## APPARATUS SPECIFICATIONS

**The following applies to all events:** Up to 9" of any combination of supplemental matting in addition to maximum allowable competition landing surface of 24 cm. One manufactured skill cushion or sting mat may also be used in addition to the maximum allowable landing mats. If the skill cushion is 8" in thickness, it must be a minimum of 5' x10'; however, it is recommended that the skill cushion be as close as possible to the dimensions of the competition landing mat.

Abutted mats:

When two mats are abutted, they should be secured at the joining with ties or tape to prevent an open space between the mats.

A sting mat may also be used by itself or in addition to the skill cushion. Whenever a 4" supplemental mat is used, it must be 7' X 10'.

In addition to what is currently allowed for Optional competitions for mounting the apparatus (as found in the *Rules and Policies*), the gymnast is allowed to stand on an 8" skill cushion for uneven bars or balance beam mounts. For mounting purposes, a mount mat (not a springboard) may be placed on the 8 inch skill cushion.

### VAULT

**The vault table is required. For round off entry vaults, a manufactured safety zone mat is required for training and competition. A safety zone mat must be placed snugly around the board so there is no space between the board and the mat. The safety zone mat may be used for other vaults in any position.**

Vault Table Height = 135 cm maximum

#### Measurement is from the front of the table

Runway: Length = 76' minimum, 82' maximum; Thickness = a minimum of 1 3/8" (+/- 1/8") is required for the vault runway.

Matting for Landing Area: A minimum of 6' wide x 12' long x 4-4 3/4"(12 cm) thickness is required over the base mat. An 8' x18'

mat is recommended. An additional 4" or 4 3/4" landing mat may be used.

Any combination of matting systems is permitted provided that the total thickness does not exceed 10"  $\pm$  3/4" (24  $\pm$  3 cm) and all landing mats are uniform in width and length.

### VAULT EQUIPMENT:

1. The regulation landing mats (plus allowable skill cushions) may be placed on top of a solid foam pit landing area for vault.
2. All manufactured models of the new vault table (including "retro-fit" tables that are inserted into the uprights of the old horse) are allowed for OHSAA competition, provided that they are capable of being adjusted to the various height specifications allowed for OHSAA athletes. A mat is required to be placed in front of the support of the vault table. A mat which is no higher than the low edge of the front of the board may be used
3. A hand placement mat may be used on the runway but not on the vault board.
4. No tape or chalk is permitted on the vault table.

5. Manufactured hand placement mats, Velcro side down, shall be required for both warm-ups and competition for round-off entry vaults only. The hand placement mats shall no longer be used as a visual aid for hurdle placement or any other vaults.
6. It is permissible to place athletic tape or velcro strips along the width of the vault runway. The markings should be removed no later than at the end of rotation. None of these markings listed shall be wider than 2". The judge must issue a warning before taking a deduction if that 2" measurement is exceeded.

## UNEVEN BARS

Low bar =  $166 \pm 1$  cm High bar =  $246 \pm 1$  cm

Bars must close to a minimum of 130 cm and extend to a maximum spread of 180 cm.

In accordance with Junior Olympic guidelines, based on the best interest of the gymnast's safety, it is permissible to adjust the high bar and/or low bar to a height which exceeds (or is lower than) the F.I.G. specifications provided that after such adjustment, the bars remain within the allowances identified by the manufacturer of the apparatus. In addition, the distance (spread) between the bars may be set to the preference of the athlete, provided after such adjustment, the bars remain within the allowances identified by the manufacturer of the apparatus.

Schools with Bars that do not extend to 130 cm should inform visiting school at least a week in advance.

Tournament: Uneven Bars will extend to 180 cm.

Measure: Height of bars from the top of the rail to the floor.

Width between the inside of the rails by vertical (plumb) line.

Mount and Dismount Areas: 18' minimum forward and rearward of the center of the bars is recommended.

Matting: 24' long x 6' wide x 4-4 3/4" thick. 8' width is recommended.

A minimum of 12' from the center of the bars to the front and 12' to the rear. Matting may be adjusted up to 4' forward or backward for dismounts.

Any combination of skill cushions (maximum of 9" using sting mats, 4" throw and/or 8" skill cushions) may be placed on top of the allowable competition landing mats in two separate areas (under the bars and/or at the dismount area). If an 8" skill cushion is used, it must a minimum of 5' X 10'.

