and one for each player). Rule sheet should include a statement that all OHSAA rules and guidelines are in effect.
   C. List of local rules in effect that day.
   D. Course description and special conditions which may become a part of the play at that site.
   E. Scorecards that are labeled in advance.
   F. Results will be posted at www.baumspage.com. Please inform the media that AP Style results will also be posted.

2. Tournament managers no longer need to collect eligibility forms/certificates.
3. **Groupings**
   A. All teams should be arranged in advance of the tournament by a method prescribed by each respective district athletic board and this information must be made available to all schools a minimum of two weeks prior to the tournament.
   B. Threesomes or foursomes should be used.
   C. The format for beginning play MUST be:
      1. All of a team’s players MUST begin play on the same hole (either the first hole or the tenth hole). It is recommended half of the field begin play on the first tee and half on the tenth tee.
      2. These player’s must be in successive order.
         Example: First Tee
         9:00- No. Ones from school #1, school #2, school #3, school #4
         9:00- No. Twos from school #1, school #2, school #3, school #4
         9:00- No. Threes from school #1, school #2, school #3, school #4
         9:00- No. Fours from school #1, school #2, school #3, school #4
         9:00- No. Fives from school #1, school #2, school #3, school #4

   **DO NOT SEND OUT ALL NUMBER ONE PLAYERS FROM THE ENTIRE FIELD, FOLLOWED BY ALL NUMBER TWOS, ETC.**
   **DO NOT SPLIT TEAMS AS THEY TEE OFF (SOME BEGIN ON NUMBER ONE AND SOME BEGIN ON NUMBER TEN)**

   3. Shotgun format is NOT permitted unless it is used to try and complete the tournament due to impending severe weather and/or darkness.
   4. If there are an uneven number of players, a group should not be sent out with less than three players unless they are accompanied by an (adult) official scorer.
   5. Caution should be used in assigning pairings. Examples:
      A. Don’t pair the same teams together year after year
      B. Try to not pair teams from the same conferences together
      C. Try to not pair the best four teams together and the worst four teams together. Try and balance each group according to abilities with (example) two good teams and two lesser teams.

4. **Tournament Rules Committee**
   A. Each tournament site MUST have a rules committee prior to the beginning of play.
   B. This committee shall consist of the tournament manager, a PGA golf professional (preferably from that course) and a coach from a participating team.
   C. If a ruling/decision involves the team from the coach who is on the committee, that coach should be excused from the committee.
   D. Decisions made by the committee are final.
   E. The OHSAA will not accept appeals for a “golf rules infraction”.

5. **Tournament Golf Course**
   A. The golf course should be marked with appropriate stakes/lines to distinguish hazards, out of bounds, and ground under repair.
   B. The Tournament Manager should review the OHSAA Suspension of Play Policy with the golf course management and establish a tentative rain date and make sure the golf course personnel are aware all holes and tees must remain the same due to resuming at the point of interruption.

6. **Tournament check-in**
   A. All players should arrive 30 minutes prior to their tee times.
7. Scoring
   A. Each player will keep the official score for one competitor in their group.
   B. No two players should score for each other.
   C. Encourage all players to keep the scores for all players in their respective group.
   D. The score shall be verbalized by the player so all in the group, including the scorer for that player, can hear. If there is a discrepancy between the score marked and the score announced, the scorer shall ask the player to review his/her strokes in the presence of the other players. Golfers shall settle all questions on number of strokes before starting play on the next hole. The score must be verified before the first tee shot is made.
   E. A scoring area MUST be made available for the players to use at the conclusion of play. It should be near the last green and away from players, coaches, and spectators.
   F. Scorecards must be signed by the scorer and attested to by the player. The player is only responsible for their hole-by-hole scores, and not the total. Once the scorecard is turned in, it may not be altered.

8. Motorized carts may be used by the tournament manager and the Rules Committee. Coaches are permitted the use of golf carts for coaching purposes at the discretion of each District Athletic Board. Should a Board give the approval to use carts, each school would be permitted one cart for a school approved coach. The OHSAA is not responsible for the cart fee. Each school or coach will be responsible for the cart fee. Spectator carts are now permitted at the discretion of each DAB.

9. Starters should review the following on the first/tenth tee prior to beginning play:
   A. Teeing order
   B. Which colored tees are to be used
   C. Identify golf balls
   D. Exchange scorecards/signatures required
   E. Local rules
   F. Spotters/marshals are not officials
   G. Procedures for playing two balls
   H. OHSAA rules/guidelines are in effect, including pace of play
   I. If “summer” or “winter” rules are in effect
   J. Cell phone/electronic devices rules/range finders
   K. Location of scoring areas and USGA rules on scorecards
   L. Players should be made aware of the difference between a “Marshall” working the tournament and a “Rules Official” on the course.

