TOURNAMENTS**

Sectional – District – State

NOTE: The following regulations apply to all levels of tournament competition unless otherwise specified. These regulations were adopted by the Ohio High School Athletic Association Board of Directors on December 3, 2021.

The Executive Director is authorized to modify these regulations when it is deemed necessary by the Executive Director, subject to ratification by the Board of Directors.

A. GENERAL

1. ELIGIBILITY

All participants must be eligible in accordance with the OHSAA Bylaws and Sports Regulations.

A student who uses anabolic steroids or other performance enhancing drugs is ineligible for interscholastic competition until medical evidence can be presented that the student's system is free of anabolic steroids or other performance enhancing drugs.

2. DIVISION

There will be two divisions in both the Boys and Girls Sectional-District and State Swimming and Diving Tournaments.

3. RULES

The NFHS Swimming and Diving Rules will be the official rules.

4. ENTRIES

The entry process for the State Swimming Tournament requires electronic entries beginning at the sectional level. The computer software approved by the OHSAA for swimming entries is the Hy-Tek Team Manager Program. To submit their tournament diving entry form, schools are required to complete the on-line form as found in edive®. Go to <http://www.edive.info/index.htm> for information about this electronic program. **Diving entries must be submitted in two forms, one, in eDive to the Diving Site Manager at either the Sectional or District level AND two, in Hy-Tek with the swimming entries to the respective Sectional Meet Manager.**

Two alternate qualifiers will be specified and listed on the program to help ensure a full complement of finalists in the event of illness or injury (certified by a physician or designated health official) to a qualified swimmer or in the case of permitted scratches.

If a swimmer who is qualified for the consolation final of a swimming event is certified at any time before the start of that consolation final as being ill or injured, the highest-ranking available alternate qualifier for the event shall be moved into the consolation final, and the consolation final shall be reseeded.

If a swimmer who is qualified for the championships final of a swimming event is certified at any time before the start of the consolation final in that event as being ill or injured, the highest-ranking available alternate qualifier for the event shall be moved into the consolation final, the highest-

ranking consolation finalist shall be moved into the championship final and both the consolation and championships finals shall be reseeded.

If a swimmer who is qualified for the championships final of a swimming event is certified at any time after the start of the consolation final in that event as being ill or injured, the championships final shall proceed with an empty lane and without reseeding. The points involved shall be lost from the meet.

Para swimmers may swim in relay events at anytime during the post season, including the state meet. However, para swimmers may not compete in individual events until the State meet.

Information about this process will be posted to the OHSAA web site at www.ohsaa.org. Swimming Tournament event files for the Sectional Tournaments are located on the OHSAA web site. Schools shall download the appropriate tournament event file based on their division: Boys Division I or II, Girls Division I or II.

Eligible schools must submit the OHSAA Entry form **ONLINE** as well as verify that they have completed the Official OHSAA Eligibility Certificate.

The swimming entries, which are submitted electronically, must be in possession of the Sectional Tournament Manager on **Monday, January 31, 2022 at Noon.**

Psych Sheets shall not be posted until Wednesday, February 2, 2022 at 6:00 PM

The diving entries, which are submitted electronically via edive®, must be in the possession of the tournament manager of either the sectional or district diving competition no later than **Monday, January 31, 2022 at Noon.**

NOTE: Coaches are responsible for checking their online entry submission and may make changes after the deadline for submission, only with the payment of a \$150 fine and approval of the OHSAA, and only up until the date and time that the psych sheets are publicly posted to the District Athletic Board websites.

No changes to the entries for any school shall be permitted after the posting of the psych sheets with the exception of students who must be withdrawn due to medical reasons verified by a physician. A substitute may replace the injured/ill athlete provided the substitute is listed on the eligibility certificate, has not exceeded the entry limitations as prescribed by NFHS rules and is submitted to the tournament manager NO LATER THAN 7:00 AM of the first day of sectional competition. "Sectional competition," for the purpose of this regulation, refers to the first day of the diving competition, in the case of a diver who is injured/ill, or the first day of the swimming competition in the case of a swimmer who is injured/ill. After that time, no substitutions will be accepted. It is not permissible to replace the injured/ill student with a student who has already been entered into the tournament in two individual events.

