*Please note that all coaches and competitors are expected to participate in the Grand March and Awards ceremony.

CAPITOL CUP FORMAT

The OHSAA will again employ the Capitol Cup Format, as described in USAG rules, at the Girls State Gymnastics Tournament. This format is designed to shorten the length of the competition and is accomplished by utilizing two sets of identical equipment for uneven parallel bars, balance beam and vault and at least an identical spring tumbling strip and carpet for floor exercise. The facilities at Hilliard Bradley High School, which include a field house gymnasium, permit this competition format.

Prior to competition on both days, bar settings shall be made on the competition equipment. There will be no formal warm-up, other than touch warmup, on the competition equipment on either day. Warm ups shall take place only in the warm-up gymnasium on the identical equipment. We will not time warm ups in the auxiliary gym on team day, however, squads will receive approximately 25 minutes of warm-up. After student-athletes have proceeded to the competition floor and reported to the chief judge for their event, they shall be a touch warm-up on that equipment as described below. For the team competition, the time may be "blocked" with the maximum time being three minutes.
