Congratulations on qualifying for the OHSAA State Swimming and Diving Tournament! We are looking forward to a great event in Canton, OH.

Alternates – PLEASE READ

Diving:

State qualifying divers who know they will not be able to attend the state meet must notify the district meet management prior to leaving the district site. This will allow the next highest scoring diver to advance to the state meet. If a diver withdraws from the state meet 24 hours or more prior to the start of the competition, then the next ranked diver from that diver's district will be notified and be allowed to compete at the state meet. Alternates will not be permitted to warm up or be on the boards unless they have been officially added to the state meet.

Swimming:

- Two alternate qualifiers will be specified and listed on the program to help ensure a full complement of finalists in the event of illness or injury (certified by a physician or designated health official) to a qualified swimmer or in the case of permitted scratches.
- If a swimmer who is qualified for the consolation final of a swimming event is certified at any time before the start of that consolation final as being ill or injured, the highest-ranking available alternate qualifier for the event shall be moved into the consolation final, and the consolation final shall be reseeded.
- If a swimmer who is qualified for the championships final of a swimming event is certified at any time before the start of the consolation final in that event as being ill or injured, the highest-ranking available alternate qualifier for the event shall be moved into the consolation final, the highest-ranking consolation finalist shall be moved into the championship final and both the consolation and championships finals shall be reseeded.
- If a swimmer who is qualified for the championships final of a swimming event is certified at any time after the start of the consolation final in that event as being ill

or injured, the championships final shall proceed with an empty lane and without reseeding. The points involved shall be lost from the meet.

- Regarding relay alternates, coaches must pay \$20.00 for a relay alternate to attend the State Tournament. **Alternate passes must be purchased on site with credit card only. Cash or checks will not be accepted.**

School Representatives

The head coach officially designated on the school's emergency contact form for swimming and diving is the school representative. If another is to serve as school representative, this must be submitted in writing to OHSAA Sport Administrator, Kate Barnett (kbarnett@ohsaa.org) **Note:** All coaches must have a valid Pupil Activity/Coaching Permit and number.

Team Seating

Participants and coaches must remain in the team seating area for all events, which includes bleachers on deck level; the west plastic upstairs bleachers and chairs in the Auxiliary Gym. No student-athletes or coaches shall be in the officials' area on the pool deck, defined as sides and ends of the pool, or in the Clerk's Area where tournament officials are working.

Locker rooms are available to secure belongings. Locks are not provided and shall not be left on overnight. C.T. Branin Natatorium is not responsible for lost or stolen items.

NFHS Network

The Tournament will be streamed on the NFHS network for those unable to be in attendance. More information can be found [HERE](#).

First Aid and Licensed Athletic Trainer Services

A licensed athletic trainer will be available for first-aid or other purposes to any participant during all warm-ups and competition times.

Event Check-In (student-athletes)

All swimmers are responsible for reporting to the Clerk's Area (located near the diving boards) for each event.

Preliminary and Final Results

Results will be posted in main hallway on the 1st floor, auxiliary wall and west wall of Natatorium (deck level) as soon as results of each event are known.

The top eight finishers will be recognized during the awards presentation. Those receiving awards are asked to remain at the blocks for the ceremony. The coaches wishing to assist with presenting the specific awards must be at awards area by the end of the race.

Coach and Participant Credentials

Diving Coach Deck Credentials

Each school that qualified for the diving finals will receive one diving coach credential. **This credential does NOT provide admittance to any of the swimming sessions.**

Swimming Coach Deck Credentials

Each head swimming coach will receive passes based on the following:

1-3 qualifiers	- one coach pass
4-5 qualifiers	- two coach passes
6-10 qualifiers	- three coach passes
11 or more qualifiers	- four coach passes

Note:

- A relay team counts as four qualifiers.
- Any swim coach who is the Board-approved coach for more than one school will receive passes based on the formula indicated above, not on the number of schools for whom that coach is the coach of record per the school's Emergency Contact Form.
- If a school has a coach with only qualifiers of a different gender than the coach and is receiving only one (1) coach credential, then the coach must submit a request in writing to OHSAA Sport Administrator, Kate Barnett (kbarnett@ohsaa.org) to request to bring an additional coach of the same gender as the qualifiers.

Participant Passes

Each qualifying swimmer and diver will receive a participant deck pass for his/her division only. Each will need the pass for access to his or her divisional specified time slots. Each athlete is expected to have the pass on him or her the entire time for entry into the building, as well as for use as a deck pass. Student-athlete participant passes whether swimming or diving are permitted at any of the diving or swimming competitions. This is to accommodate coaches who coach different divisions and would permit both divisional student-athletes to attend.

Note: if you have a para swimmer and other teammates that qualify in another division, those student-athletes may attend and watch the para finals. If you coach both divisions, and have qualifiers in both divisions, they may come and support the other student-athletes in those divisions (prelims/finals).
