TENNIS TOURNAMENT REGULATIONS - REFER TO WEB SITE AT
www.ohsaa.org AND MANAGER'S SUPPLEMENTAL INFORMATION PACKET

This manual provides all sectional, district, and state tournament managers with information relative to the OHSAA tennis tournaments. The 2022 Regulations for Boys Sectional-District-State Tournaments were adopted by the OHSAA Board of Directors on February 17, 2022 and should be strictly followed.

It has come to our attention that tournament personnel may be permitting students to participate when no school representative is present at the tournament during the match. Please see Tennis Regulation 1.17 that indicates a school representative (coach, or other person authorized by the Board of Education or similar governing body) must be present throughout the contest.

School administrators enter their school into the tournament through myOHSAA. Coaches must send their roster to the appropriate sectional manager using the official entry process defined by the District Athletic Board. The Board of Directors Common Draw/Seed date for boy's tennis is May 1, 2022. **Please note the draw/seed meeting is to be conducted at 2:00 p.m. on May 1, 2022.**

Sectional tournament managers:

Player/Roster Forms:

- A. Participating schools must submit all pertinent information per the instructions of the District Athletic Board. It is the school's responsibility to ensure all submitted documents including rosters of singles and doubles players are accurate.
- B. **Immediately** following the completion of the Sectional Tournament, notify the District Tournament Manager of the teams/individuals that have qualified to the District tournament. Please double check player's names for correct spelling. Include the participant's grade level.

Eligibility Certificates:

Do **NOT** collect eligibility certificates. It is the responsibility of the athletic administrator at the school to make sure that the students who participate are eligible in all respects. It is not the responsibility of the tournament manager.

OHSAA Tournament Participation Form

Immediately following your sectional tournament, download, complete, and email the OHSAA Tournament Participation Form to Dustin Ware (dware@ohsaa.org). This form must be submitted as soon as your sectional is completed (*hard deadline no later than May 15, 2022*). Thank you!

TOURNAMENT REGULATIONS – DISTRICT MANAGERS

Tournament Regulations are available at www.ohsaa.org . On the website, under “Sports & Tournaments” select **Tennis - Boys**. The regulations are listed under “Tournament Information” on the left side of the tennis page.

PLEASE NOTE:

The OHSAA wants to emphasize that the tournament regulations and school assignments are published on the OHSAA web site (www.ohsaa.org).

Supplementary material and forms are included in the managers’ packet to assist managers in the operation of the tournament.

1. Please contact managers of sectional tournaments that have qualifiers to your district tournament and make arrangements to secure the singles and doubles qualifiers.
2. Complete the financial reports, per the direction of the District Athletic Board, and send it to the designated person(s) within 10 days after the tournament.
3. **Inclement Weather**- Occasionally there may be the necessity to interrupt a tennis tournament due to inclement weather in the area. Do not take chances with lightning, as it is very unpredictable. In case of doubt, the tournament manager should suspend competition until conditions are deemed safe. Protect athletes and spectators. Be sure that there is access to a building for shelter if such a suspension of the tournament competition occurs. The OHSAA’s Lightning and Inclement Weather Policy is included as part of the Tennis Tournament Regulations.
4. It is recommended that single sticks be used in all district tennis tournaments.

REPORTING STATE TOURNAMENT QUALIFIERS

State tournament qualifiers from all district sites *will be reported using the OHSAA web site (OHSAA.org)*. An on-line form has been created for you to enter all the required information. **This information will automatically be e-mailed to the appropriate personnel at the OHSAA office** and will automatically print the state tournament program and brackets. Therefore, **please ensure the accuracy of the qualifier's name, grade, school, coach, and colors**. Please follow the instructions on this page to access and complete the on-line form.