(a) Each school shall be permitted four entries in each individual event and one relay in each relay event. EXCEPTION: In District Tournaments not preceded by Sectional Tournaments, the District Board may determine the number of individual entries per event up to a maximum of four. The District Board may also establish a cut-off time that all entries from a school shall equal or better in order to enter the maximum number of participants. See instructions under each District.

(b) An individual may be entered in no more than two individual events. At the scratch meeting, no additions or substitutions shall be made.

- (c) An individual shall be permitted to participate in a maximum of four events, no more than two of which shall be individual events. Each tournament is considered a separate competition whether competed on one or two days.
- (d) In relay events (200-Yd. Medley Relay, 400-Yd. Freestyle Relay and 200-Yd. Freestyle Relay), any eight individuals who are listed on the eligibility certificate may be listed as entries, any four of which shall be assigned to participate. These eight may be changed at each level of tournament competition provided participation limitations are not exceeded.
- (e) A school that competes in at least two interscholastic meets as a school team prior to the non-interscholastic cutoff date (January 24, 2022) is eligible for relay event entry at the Sectional/District Tournament regardless of the number of individuals entered and competing.
- (f) All member schools' entries into the swimming and diving tournaments shall enter at the same level.
- (g) By entering a diver into the competition, the coach is verifying that the diver has competed in an 11-dive championship competition at least once during the regular season and is affirming that the diver is capable of performing an 11-dive championship slate. Note: Representation for the State Diving Tournaments shall be calculated based on the entries for this current season.

The number of swimmers in each heat is to be arranged at the scratch meeting in both the Sectional and District Tournaments. 5. DISTRICT AND STATE QUALIFIERS

Sectional Tournaments are qualifying tournaments for the District Tournament and District Tournaments are qualifying tournaments for the State Tournament. To enter a District/State Tournament, one must first qualify for that event in a Sectional/District Tournament. **Swim-offs are required in case of a tie for the last qualifying position to the District/State Tournament.** In the event of a swim-off for a qualifying position at a Sectional/District Tournament, a swimmer, if disqualified, is eligible for the points for the Sectional/District Tournament. The disqualification shall be noted on the Sectional or District Tournament Results.

In the event of a tie or ties in swimming for the last at-large qualifying position between students in different districts, and due to the fact that the results are not known until the information is transmitted to Canton, all students who are tied for that last at-large qualifying position shall qualify to the State Tournament.

In the event of a tie for the last qualifying position in diving, the position will go to the diver with the highest score after the application of the following procedure:

1. With a seven-judge panel, the highest cumulative total from the five middle scores on all dives will be used to break the tie. If a tie still exists, the highest cumulative total from all seven scores on all dives will be used.
2. With a five-judge panel, the highest cumulative total from 5 scores on all dives will be used.
3. It is highly recommended that all Districts use seven judges at the District Tournaments.
4. In the event that a district is not able to qualify the entire number of divers based on the representation, the diver with the next highest score from another district will fill that position. This process will be followed until the full number of qualifiers (24 total) is achieved.

*State Schedule is pending Approval at January 2022 Board Meeting

Twenty divers will advance to the semifinals. Sixteen divers will advance to the finals. The semifinal round shall consist of two voluntary dives and one optional dive and the final round shall consist of one voluntary and two optional dives.

Only properly credentialed, i.e., holding a Pupil Activity Coaching Permit, and board approved school coaches with contestants in the tournament shall be permitted on the pool deck or swimming and diving areas during the time of the preliminaries and finals in the State Tournaments. These coaches shall appear on the school's Emergency Contact Form as proof of their board approval and credentialing.