## BALANCE BEAM

Height = 120 cm (47"  $\pm$  1/4") or 125 cm

Measure at both ends from the top of the beam to the floor.

Mount and Dismount Areas: 18' from each end of the beam is recommended.

Matting: Under the beam, a minimum of 6' wide x 4-4 3/4" thick.

Landing area, a minimum of 6' wide x 12' long x 4-4 3/4" thick.

When space filler matting is needed to extend regular matting under the beam, the height and density of the filler matting should be as equal as possible to the regular matting.

Note: If a landing mat is not provided at both ends of the beam, the area designated as "not a landing area" must be matted a minimum of 6' wide x 3' long x 4-4 3/4" thick. Schools should be informed one week before the meet when only one end dismount area is available. An additional 4 3/4" or 4" landing mat may be used.

Any combination of skill cushions (maximum of 9" using sting mats, 4" throw and/or 8" skill cushions) may be placed on top of the allowable competition landing mats in two separate areas (under the beam and/or at the dismount area). If an 8" skill cushion is used, it must be a minimum of 5' X 10'. It is strongly recommended that padding for the beam uprights and bases be used.

## FLOOR EXERCISE

12 m x 12 m (39' 4 7/16" x 39' 4 7/16")

Measure from the outside of the parallel boundary lines.

Matting: 1 1/4" + 1/4" thick ethafoam or similar cushion material spring floor mat. Any other must be approved in advance by all teams competing.

Two additional mats (skill cushions – each a maximum thickness of 8 inches/20 cm) can be placed separately on the floor exercise area. Mats must be clearly marked to indicate actual boundary lines. Failure to mark mats will result in a

- .10 neutral deduction taken from average.

- If the skill cushion is 8" in thickness, it must be a minimum of 5' by 10'.
- A "sting" mat may also be placed on top of each of the up to 8" skill cushions.
- It is recommended that matting (panel mats) be placed around the outside corners of the floor exercise mat especially when on a concrete/wood floor.

Note: The additional matting does not have to be removed during the exercise. A coach is permitted to go onto the floor to place or remove a mat with no deduction.

All abutted mats should fit together without separation or be taped.

Spring/Reflex floors shall be used in all OHSAA competitions unless agreed upon in advance by competing schools..

## SPRINGBOARD:

Height = 22 cm ± 1.5 cm

Measure from the top of wood at the highest point to the floor.

1. The gymnast may use a springboard to mount.
2. MOUNTING RULES FOR BARS AND BEAM:
3. Standing mounts: The gymnast may stand (with or without a board) on one or two competition landing mats, and may also stand on an "up to 8-inch skill cushion" (sting or throw mat" that is placed on the competition landing mat(s) for dismount purposes.
4. Mounts using a spring board: The board may be placed on one competition landing mat(s) (one or two 10-12 cm mats or one 20 cm mat) or on the supplemental matting of 5-10 cm. (sting mat or 4" throw type skill cushion)
5. The board must be removed as soon as possible after the gymnast has mounted. If not removed, a deduction of 0.30 is taken from the average score by the Chief Judge.
6. Mounts that are preceded by one element prior to take off from the board will be allowed. If more than one element is performed before take-off from the board, a 0.20 deduction is taken by each judge. However, only the movement done after the feet leave the board will be evaluated.
7. A gymnast may use a spring board, training board, or panel mat for mounting. Gymnasts may NOT place a springboard on an 8-inch skill cushion for mounting purposes.

## NON-REGULATION AND FAULTY EQUIPMENT:

1. The Meet or Tournament Director/Manager shall check all apparatus for safety and equipment regulations at all meets and OHSAA tournament competition.
2. When equipment breaks during warmups or competition and cannot be replaced or repaired, the same procedures should be followed as for non-regulation equipment.
3. When equipment is faulty, or other problems arise, the Meet Referee/Chief Judge of the event will decide to allow or disallow the gymnast to repeat her exercise. If the gymnast repeats the exercise, her score for the event will be the score earned on the repetition.

#### **WARNING:**

1. Risk of injury to an athlete can be minimized, but this risk cannot be eliminated. Apparatus should be inspected for flaws that might lead to apparatus failure. Gymnasts should be in good health and trained to perform the skills included in each exercise.
2. When the coach or supervisor is not in the room, the gymnasts or any other students or individuals should not use apparatus and/or equipment.
3. A bonded manufacturer of gymnastics apparatus or mats should manufacture apparatus. No apparatus should be altered except with a part, or parts, specifically designed for the purpose and manufactured by a bonded company.

