H. TOURNAMENT SEEDING AND DRAWING PROCEDURES
NOTE: The established date for all seeding and drawing meetings is May 2, 2021. The meeting is to be held at 2:00 p.m.

a. Posting and Recording Team Records
Tournament managers will post the records of all teams in their tournament. It is the responsibility of each school to have its records compiled as shown below and given to the tournament manager prior to the start of seed voting. The records will include the number of wins and losses in the divisions of the team’s played.

For Example: A Division I team with 22 games played at the time of the draw:
- Division I opponents: 14 wins 3 losses
- Division II opponents: 4 wins 1 loss
*All games played shall be recorded

b. Voting Procedures for seeding teams
All head coaches shall vote via ballot which shall be made public – whether online or in person, selecting their choice for #1 seeded team. The team with the greatest number of votes shall be seeded #1, second highest #2, until all teams are seeded. In case of a tie, only the tied teams will be re-voted upon. If a tie should occur the second time, a flip of the coin shall determine the seeded team.

NOTE: If electronic balloting is utilized in a particular District, the results shall be sent to the manager and made public by the manager at the drawing meeting.

c. Placement of Teams on Brackets
Each District Athletic Board (DAB) shall determine placement of teams on brackets. Regulations for placement for each district can be found by navigating to the following websites:
- Central District Athletic Board: www.ohsaa.org/cdab
- East District Athletic Board: www.ohsaa.org/edab
If a school fails to have a representative present at the seeding and drawing meeting, the manager shall place the school(s) on the bracket in accordance with the DAB’s seeding protocol.

Sample brackets are distributed to each manager. Samples of brackets are included in the manager’s materials and can also be found at www.ohsaa.org.

The tournament manager will distribute brackets to representatives of participating teams. All brackets shall designate date and time of game with the home team being listed on the top of the bracket. Brackets which include a ‘bye’ will have that ‘bye’ drawn on a bracket to represent it as a “Home” team.

I. GAME RULES
The 2020 National Federation Softball Rules published by the National Federation of State High School Associations (NFHS) will be the Official Rules in all tournament games. Since there was no season last year, the NFHS’ 2020 rules will be used in 2021. In situations where the OHSAA has not adopted NFHS rules (e.g. tie breaker), OHSAA rules shall prevail. THESE RULES MUST BE FOLLOWED EXPLICITLY, AND COACHES, SCHOOLS, OFFICIALS AND UMPIRES CANNOT MUTUALLY AGREE TO MODIFY OR CHANGE THESE RULES IN ANY WAY WHATSOEVER.

A. All tournament games shall be played to completion. Suspended games shall be resumed from the point of suspension. A game shall end any time after five innings, or after 4½ innings when a team is 10 or more runs behind and has completed its term at bat. This is a completed game and is not considered a suspended game.

B. If a team fails to appear or is not ready to play within 30 minutes of the scheduled starting time of a tournament game, the space on the bracket may be declared vacant. A forfeit will be declared, and the opposing team shall advance to the next round of competition.

C. Bylaw 8-3-1. The OHSAA Constitution and Bylaws does NOT permit Protested Games.

INTERPRETATION: In the event a rule is misinterpreted or misapplied, the correction must be made by the umpires and coaches on the field at the time it occurs. Umpires and coaches are urged to carry rule books, to confer using rule chief.

K. AWARDS - Only awards furnished by the OHSAA may be presented at the OHSAA tournament site.

(a) SECTIONAL Tournaments - Trophies will not be awarded.

(b) DISTRICT Tournaments – Team trophies will be presented to the Winner and Runner-up teams; awards will be presented to the individual members of the teams and coaches.

In addition, the player or coach shall be ineligible for all contests at all levels in that sport until FOUR regular season/tournament contests are played at the same level as the ejection or disqualification.
   c. Individuals ejected for unsporting conduct shall be reported to the OHSAA Executive Director by the tournament manager. The Executive Director will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants it.
   d. Participation in an athletic contest is a privilege. Each individual is expected to conduct himself or herself in an exemplary manner while participating.