Step #1: Go to <https://www.ohsaa.org/sports/boystennis>

 - d. The order of draw of unseeded #1 players shall be announced and made public before placement of players on the bracket.
4. Placement of #1 Players on Bracket:
- a. The placement of #1 players on the brackets shall take place after the selection of seeded players and the order of draw for unseeded players has been announced and made public.
 - b. One space must be left on each quarter or half bracket for a seeded player with no more than one seeded player per quarter or half bracket where a bracket calls for a seeded player.
 - c. First seed has first choice to go any place on bracket.
 - d. If #1 seed passes, #2 seed may go to any place on bracket.
 - e. If #2 seed passes, #3 has choice.
 - f. If a seeded player passes, the choice then goes to the next seeded player.
 - g. If all seeded players pass, then the unseeded #1 player with the No. 1 pill shall place itself on the bracket.
 - h. Any time a seeded or unseeded player is placed on the bracket, the top seeded player not placed on the bracket shall have next choice. If they pass, the next seeded player would have their choice to pass or be placed on bracket, etc.
 - i. Keep in mind that any time a seeded player places themselves on the bracket, the top seeded player not placed on the bracket shall have the next choice. If all pass or place themselves on the bracket, then the next unseeded #1 player in order of the number of pill shall be placed on the bracket.
 - j. This procedure would be followed until all first single players have been placed on the bracket.
5. After the first singles players have been placed, draw order for the second singles players is done in the same manner.
- Note: Number one and two singles players from the same team must be in different quarter brackets.
6. After the first and second single players have been placed, draw order for the third single is then done. Third single players must be in opposite quarter brackets from the first and second single players from the same team.
7. After third single players have been placed on bracket (draw completed), conduct draw for doubles teams. Following the same procedure as outlined for singles, begin with Item 2.
- Note: If a school fails to have a representative present at the draw and seeding meeting, the manager shall place the player(s) on the open bracket after all other players have been placed on the bracket. If more than one school fails to have a representative at the draw and seeding meeting, the manager shall place the players on the bracket according to the alphabetical order of draw for unseeded players after all others have been placed on the bracket.

8. TIME BETWEEN MATCHES

- A. There shall be a minimum of 30 minutes between matches in Sectional Tournaments and a minimum of 45 minutes between matches in District Tournaments for all competitors. In the state tournament, there shall be a minimum of one hour between matches, weather permitting. If matches have been moved indoors, there shall be a minimum of 45 minutes at the state tournament for all qualifiers.

Note: These are minimum 'rest' requirements. There may be an instance when more rest is recommended or necessary, especially when playing in hot and/or humid conditions or when a participant has had an exceptionally long match preceding the match in question. Safety First.

- B. If it is anticipated that matches will be played in extreme heat and/or humidity, the tournament manager, in consultation with the respective District Athletic Board, may move tournament matches to an indoor facility. Matches may also be moved indoors because of other instances of inclement weather (e.g. precipitation).
Note: See Item #15 for rules regarding the ability for the tournament manager, in consultation with the district athletic board, to implement the playing of a super tiebreaker in lieu of a third set and/or the ability to implement "no ad" scoring.

9. QUALIFIERS

- A. Sectional to District Tournament: The District Tournaments will be comprised of the qualifiers from the Sectional Tournaments. Each sectional tournament will qualify singles players and doubles teams as determined by each respective District Athletic Board. The maximum number of qualifiers to the District Tournament will be 16.

The number of teams participating at the first level of the tournament may not require that four separate sectionals be held in respective districts, thus affecting the number of qualifiers to the district tournament(s). In Division II, the East and Southeast Districts will host their own sectional tournaments with qualifiers advancing to the District Tournament to be hosted by the Southeast District. The Division II East and Southeast District qualifiers are as follows: E: 4, SE: 8.

- B. District to State Tournament: The District Athletic Board hosting a District Tournament will inform the manager of the tournament of the number of singles players and doubles teams the tournament shall qualify to the State Tournament. The qualifiers from the District to the State Tournament shall be:

Division I – Singles and Doubles

District	Qualifiers
C host/E/SE combined	4
NE	6
NW	1
SW	5

Note: The Northwest District will have one DI qualifier in singles and doubles and the Southwest District will have five (5).

Division II – Singles and Doubles

District	Qualifiers
C	2
E/SE combined	2
NE	4
NW	4
SW	4

Note: For both divisions, this is the second year of a two-year representation cycle which, because of the COVID-19 pandemic, will also be used in 2022.

10. DISTRICT TOURNAMENT DRAW

For the District Athletic Board(s) hosting a District Tournament, the following criteria is recommended:

- The *four qualifiers from each sectional will be placed in separate quarter brackets.
- First and second place qualifiers from a sectional must be placed in opposite half brackets.
- Third and fourth place qualifiers from a sectional must be placed in opposite half brackets.
- First round District Tournament matches will pair sectional winners versus fourth place qualifiers from a different sectional, and sectional runners-up versus third place qualifiers from a different sectional.

* There may not be four distinct sectionals, thus there may not be four qualifiers! The number of teams/individuals participating in each athletic district varies.

11. SCHOOL REPRESENTATIVE

No team or individual entry will be allowed to compete in the Sectional, District or State Tournaments unless accompanied by that school's board approved and ODE certified coach or person authorized by the Board of Education or similar governing body for a non-public school. Teams and individual entries unaccompanied by a board approved coach or authorized person will be disqualified. The school representative shall be present during the entire play of their entries. Note: All school coaches must possess the proper, valid credentials required by the Ohio Department of Education.

12. AWARDS

Awards presented at the site of the District or State Tournaments must be approved by the OHSAA.