#### **UNIFORMS**

The OHSAA shall follow the USAG Junior Olympic rules for competition in regard to competitors' uniforms. Therefore, a gymnast shall present herself in the proper attire for both warm-ups and competition. (No bare midriffs, backless leotards, T-shirts, Boxer or compression shorts). Leotard and/or warm-up suit shall be worn for opening, closing and award ceremonies. Leg opening on competitive leotards must NOT be cut or rolled above the gymnast's hip bone. A deduction will be applied for an infraction. For competition, the gymnast may wear a sleeveless leotard and may be barefooted or wear gymnastics footwear. Clarification: If underwear is visible due to the cut of the leotard, warn the coach of the athlete. If they do not correct it, take a deduction on the subsequent event. Underwear should not be intentionally visible throughout the entire routine. However, if briefs or bra straps show due to activity, do not take the deduction. Judges need to use common sense. Sports bras if visible must be the same color as the predominant color of the upper portion of the leotard which surrounds the sports bra.

**NOTE: Leotards may have the school name or the school's mascot on them, but they may not display any other marking except as is permitted within the OHSAA uniform regulations contained within this publication.**

For a competitor who presents with improper attire during touch warm-ups and/or competition, a 0.20 deduction shall be taken from the gymnast's first event score when it is noticed by the officials, following a warning. This deduction shall be taken by the meet referee or chief judge in the event there is no referee. Please note: proper competition uniform consists of a leotard only.

For the pre-meet or tournament parade or march, athletes must be attired in warm-up clothing or school-issued uniforms. If there is no regular team uniform, the gymnasts may march wearing identical tee shirts with school logos and shorts or warm-up pants.

Note: During general warm-ups, athletes are not permitted to wear improper attire such as compression shorts, boxer shorts, tee shirts, etc. The reason for this prohibition is the safety of the gymnast, and the OHSAA strongly discourages any deviation from this recommendation; however, there is no penalty for failure to comply.

It is unacceptable and shall be considered **unsporting conduct** (subject to ejection) if a student-athlete removes her leotard in any area within the view of the public. This includes but is not restricted to the competition and warm-up areas. All facilities make locker rooms available to student-athletes, and it is in this environment that the gymnast shall make any changes of uniform.

PENALTY: Ejection from the contest for unsporting conduct. This requires that the gymnast be ineligible for the next two gymnastics contests.

## JEWELRY

**Jewelry is not permitted during competition and warm-ups AND MUST BE REMOVED. No warning shall be issued. The deduction is .20 on the first event that it is noticed by the officials and a .30 unsporting conduct penalty for any subsequent event.** Note: In all other OHSAA adopted national playing rules, jewelry is not permitted. The ultimate responsibility for compliance with this rule rests with the coach as well as the student athlete. NOTE: The covering of jewelry is not acceptable. Officials are requested to ensure that jewelry that is covered be removed immediately.

## WARM-UP PROCEDURES

Assuming that a Capitol Cup Format is being used, once warm-ups are completed in the auxiliary gym, the gymnasts will move to the competition gym. Touch warm-ups will proceed as follows:

**Vault** – Each team will take a touch. A maximum of three vaults per gymnast is permitted. Immediately after the team has touched, it will compete. The next team in the rotation will then take its touch and compete immediately thereafter. Individual competitors should block their time with the team that is either before or after them in the rotation.

**Bars** – Each team and individual shall take a touch (30 seconds per gymnast not including the time to reset the bars). Teams may block their time together. If a team has fewer than six gymnasts, calculate accordingly. Immediately after the team has touched, it will compete. The next team in the rotation will then take its touch and compete immediately thereafter.

**Beam** – The first three competitors in order shall individually take a 30 second touch. Then the first competitor competes. When the first competitor finishes, the fourth competitor takes her 30-second touch after time is given to adjust matting and/or the board. The second gymnast then competes after which the fifth athlete in the competition order shall touch. This continues through the entire rotation.

**Floor** – The first half and second half touch procedure will apply as much as possible. Due to individuals and teams being in the same rotation, some teams may have to split for the first half and second half touch warm-

up. Immediately after the first group has touched, it will compete. Individuals should block their time with the team either before or after them in the rotation.