Financial Report

Complete the financial report and send it to the District Board Treasurer within 10 days after the tournament.
Awards & Trophies

Trophies and awards appropriate for the district tournaments will be shipped directly to the managers from Croton Craft, P.O. Box 257, Croton, Ohio 43013. Please open the shipment immediately and check the awards to see if you have received the correct trophies and awards or if there is any damage. If an error has been made or there is damage, notify the supplier and the OHSAA immediately. Contact: Travis Nethers at Croton Craft (1-800-947-5521).

Sectional Tournament Managers Instructions

SECTIONAL MANAGERS
1.1 Team and individual qualifiers to the District Tournament will be populated through Baumspage.

1.2 Eligibility Certificates & Entry Forms **DO NOT need to be collected.**

1.3 No tournament participation list needs to be completed. All participation reports will be populated through Baumspage.

District Tournament Managers Instructions

1. DISTRICT MANAGERS

1.1 Qualifiers – Team and Individual Qualifiers will automatically be populated from the Sectional Tournament in Baumspage. Send information for each school with qualifiers regarding the location of the course, a map of the course, the place to report and the scheduled starting time.

1.2 Starting Times (Tee Times) – District tournament managers shall establish starting times for qualifying teams and individuals with the lowest qualifiers teeing off first.

   a) Example: 3rd place qualifiers tee off first
   2nd place qualifiers tee of second
   1st place qualifiers tee off last

   b) The procedure would be used for individuals also.

1.3 Qualifiers to the State Tournament – Utilize Baumspage to email qualifiers directly to the OHSAA.

1.4 Awards – Trophies and awards appropriate for the tournaments will be shipped directly to the managers from Croton Craft, P.O. Box 257, Croton, Ohio 43013. Please open the shipment immediately and check the awards to see if you have received the correct trophies and awards or if there is any damage. If an error has been made or there is damage, notify the supplier and the OHSAA immediately. Contact: Travis Nethers at Croton Craft (1-800-947-5521).
2. It is critical that all state qualifying teams and individuals are assigned and aware of their practice tee time for the Thursday prior to the state tournament, as well as receive the correct state tournament information sheet with instructions for their respective division.

3. When possible, it is strongly recommended that the course be lengthened to better prepare participants for play the following week at the state tournament.

Golf Tournament Sites & Assignments

Each of the state’s District Athletic Boards are empowered by the OHSAA Constitution to organize and conduct the boys’ and girls’ golf tournaments at the Sectional and District levels. They are conducted according to the tournament regulations adopted by the Board of Directors. Representation to the State tournament (the number of State ‘qualifiers’) from District winners is determined by a formula based upon the number of teams participating in the previous enrollment cycle’s tournament.

The complete tournament regulations that were adopted by the Board of Directors are able to be read in their entirety by logging on to www.ohsaa.org and navigating to the golf webpage under the “Sports and Tournaments” dropdown menu. You are encouraged to print and read these tournament regulations. Each District Athletic Board formulates its own instructions based on these approved regulations and will provide these and cover them with you at their Tournament Manager Meeting.

With a few exceptions, most schools in the counties listed below are assigned sites from the respective District Athletic Boards. The Athletic Districts are indicated on the map below that ultimately feed into the State tournaments.

You are encouraged to visit their websites for additional information.

The Board of Directors approved a coaching regulation change effective with the 2013-2014 school year. This regulation continues and will be in effect for all regular season and tournament play.

The regulation permits ONE school board approved coach/designee assigned to that event to speak with his/her players without delay of play at any time. During the player’s stipulated round, coaches are not permitted to physically stand on any green or in any sand bunker. The player must walk off the green or stand outside the bunker should he/she wish to converse with his/her coach at these particular times.

This regulation should be applied with the following procedures:

1. During the player’s stipulated round, coaches are not permitted to physically stand on any green or in any bunker. The player must walk off the green or stand outside the bunker should he/she wish to converse with his/her coach at these particular times.
2. If a group should “lose their position” the group must be playing at a pace slower than 15 minutes per hole. To fall behind the group in front does not always mean a group is playing slow.
3. If the group fails to regain their position on the course within a reasonable time established by officials then the group should be notified that they are “going on the clock”. At that point, any player who does not complete his/her turn to play in the allowed forty-five seconds is assessed a two stroke penalty. A second violation is another two stroke penalty, and a third violation results in a disqualification.

ie. “45 second rule” – once a player reaches their ball, and their turn has arrived to play, they must complete their shot within the 45 seconds allowed.

