Re: Skate Armor Neck Guard

Good afternoon!

As many of you know, there has been a change for the 2019-20 school year that requires neck guards to be worn by ALL players. After several questions regarding the Skate Armor neck guard, we have confirmed with Gary Wilkins, OHSAA Ice Hockey Director of Officiating Development, that the neck guard is approved and can be worn by your student athletes. The website from which you can purchase the neck guard is skate-armor.com. If you have any questions, please reach out to either me (rsayers@ohsaa.org) or Jerry (jsnodgrass@ohsaa.org). Enjoy the rest of the week!

Ronald Sayers

Assistant Director of Membership Services