Coaches should be advised to have their gymnasts stay in the waiting area prior to and after they compete. Note: vaulting boards do not need to be measured since air boards are no longer used.

**The Tournament Manager shall supply to each judges' table (Chief Judge) and to all coaches the list of all competitors on each event in competition order (rotation sheet). This is extremely important so that the Chief Judge is aware of the number of competitors and their order in the competition. All coaches have the right to this information in advance as well.**

##### 6. ENTRY FEE

There are no entry fees for Gymnastics tournament contests.

## 7. RULES

The USAG Jr. Olympic Code of Points (2018-2022) and modified USAG Level 9-10 shall be used in all tournaments.

Rules interpretations shall be the decision of the OHSAA State Rules Interpreter(s).

There shall be **no** repeating of a routine for score in any OHSAA Sectional, District or State gymnastics tournaments.

**EXCEPTION** – In the event of defects in the apparatus or an event which occurs through no fault of the gymnast, the Chief Judge of the event will make the decision regarding the repeat of the exercise. If a repeat is authorized, the gymnast may repeat the entire exercise and the score of the repeated routine must count or she may choose to repeat from the point of interruption. In this case the judges will use their judging up to the point of interruption and then continue with judging of the repeated portion to determine the score.

### JURY OF APPEALS

In the event of an appeal, in accordance with USAG Rules, the Tournament Referee may convene a **Jury of Appeals**. The Jury consists of the Referee, the Tournament Manager, the OHSAA Representative, the Chief Event Judge and the next highest-ranking judge. All decisions of the Jury are final.

## 8. COMPETITION

## 10. UNIFORM

The required uniform for competition is a one-piece leotard with no bare midriff. The leg cut of the leotard must be below the pelvis/hip bone. Sleeveless leotards are permissible.

## 11. OFFICIALS

## 12. AWARDS

Team trophies and medals for team participants will be presented to the championship and runner-up teams in the District Tournaments. **Individuals:** Medals will be awarded for each state qualifier in each event. No awards are permitted at the site of District or State Tournaments except those furnished and/or approved by the OHSAA.

## 13. SCHOOL REPRESENTATIVE

No team or individual entry will be allowed to compete in the District or State Tournaments unless accompanied by a coach or person authorized by the Board of Education or similar governing board who is present throughout the tournament and on the floor to assist the athlete. Teams and individual entries unaccompanied by such a school representative will be disqualified. (See Bylaw 3-2-1).

Coaching is not permitted by anyone other than the school's assigned gymnastics coach. The name of the coach, or coaches (all board approved), who will be permitted on the floor with the gymnast during the tournament, will be printed in the official program. **(No other coaches will be permitted on the floor with the gymnast.)**

## 14. VAULT

Vault numbers will be flashed at all OHSAA District and State Tournaments. It is recommended that vault numbers be flashed at Sectional Tournaments.

## 15. INQUIRIES

An inquiry procedure will be in effect. Inquiries may be initiated only in cases involving: a) unusual falls, b) application of neutral deductions (i.e. overtime, under time, line violations, inappropriate attire, etc.), or c) value parts. Inquiries must be filed within 5 minutes of the conclusion of each event rotation.

## 16. QUALIFIERS FROM DISTRICT TO STATE TOURNAMENT

- (a) **The requirements for qualification in any event apply throughout the entire progression of tournaments.** The District and State Tournaments are both team and individual competitions. A gymnast may qualify to the next level of tournament competition in only three ways:
- 1) As an individual in the individual event/all around competition.
  - 2) As a member of a team that qualifies to the next level of competition.
  - 3) As an individual in individual event/all-around competition and as a member of a qualifying team.
- (b) **All-Around and Individual Events** – Each District may send no more than the maximum number of competitors permitted for individual events for each District as determined by the representation ratio.

This placement is determined by: 1. Achievement of the highest score for each individual event: vault, uneven parallel bars, balance beam and floor exercise; 2. The highest score totals of the four individual events: All-Around.

| DISTRICT                     | TEAMS QUAL. | INDIV. QUAL. |
|------------------------------|-------------|--------------|
| Central + Southeast and East | 3           | 8            |
| Northeast + East             | 6           | 17           |
| Northwest                    | 1           | 5            |
| Southwest                    | 2           | 6            |
|                              | 12          | 36           |

- (c) **Team Qualifiers from District Tournaments** – The maximum number of gymnasts permitted per event is six.