Penalties for violation of the coaching regulation:
1. A warning is issued.
2. Player is assessed a two-stroke penalty and the coach loses his/her coaching privilege.
3. Coach is disqualified/ejected.
   Note: Following a coach ejection, if there is not a person authorized by the Board of Education present at the contest, forfeiture would result (Bylaw 3-3-1- school representative must accompany team).

* In addition to the penalties listed above, a coach who violates the coaching rule may face additional disciplinary action.

Use of Range Finders by Participants

Distance-Measuring Devices - A player may obtain distance information by use of a distance-measuring device. If during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his or her play (e.g., elevation changes, wind speed, etc.), the player is in breach of Rule 4-3. Note: Smart watches are permitted to be used as range finders.

This rule will allow one coach/designee authorized by the Board of Education present at the contest and his/her players to use a range finder during the event. Yardage information is not considered advice and is permitted during an event.

Penalty shall be: Player – 1st offense – two (2) strokes
              2nd offense – disqualification
Electronic Communication Devices

The use of any electronic communication device for an unauthorized purpose shall be prohibited on the course during any competition by all players except in cases of emergency. All phones including those used by spectators shall remain on silent.

Penalty shall be: Player – 1st offense – two (2) strokes
2nd offense – disqualification

Coaches are permitted to use cell phones on the course. All phones, including those used by coaches and spectators, shall remain on silent. Should a call need to be made, coaches and spectators should remove themselves to an area without disturbing the golf competition.

In no way do we suggest that electronic communication restrictions should prevent use of such devices during an emergency.

It is our sincere hope to improve the quality of all golf matches. We believe that enforcement of this rule will provide all student-athletes with the opportunity to compete on a level playing field.

*Please note that players are permitted to use their phones only if you are conducting online scoring and they are responsible for inputting scores.

OHSAA Golf Tournament Admission Prices

NOTE: As of the August 26 Board of Directors Meeting, the tournament ticket prices are being tabled for a special meeting/vote to take place at the beginning of September. Ticket prices will be shared with District Athletic Boards and managers after those prices have been determined and approved.

Children under the age of five are provided complimentary admission.

Participating Schools: Each participating school will receive complimentary admission for 3 school administrators, digitally, through HomeTown Ticketing. One digital code will be provided to each school. Each code will have 3 tickets attached to the code. The same code will be utilized, as a school advances in the tournament.

Passes – Pass Lists

No passes will be permitted to be shown for entrance. Anyone entering the tournament will need an electronic ticket. More information on this process will be communicated to each District Athletic Board.
Financial Reporting

The financial procedures for conducting Sectional/District Tournaments have been revamped recently and no longer permit the use of individual checking accounts for conducting the financial matters of OHSAA Tournaments. All instructions for these procedures will be outlined by District Athletic Board Treasurers (listed below) at the respective District Athletic Board Managers’ Meetings. Essentially, all tournament finances will now be maintained by the school system or site.

Any questions surrounding these new procedures can be directed to the respective District Athletic Board Treasurers listed below or to OHSAA Finance, at finance@ohsaa.org

Lightning & Inclement Weather Procedures

Lightning and Inclement weather procedures are as follows. Please review these carefully. Though all officials received these procedures in pre-season communication, it would be wise to review with them prior to the game. The Lightning and Inclement Weather Policy is relative to ALL OHSAA Sports.

WEATHER Recognition:

Coaches, athletic trainers, athletes, administrators and contest officials should be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles ANYTIME that lightning can be seen or heard, the risk is already present. Weather can be monitored using the following methods:

• **Monitor Weather Patterns** – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity.

• **National Weather Service** – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings; watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers should be at a heightened level of awareness to the potential danger of lightning.
Management:
• **Evacuation**- If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

• **Thirty-minute rule**- Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes.

Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.

---

**Communicable Disease Policies & Procedures**

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as other bodily fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.

2. Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood and other body fluids is anticipated.

3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.

4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.

5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.

6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.

7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.

8. Contaminated towels should be properly disposed of/disinfected.

9. Follow acceptable guidelines in the immediate control of bleeding and when handling dressings, mouthguards and other articles containing body fluids.

Additional information is available from the OHSAA and the National Federation of High Schools.