T. PROPERTY DAMAGE
There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The tournament manager is authorized to deduct from the school’s share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at state sponsored tournaments is the responsibility of the administrative heads of the competing schools.
U. SPONSORSHIP AND RIGHTS
The Ohio High School Athletic Association is the sponsoring association for the Sectional, District, Regional and State Fast Pitch Softball Tournaments. The OHSAA reserves all rights in regard to the management of these tournaments and the sale of any items or any audio-visual reproductions. Any sale of food, clothing, souvenirs or any other items is strictly prohibited without permission of the respective District Athletic Boards for Sectional and District Tournaments and the OHSAA Executive Director for the Regional and State Tournaments.

V. PROHIBITED ITEMS
There shall be no advertising through printed media, billboards, radio or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program.

There also shall be no raffles or any type of games of chance permitted at the site of tournament contests during the duration of the tournament(s).

In addition, the sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contest involving OHSAA member schools.

W. DRONES – UNMANNED AREAL VEHICLES
The use of drones is prohibited for any purpose by any persons at OHSAA tournament contests. Tournament managements shall remove anyone attempting to use a drone and/or confiscate the drone until the event has been completed.

Note: An exception to this policy may be made in specific cases for OHSAA broadcast partners, provided the management of the tournament facility permits the presence of drones for broadcast purposes under the control of the OHSAA.

X. LIGHTNING AND INCLEMENT WEATHER
This is an extremely important safety policy adopted by the National Federation. Though all officials received these procedures in pre-season communication, it is strongly recommended that tournament site managers review this policy with Administrators of competing schools, coaches AND Officials prior to games. The Lightning and Inclement Weather Policy is relative to ALL OHSAA Sports and is contained within the OHSAA Sports Regulations.

Recognition:
Coaches, athletic trainers, athletes, administrators and contest officials should be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles ANYTIME that lightning can be seen or heard, the risk is already present. Weather can be monitored using the following methods:

Monitor Weather Patterns – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity.

National Weather Service – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers should be at a heightened level of awareness to the potential danger of lightning.

Management:
Evacuation- If lightening is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

Thirty-minute rule- Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes.

Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.

*NOTE: At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightening detection information would help eliminate any uncertainty.

Y. CONCUSSION MANAGEMENT
Ohio law effective April 26, 2013, indicates that if a student is removed from practice or competition due to a suspected concussion or head injury, the coach or contest official who removes the student shall not permit the student, ON THE SAME DAY THE STUDENT IS REMOVED, to return to that practice or competition or to participate in any other practice or competition for which the coach or contest official is responsible. Thereafter, which means no earlier than the next day, the coach or contest official shall not permit the student to return to practice or competition until both of the following
conditions are satisfied.
1) The student's condition is assessed by either of the following:
   a. A physician, who is a person authorized under the Chapter 4731 of the Ohio Revised Code (ORC) to
      practice medicine and surgery or osteopathic medicine or surgery (MD or DO).
   b. Any other licensed health care provider that the school district board of education or other governing
      authority of a chartered or non-chartered public school, authorizes to assess the student who has
      been removed from practice or competition.
2) The student received written authorization that it is safe for the student to return to practice or competition
   from a physician or other licensed health care provider authorized to grant the clearance.
   A school district board of education or governing authority of a chartered or non-chartered nonpublic school
   may authorize a licensed health care provider who is NOT a PHYSICIAN to make an assessment and
   grant authorization for a student to return to participation ONLY if the provider is acting in accordance with
   one of the following as applicable to the provider’s authority to practice in Ohio:
      1) In consultation with a physician
      2) Pursuant to the referral of a physician
      3) In collaboration with a physician
      4) Under the supervision of a physician
   Note: A physician or other licensed health care provider who makes an assessment or grants clearance for a
   student to return to participation may be a volunteer.