- Sectional Tournaments – awards will not be awarded by the OHSAA.
- District Tournaments – an award will be presented to qualifying State Tournament participants in singles and doubles.

- C. State Tournament – an award will be presented to the winner, runner-up, third and fourth place finisher in singles and doubles.

13. TOURNAMENT QUALIFIERS

To enter the District Tournament, a singles player or the doubles team must first qualify from the Sectional Tournament. Substitutions may be made for players on the doubles team (but not singles participants) qualifying for the District and/or State Tournaments but they must be made from the substitute list and must be competitors who did not participate in the Sectional or District Tournaments. Substitutions for a doubles team must also be made prior to the start of the respective tournament. No student may participate in both singles and doubles at any level of the OHSAA tournament.

Note: See the Substitution Policy (#5).

All tournament contests must be played to a winner.

14. VOLUNTARILY DEFAULTING MATCHES

A player who voluntarily defaults a match, other than for injury or illness, shall be disqualified from further OHSAA tournament participation that school year and is not eligible to receive an OHSAA tournament award. A singles player and/or a doubles team must be present at a match to advance. **Note:** See the Substitution Rule (#5) and Failure to Appear (#6).

15. RULES

The United States Tennis Association (USTA) rules, unless modified by the OHSAA, shall prevail for all tournaments sponsored by the OHSAA unless otherwise noted.

All tournament matches shall be the best of three sets. **Exception:** When a tournament is played in extreme heat or humidity, the tournament managers, after consultation with the appropriate district athletic board, may decide that participants will play a super tiebreaker in lieu of a third set. The tournament manager, after consultation with the appropriate district athletic board, may also decide to play a match with “no ad” scoring. The decision to play a super tiebreaker in lieu of a third set or a match with “no ad” scoring should be made prior to the start of the match.

16. LIGHTNING AND INCLEMENT WEATHER

Recognition and Management:

Coaches, athletic trainers, athletes, administrators and contest officials should be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles, ANYTIME that lightning can be seen or heard, the risk is already present.

Weather can be monitored using the following methods:

- Monitor Weather Patterns – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity
- National Weather Service – Weather can also be monitored using small, portable weather radios from the NWS.

The NWS uses a system of severe storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance) event organizers should be at a heightened level of awareness to the potential danger of lightning.

Management:

- Evacuation – If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.
- Thirty-minute rule – Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice of competition. Given the average rates of

thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes. Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.

Note: At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.

17. INTERRUPTED TOURNAMENT

Any OHSAA tournament interrupted due to events beyond the control of the responsible administrative authority shall be resumed from the point of interruption.

18. UNIFORM REQUIREMENTS

Players must wear an appropriate school uniform or proper tennis attire, preferably in school colors, in ALL tournament matches. Appropriate tennis attire is defined as clothing specifically manufactured for tennis wear. Any lettering or pictures on clothing and/or headgear must pertain to the school name or school emblem, the student's name, a tennis racquet and/or tennis ball, or be patriotic in nature (e.g. United States flag). Exception – Manufacturer's names or logos are permitted on all tennis uniforms provided they do not exceed one and one-half inches in height. Girls have the option of tennis dress or school uniform. "Doubles" teams players shall wear like school color tops. Any visible undergarments that extend below the uniform shorts, dress, or skirt shall be the same color of the shorts or skirt or represent school colors or be all white or all black, or all gray. The dress code is to be enforced by the tournament manager. Failure to comply will result in a player being denied the right to participate. Any clothing deemed to be "reflective" or "distractive" in nature by the tournament manager will not be permitted. Slogans or phrases, such as "state bound", "we slam", etc. are not permitted on uniforms at any levels of the tournament. Participants may wear apparel sold by the OHSAA vendor. Complete text of uniform regulations are included in the tennis sports regulations.

19. UNSPORTING CONDUCT PENALTY

A. During participation in OHSAA Tournaments any student or coach ejected for **unsporting conduct or flagrant foul** shall be ineligible for the remainder of that day as well as for all contests in that sport until **TWO** regular season or tournament contests are played (if ejected from the OHSAA tennis tournament, the ejection policy applies to tournament competition). The ejection policy is indicated in the OHSAA General Regulations.

Individuals ejected for unsporting conduct shall be reported to the OHSAA Executive Director by the tournament manager. The Executive Director will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants it.

Participation in an athletic contest is a privilege. Each individual is expected to conduct herself or himself in an exemplary manner while participating.

B. Any player or coach ejected for **fighting** shall be ineligible for all contests for the remainder of that day. In addition, the player or coach shall be ineligible for all contests at all levels in that sport until **FOUR** regular season or tournament contests are played (if ejected from the OHSAA tennis tournament, the ejection policy applies to tournament competition).

