*Attention Coaches:

Since we will be continuing the process we implemented in 2016 for your parents/guests to enter the building, it is your responsibility to get your tournament tickets in the hands of your guests prior to the start of the tournament. We do not suggest leaving tickets at Will-Call, since the number on the ticket represents the order in which each patron is entitled to enter the building for prelims and finals.

PLEASE NOTE THIS SCHEDULE FOR COMPETITION.

There shall be a minimum 15 minutes from the start of consecutive same gender events in the post season OHSAA tournament. This means the girls 200 freestyle would start no earlier than 15 minutes after the start of the girls medley relay, (etc.)

This procedure will be followed throughout the Tournaments. You will notice a big change when it comes to the 50 free, 100 fly and 100 free. There will NOT be an extra break after the 100 fly. We will maintain the 15 minute between consecutive gender event timeline instead and add an additional 15- minute break after the 50 free.

Example:

Girls 200 Medley/ Boys 200 Medley- Starts 12:00pm

Girls 200 free/ Boys 200 free- Starts 12:15pm

Girls 200 IM/ Boys 200 IM- Starts no earlier than 12:30pm etc.

The competition pool will be open after the 50 free.

Teams must sit on the deck or in the south bleachers next to the Pool record board. Absolutely NO swimmer is permitted to sit in the stands for prelim or final competition.

Only swimmers and coaches with proper credentials are permitted in the gymnasium.

All top 8 finishers will need to report immediately to the awards stand at finals wearing their team warm ups.

There will be medical staff on duty during the entire tournament. The staff includes: physicians, trainers, and EMT. They will be located on the pool deck behind lane 1.
2020 OHSAA Swimming and Diving Championship

Credentials must be visible on swimmer and coaches at all times during the tournament.

If you have a team that has both Division I and Division II swimmers or divers, you are welcome to bring them with you to both meets.

**Locker Room**-There shall be no shaving in the locker rooms, no balloons, or noise makers allowed on the premises.

Locker rooms for males and females have lockers available to secure belongings. Please do not leave locks on lockers overnight.

Coaches are responsible for making their own provisions to take care of valuables belonging to team members.

**Parking**- Free Natatorium parking is available on the West Side of the Natatorium. No parking permit will be necessary.

**NEW** Team Coach pass policy- Each team will receive Coaches’ deck passes based on the following criteria.

1-3- qualifiers- 1 coach pass
4-5 qualifiers- 2 coach passes
6-10 qualifiers- 3 coach passes
11 or more qualifiers – 4 coach passes

**Alternate Passes**- Coaches can purchase relay alternate passes in the gymnasiunm – located at the coaches’ packet pick up table for $25 each. PLEASE –purchase passes only if needed. Deck space is limited.

This will eliminate the need for an extra Coach pass due to having an athlete of a different gender than their head coach.

If you have a diver competing in the meet, the diver and the diving coach are welcome to use their deck pass to watch swimming with their swim team.

**Contestant Passes** - Each qualifying swimmer and diver will receive a contestant admittance and deck pass for his/her division only. Each will need the pass for warm-up swimming and admission on Thursday, Friday and Saturday for that division. The pass is for that division only and must be displayed on all competitors during competition in that division. There are two different colors for the division credentials, and this will be strictly enforced.

**School Representatives** - The head coach officially listed with the OHSAA for swimming is the school representative. If another is to serve as school representative, this must be submitted in writing to the state tournament manager. Note: All coaches must have a valid Pupil Activity/Coaching Permit and number.
2020 OHSSCA Swimming and Diving Championship
USA Swimming Observations at the State Tournament

All Individual swims are automatically observed. The coach will need to submit the swimmers’ USA Swimming identification number with the team’s entries for sectionals or can provide the USA number to the USA observation official at any time during the District or State Tournament. The swimmer’s times achieved during individual events will be recorded automatically into the SWIMS database. The coach does not need to request an observation.

Relay lead-off times, or times for an entire relay will be recorded into SWIMS database, **ONLY** if the coach or swimmer requests that the swim be observed. A request form will be available for coaches to complete. Those forms should be turned into the USA observation officials prior to the meet.

**Please note: the event timeline and coach pass changes were instituted due to the swim coaches association (OHSSCA) working together with the OHSSCA. By becoming a member of the OHSSCA, you will help insure the continued improvement of our sport for the benefit of all athletes. To join, go to [www.ohssca.org](http://www.ohssca.org).**