Any girl whose name appears on the school's current eligibility certificate shall be eligible to compete for her team at the State Tournament.

The official entry form shall provide a roster of likely entrants into that tournament. These students could be substituted for at the registration table upon arrival. The coach shall indicate any events on which it is likely that six gymnastics will not be competing.

- (d) **Alternates**

An alternate gymnast may compete in the individual competition of the State Tournament if a qualifying gymnast cannot compete due to illness, injury, flagrant misconduct or ineligibility. The alternate shall be the next highest individual qualifier in that event from that District Tournament.

Replacement of these athletes or the team may be made up to the time that the competition begins in that event at the State Tournament. The athlete and her coach or the next qualified team must report to Senior Director Deborah Moore for verification. If the replacement can be made prior to Tuesday of the week of the state tournament by 4:00 PM, the name of the competitor(s) shall be placed into the official program.

- (e) **Additions, Withdrawal and Substitution**

1. A competitor may be added (provided the limit of six per event is not exceeded), withdrawn or substituted with another eligible gymnast at the coaches meeting before competition.
2. Competitors on a team do not have to be the same individuals who competed in the prior Tournament.

3. A coach may replace an eligible gymnast for a competitor who is injured or becomes ill during warm-ups or competition. The substitute gymnast will receive warm-up time equal to that of other gymnasts on the event, or events, at the directive of the tournament manager. The injured/ill gymnast thus replaced may be permitted to reenter the competition for any other event for which she was entered, provided she is authorized to do so by coaching staff/medical personnel.
  4. A coach may choose to "scratch" an injured gymnast from an event in which she is entered rather than replace her. The gymnast will receive a "score of zero" by presenting herself for the event in her rotation and touching the apparatus.
- (f) **Representation of Team:** In order to count as a team for the following year, a school must have a **minimum** of three gymnasts competing in each of the four events.

- (g) **Ties** – All ties for the last qualifying place must be broken in District Tournaments; however the gymnasts' scores shall not change, and all competitors shall receive awards when appropriate. Scores will be calculated to the thousandths. Coaches should be informed of the tabulations of each participant involved in order to allow them an opportunity to recheck the procedure. The following procedure shall be followed:

**Individual event competition**

1. Score sheet entries will be double checked by the tournament manager and tournament referee, including:
  - a. Each separate judge's judging formula addition not including execution.
  - b. The striking of the high and low scores and the average of the middle two scores.
2. If the procedure outlined in 1 does not break the tie, a "base score" shall be determined for each gymnast's score, and the higher score will then be the higher place winner. The "base score" is the addition of the score of the chief judge to the gymnast's score on the event. This number is then divided by two for an average designated as "base score."
3. If there is still a tie, the following shall apply:
  - a. In ties for an individual event, if both/all gymnasts competed in the all-around competition, the gymnast with the highest all-around score shall advance.
  - b. If any tied athlete(s) did not compete in the All-Around, all athletes shall repeat their exercise or if both/all agree, they may choose to flip a coin.

**All-Around competition**

1. In ties for the all-around competition check all mathematics and judging formulas. The gymnast with the highest score on a single event shall advance.
  - a. In the remote possibility that all of the all-around events are tied, each separate event shall be base scored to produce a new all-around score.
  - b. If the new base scored All-Around is tied, the highest single event base score will advance.
2. In the event that all tie breaker procedures have been followed and a tie still exists, a coin will be flipped to determine advancement.

- (h) **Team Competition** – Ties for the last qualifying place will be broken by:

1. Application of #1 above. Check all mathematics and judging formulas.
2. A "base score" as described in #2 above, will be determined by the chief judge and tournament manager for all scores in all events for the athletes comprising each tied team (maximum number of gymnasts permitted is six).
3. The sum of the top four "base" scores in each event shall be added to determine the new team score, which will be used to break the tie for advancing to the next round of tournament competition.

## 17. PHOTOGRAPHERS

Flash pictures of the competitors are not permitted during the progress of the competition. Media photographers desiring to take pictures shall make previous arrangements with the tournament manager. The number of photographers and their locations shall be determined by the tournament manager.

