2.) If the results are still tied, the tie shall be broken by a coin toss. The school that calls the toss shall be the first one to appear in the alphabet (official school name without the respective city name ahead of it unless the city name is part of the official school name), going from A to Z in even-numbered years and Z to A in odd-numbered years.

NOTE: If electronic balloting is utilized in a particular District, the results shall be sent to the manager and made public by the manager at the drawing meeting.

c. **Placement of Teams on Brackets**

Each District Athletic Board (DAB) shall determine placement of teams on brackets. Regulations for placement for each district can be found by navigating to the following websites:

Central District Athletic Board: www.ohsaa.org/cdab

East District Athletic Board: www.ohsaa.org/edab

Northeast District Athletic Board: www.ohsaa.org/nedab

Northwest District Athletic Board: www.ohsaa.org/nwdab

Southeast District Athletic Board: www.ohsaa.org/sedab

Southwest District Athletic Board: www.ohsaa.org/swdab

If a school fails to have a representative present at the seeding and drawing meeting, the manager shall place the school(s) on the bracket in accordance with the DAB's seeding protocol.

The tournament manager will distribute brackets to representatives of participating teams. All brackets shall designate the date and time of game with the home team being listed on the top of the bracket. Brackets which include a 'bye' will have that 'bye' drawn on a bracket to represent it as a "Home" team.

I. GAME RULES

The National Federation Softball Rules published by the National Federation of State High School Associations (NFHS) will be the Official Rules in all tournament games. In situations where the OHSAA has not adopted NFHS rules (e.g., tie breaker), OHSAA rules shall prevail. All game rules must be followed explicitly by coaches, schools and officials.

- A. All tournament games shall be played to completion. Suspended games shall be resumed from the point of suspension.
- B. Examples of games played to completion include:
 - a. Any time after five innings, or after 4½ innings when a team is 10 or more runs behind and has completed its term at bat. This is a complete game.
 - b. By mutual agreement of the opposing coaches and the plate umpire, any remaining play may be shortened at any time or the game terminated. (See NFHS Rule 4.2.3 which is the same protocol for the regular season).
- C. If a team fails to appear or is not ready to play within 30 minutes of the scheduled starting time of a tournament game, the space on the bracket may be declared vacant. A forfeit will be declared, and the opposing team shall advance to the next round of competition.
- D. Bylaw 8-3-1. The OHSAA Constitution and Bylaws does NOT permit Protested Games. INTERPRETATION: In the event a rule is misinterpreted or misapplied, the correction must be made by the umpires and coaches on the field at the time it occurs. Umpires and coaches are urged to carry rule books, to confer using rule books and to make corrections where warranted. If the coaches and umpires cannot agree, the final decision will be made by the umpire-in-chief.

R. FILMING OF CONTESTS

a. Videotaping or filming by participating schools

2. Filming or videotaping by members of the coaching staff can now be done from inside the dugout and the video may be viewed, within the dugout, during the game for coaching purposes.
3. Filming or videotaping of a potential opponent's tournament game is prohibited.

7. The tournament site will not provide sources of power for video equipment.
8. Violation of this regulation may result in the removal of the offender from the premises.

- c. Individuals ejected for unsporting conduct shall be reported to the OHSAA Executive Director by the tournament manager. The Executive Director will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants it.
- d. Participation in an athletic contest is a privilege. Everyone is expected to conduct himself or herself in an exemplary manner while participating.

T. PROPERTY DAMAGE

There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The tournament manager is authorized to deduct from the school's share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at state sponsored tournaments is the responsibility of the administrative heads of the competing schools.

U. SPONSORSHIP AND RIGHTS

The Ohio High School Athletic Association is the sponsoring association for the sectional, district, regional and state softball tournaments. The OHSAA reserves all rights regarding the management of these tournaments and the sale of any items or any audio-visual reproductions. Any sale of food, clothing, souvenirs, or any other items is strictly prohibited without permission of the respective District Athletic Boards for sectional and district Tournaments and the OHSAA Executive Director for the regional and state Tournaments.

V. PROHIBITED ITEMS

There shall be no advertising through printed media, billboards, radio, or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program.

There also shall be no raffles or any type of games of chance permitted at the site of tournament contests during the duration of the tournament(s).

In addition, the sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contest involving OHSAA member schools.

W. DRONES – UNMANNED AREAL VEHICLES

The use of drones is prohibited for any purpose by any persons at OHSAA tournament contests. Tournament managements shall remove anyone attempting to use a drone and/or confiscate the drone until the event has been completed.

Note: An exception to this policy may be made in specific cases for OHSAA broadcast partners, provided the management of the tournament facility permits the presence of drones for broadcast purposes under the control of the OHSAA.

X. LIGHTNING AND INCLEMENT WEATHER

This is an extremely important safety policy adopted by the National Federation. Though all officials received these procedures in pre-season communication, it is strongly recommended that tournament site managers review this policy with administrators of competing schools, coaches, AND officials prior to games. The Lightning and Inclement Weather Policy is relative to ALL OHSAA Sports and is contained within the **OHSAA Sports Regulations**.

Recognition:

Coaches, athletic trainers, athletes, administrators, and contest officials should be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles ANYTIME that lightning can be seen or heard, the risk is already present. Weather can be monitored using the following methods:

Monitor Weather Patterns – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity.

National Weather Service – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers should be at a heightened level of awareness of the potential danger of lightning.

Management:

Evacuation- If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

Thirty-minute rule- Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes. **Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.**

***NOTE:** At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.

Y. CONCUSSION MANAGEMENT

Ohio law effective April 26, 2013, indicates that if a student is removed from practice or competition due to a suspected concussion or head injury, the coach or contest official who removes the student shall not permit the student, ON THE SAME DAY THE STUDENT IS REMOVED, to return to that practice or competition or to participate in any other practice or competition for which the coach or contest official is responsible. Thereafter, which means no earlier than the next day, the coach or contest official shall not permit the student to return to practice or competition until both of the following conditions are satisfied.

- 1) The student's condition is assessed by either of the following:
 - a. A physician, who is a person authorized under Chapter 4731 of the Ohio Revised Code (ORC) to practice medicine and surgery or osteopathic medicine or surgery (MD or DO).
 - b. Any other licensed health care provider that the school district board of education or other governing authority of a chartered or non-chartered public school, authorizes to assess the student who has been removed from practice or competition.
- 2) The student received written authorization that it is safe for the student to return to practice or competition from a physician or other licensed health care provider authorized to grant the clearance.

A school district board of education or governing authority of a chartered or non-chartered nonpublic school may authorize a licensed health care provider who is NOT a PHYSICIAN to make an assessment and grant authorization for a student to return to

participation ONLY if the provider is acting in accordance with one of the following as applicable to the provider's authority to practice in Ohio:

- 1) In consultation with a physician
- 2) Pursuant to the referral of a physician
- 3) In collaboration with a physician
- 4) Under the supervision of a physician

Note: A physician or other licensed health care provider who makes an assessment or grants clearance for a student to return to participation may be a volunteer.
