**5) Non-Interscholastic Participation**

5.1) Soccer Players Who Have Not Competed for Their School This Season:

A sports regulation identified as the Individual Non-Interscholastic Competition Date stipulates that a soccer athlete who has not participated for the school team in soccer that season must cease non-interscholastic soccer competition by the first date of competition (August 21, 2020) in order to be eligible for OHSAA Tournament competition provided all other applicable bylaws and regulations have been followed.

In addition, an athlete who has participated for the school in soccer who violates this non-interscholastic competition date by participating in a non-interscholastic contest in soccer shall be ineligible for OHSAA tournament competition in soccer in addition to any other penalties that may be prescribed.

Date: **September 7, 2020 Labor Day** – No non-interscholastic competition permitted on or after this date.

5.2) A member of an interscholastic soccer squad (any student who has played in a scrimmage, preview or regular season/tournament game as a substitute or starter) sponsored by the Board of Education shall not participate in a non-interscholastic program (tryouts, practice or contest) as an individual or a member of a team in the sport of soccer during the school’s season (Sports Regulation 7.2.1).

Exception: The Executive Director’s office may grant a waiver to this regulation in the event that the athlete has been selected to compete as a member of a junior or senior national team in the sport. – General Sports Reg 7.7 The intent of the waiver is to protect the integrity of the regulation and the interscholastic program while allowing the development of national-caliber athletes who have been invited to compete non-interscholastically during the school season. The procedure for requesting the waiver requires that the principal or official designee of the member school direct a request to the OHSAA soccer administrator. Please include the supporting documentation with the letter request. Each request will be reviewed on an individual basis.

5.3) A member of an interscholastic soccer squad (any student who has played in a scrimmage, preview or regular season/tournament game as a substitute or starter) sponsored by the Board of Education may participate in non-interscholastic soccer prior to and after the school season under the conditions of General Sports Regulation 7.3 and are detailed as follows:

5.31) The number of interscholastic soccer players from the same school on a non-interscholastic squad is limited to five on the roster of that non-interscholastic squad. A roster is defined as all the members of the entire squad on that non-interscholastic squad that would practice together OR participate together in any non-interscholastic event. “Rotating players” that would exceed this number (5) is not permitted and the use of any “guest player” would be counted as one of the 5 players permitted on the non-interscholastic roster.

Note: Graduating seniors who are participating on a non-interscholastic soccer squad after their final interscholastic contest of the season in the sport of soccer are exempt from this limitation.

5.32) There is no limit on the number of soccer squad members from the same school participating on the same squad during the period June 1-July 31 in accordance with General Sports Regulation 7.5.

There is no limit of players from the same school on an indoor soccer team.

Student-athletes in team sports who wish to participate in one of these “all-star” competitions outside the school soccer season may do so without jeopardy to eligibility provided the students maintain compliance with General Sports Regulations 7.3 and 7.6 that address “Non-Interscholastic Competition.”

The purpose of this special “All-Star” regulation is to provide an opportunity for the interscholastic team sport coach to coach players from his or her school. Coaches are permitted to coach in “All-Star” contests if they meet all the provisions of General Sports Regulation 7.6.