## 18. VIDEOTAPE REGULATIONS

### a) Videotaping or filming by participating schools.

Videotaping or filming of tournament contests by one or more schools participating in the contest is permitted provided prior arrangements are made with the tournament manager and it is done at the expense of the school involved and a maximum of one individual per school is permitted.

### b) Videotaping or filming by spectators.

1. Shall be for personal use.
2. Shall not be used for scouting or coaching.
3. Shall not interfere with the view of the athletic contest by other spectators.
4. The tournament site shall not permit the use of more than the seating space for which the spectator has paid when seating is needed for paid fans.

6. Equipment will not be permitted in any playing area – only in the spectator seating area.
7. The tournament site will not provide sources of power for video equipment.
8. Violation of this regulation may result in the removal of offender from the premises.

## 19. REPORTS BY MANAGERS

A complete report listing competing schools and number of girls from each school that participated must be sent to the OHSAA by the tournament manager immediately following the tournament. All results from District Tournaments must be submitted to Kate Barnett, sport administrator and Carol Eskay, State Tournament Manager, by **9:00 P.M. on Saturday, February 26, 2022**, via electronic transfer to [kbarnett@ohsaa.org](mailto:kbarnett@ohsaa.org).

## 20. SIGNS AND BANNERS

The use of balloons, pennants, shakers and noisemakers is not permitted. Signs and banners may be affixed to walls subject to the approval of the Tournament Manager.

## 21. COACHES AND COMPETITORS

All coaches, paid and volunteer, must be listed on the school's Emergency Contact Form. This form represents that each coach is board-approved and possesses all the credentials required by the OHSAA and the state of Ohio to be authorized to coach an interscholastic team. Competing teams and coaches must stay within the designated areas on the competition floor for each event during the competition.

## 22. UNSPORTING CONDUCT PENALTY

During participation in OHSAA tournaments any student or coach ejected for unsporting conduct shall be ineligible for contests the remainder of that day as well as for all contests in gymnastics until the next two regular season/tournament contests have been played.

Individuals ejected for unsporting conduct shall be reported to the OHSAA Executive Director by the tournament manager. The Executive Director will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants it. Participation in an athletic contest is a privilege. Each individual is expected to conduct him or herself in an exemplary manner while participating.

It is unacceptable and shall be considered **unsporting conduct** (subject to ejection) if a student-athlete removes her leotard in any area within the view of the public. This includes but is not restricted to the competition and warm-up areas. All facilities make locker rooms available to student-athletes, and it is in this environment that the gymnast shall make any changes of uniform.

**PENALTY:** Ejection from the contest for unsporting conduct. This requires that the gymnast be ineligible for the next two gymnastics contests.

**23. PROPERTY DAMAGE**

There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The tournament manager is authorized to deduct from the school's share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at state sponsored tournaments is the responsibility of the administrative heads of the competing schools.

**24. SPONSORSHIP AND RIGHTS**

The Ohio High School Athletic Association is the sponsoring association for the Sectional, District and State Girls Gymnastics Tournaments. The OHSAA reserves all rights in regard to the management of these tournaments and the sale of any items or any audio-visual reproductions. Any sale of food, clothing, souvenirs or any other items is strictly prohibited without permission of the respective District Athletic Boards for District Tournaments or of the OHSAA Executive Director for the State Tournament. The videotaping of any or all portions of the tournaments for resale purposes is prohibited without permission.

**25. PROHIBITED ADVERTISING**

There shall be no advertising through printed media, billboards, radio or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program.

**5. SCHEDULE – CAPITOL CUP FORMAT**

The OHSAA will employ the Capitol Cup Format, as described in USAG rules, at the Girls State Gymnastics Tournament. This format is designed to shorten the length of the competition and is accomplished by utilizing two sets of identical equipment for uneven parallel bars, balance beam and vault and at least an identical spring tumbling strip and carpet for floor exercise. The facilities at Hilliard Bradley High School, which include an auxiliary gymnasium, permit this competition format.

Prior to competition on both days, bar settings shall be made on the competition equipment. There will be no formal warm-up on the competition equipment on either day. Warm-ups shall take place only in the warm-up gymnasium on the identical equipment. All warm-ups shall be timed. After athletes have proceeded to the competition floor and reported to the chief judge for their event, they shall be given a 30-second touch warm-up on that equipment. For the team competition, the time may be “blocked” with the maximum time being three minutes. Note: The 30 second touch on bars does not include the time needed to set the bars.