No swimmer, diver or school swimming team shall utilize the Branin Natatorium pool or the diving boards 30 days prior to the Boys and Girls State sponsored Swimming and Diving Tournaments, except at the discretion of the Branin Natatorium management and the appointed hours announced by the State Tournament manager specifically for swimming or diving practice.

Any violation of this regulation shall result in the disqualification of the swimmer or diver from the State sponsored Swimming and Diving Tournaments.

SCHEDULE NOTE

There shall be a minimum 15-minute time-period from the start of consecutive same gender events in the post-season tournament. This would mean the girls 200 freestyle would start no earlier than 15 minutes after the start of the girls medley relay, (etc.)

This will proceed throughout the tournament. There will **NOT** be an extra break after the 100 fly. The tournament will maintain the 15 minute between consecutive gender events timeline instead and will add an additional 15- minute break after the 50 free.

Example:

Girls 200 Medley/ Boys 200 Medley- Starts 12:00pm

Girls 200 free/ Boys 200 free- Starts 12:15pm

Girls 200 IM/ Boys 200 IM- Starts no earlier than 12:30pm etc.

The competition pool will be open after the 50 free.

6. ADMISSIONS

Spectators - Ticket prices are listed below. Ticketing will be managed through the online ticketing platform through HomeTown Ticketing.

| Sectional Pre-Sale | Sectional Meet Day | District Pre-Sale | District Meet Day | Adult State Semi-Final | Adult State Final |
|---------------------------|---------------------------|--------------------------|--------------------------|-------------------------------|--------------------------|
| \$10.00 | \$12.00 | \$10.00 | \$12.00 | \$25.00 | \$25.00 |

Administrators -Administrators from each school will be provided three(3) complementary tickets: (Principal-1, Athletic Administrator-1, Superintendent-1).

Coaches - To eliminate the need to issue extra passes for teams that have coaches of a different gender than the athletes, each head swimming coach will receive passes based on the following:

| | |
|-----------------------|----------------------|
| 1-3 qualifiers | - one coach pass |
| 4-5 qualifiers | - two coach passes |
| 6-10 qualifiers | - three coach passes |
| 11 or more qualifiers | - four coach passes |

Schools having divers will be issued one separate coaching pass, which may be used for the diving and swimming competition

A relay team counts as four qualifiers. Any coach who is the “Board-approved” coach for more than one school will receive passes based on the formula indicated above, not on the number of schools for whom that coach is the “coach of record.” Schools having divers only will be issued one separate coaching pass, which may be used for the diving event only.

Contestants

Each qualifying swimmer and diver will receive a contestant pass for the entire tournament. Each athlete is expected to have the pass on him or her the entire time for entry into the building, as well as for use as a deck pass.

Schools having divers will be issued one separate coaching pass, which may be used for the diving and swimming competition.

Instructions for purchasing tickets for guests of contestants shall be posted to the OHSAA web site.

Entrance and Deck Information

Athletes and Coaches will enter using the front (NW doors) and back door entrances. Traffic flow on deck is counter clockwise during the tournament. If your swimmer is in either of the next two events following a race, he or she may travel back behind the diving boards to the warm down pool.

All swimmers must report behind the diving boards to check in with the clerk of the course prior to each race.

Teams must sit on the deck or in the south bleachers next to the scoreboard. Absolutely NO swimmer is permitted to sit in the stands for preliminary or final competition. Only swimmers and coaches with proper credentials are permitted in the gymnasium.

There will be medical staff on duty during the entire tournament. The staff includes: physicians, athletic trainers, and EMT. They will be located on the pool deck behind lane 1.

Credentials must be visible on swimmer and coaches at all times during the tournament.

If you have a team that has both Division I and Division II swimmers or divers, you are welcome to bring them with you to both meets.

There shall be **no shaving or body painting** in the C.T. Branin Natatorium facility; no balloons, or noise makers allowed on the premises. **In addition, there shall be no cell phones permitted in any of the locker rooms or changing areas in the Natatorium.**