20. PROPERTY DAMAGE

There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The tournament manager is authorized to deduct from the school's share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at the state-sponsored tournaments is the responsibility of the principals of the competing schools.

21. SPONSORSHIP AND RIGHTS

The Ohio High School Athletic Association is the sponsoring association for the Sectional, District and State Tennis Tournaments. The OHSAA reserves all rights in regard to the management of these tournaments and the sale of any items or any audio-visual reproductions. Any sale of food, clothing, souvenirs or any other items is strictly prohibited without permission of the respective District Athletic Boards for Sectional or District Tournaments and the OHSAA Executive Director's Office for the State Tournaments.

22. PROHIBITED ADVERTISING

There shall be no advertising through printed media, signs, billboards, radio or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program. There may be instances where it is extremely difficult to 'cover' a sign and in those instances, the Executive Director's Office should be consulted.

23. RAFFLES PROHIBITED

There shall be no raffles or any type of games of chance permitted at the site of OHSAA tennis tournament contests during the period beginning one hour prior to the tournaments and ending with the conclusion of the final match.

24. PROHIBITED SALES

The sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contest involving OHSAA member schools.

25. ADMISSION

The admission price for sectional and district tournaments is \$10.00 per person. The OHSAA has implemented online ticket sales for its tournaments. If tickets are permitted to be sold at the "gate" they also must be purchased electronically. Consult your respective District Athletic Board if there is any increase in ticket prices for those who purchase at the tournament site. **SPECTATORS MAY BE LIMITED!**

2. TOURNAMENT MANAGER

The State Tennis Tournaments are under the supervision and sponsorship of The Ohio High School Athletic Association with the cooperation of the Lindner Family Tennis Center. The State Tournament Manager is Eric Maclin, 111 Water Street, Milford, OH 45150. Telephone 513-289-2446.

The meeting for coaches with players who qualified to the semifinals will meet on Saturday, May 28, 2022 at 8:30 a.m.

In case of inclement weather, please check the OHSAA website for information.

4. SCHOOL REPRESENTATIVE

No team or individual entry will be allowed to compete in the Sectional, District or State Tournaments unless accompanied by the school's board approved coach or person authorized by the Board of Education or similar governing body for a non-public school. Teams and individual entries unaccompanied by the school's board approved coach or authorized person will be disqualified. The school representative shall be present during play of their entries. No club or private coaches or family members may warm up or coach a participant during the tournament. Only an individual who has been authorized by the Board of Education or similar governing body, or member of the school team, may participate in interscholastic match/contest activities, including official warmups.

5. ENTRIES

Singles and Doubles players that qualify from a District Tournament are automatically entered in a State Tournament. No additional information is necessary.

6. *SEEDING

Placement on Brackets in Division I singles and doubles shall be conducted in the Executive Director's Office. The following criteria is suggested:

- A. The Qualifiers from each of the District Tournaments shall be placed in brackets as follows:
 1. First and second place qualifiers from each district will be placed in opposite half brackets.
 2. Third and fourth place qualifiers will be placed in different quarter brackets than the first and second place qualifiers.
 3. Fifth and sixth place qualifiers will be placed in different quarter brackets.
 4. Qualifiers from the same District Tournament shall not meet in the first round of play.
- B. A play-off shall be held for third and fourth place in the State Tournament for both singles and doubles. The sequence of play, whether prior to the finals or concurrent with the final matches, will be left to the discretion of the tournament manager.

* Division II will have 5 #1 seeds, reflective of the five District tournaments. As a result of five #1 seeds, a #1 seed may and most likely will play a #3 seed in the first round. Number two seeds may also face each other in the first round. Also, because there are five #1 seeds, and representation varies between athletic districts, #1 seeds may face each other during the 2nd round of play. The representation formula, which takes into account the number of school "teams" in each OHSAA Athletic District, while equitable, makes it difficult to keep individuals from the same district from competing against each other in early rounds.

7. SCHEDULE OF EVENTS

Friday, May 27, 2022 – Lindner Family Tennis Center

Ohio Tennis Coaches' Association/OHSAA Code of Conduct

The following Code of Conduct has been adopted by the Ohio Tennis Coaches' Association and the OHSAA and is used for all OHSAA tournament and school matches. In some cases, it supersedes USTA regulations. Players can incur Code Violation Penalties for actions not only during the match, but also before and after the match. In dual matches, even though the home coach is the referee, both coaches MAY and SHALL enforce these regulations. It is suggested that, before each tournament or match, each participant be advised that the OHSAA point penalty will be enforced. Penalties for code violations are accumulative and follow the listed progressions.

Time Violations

1. In OHSAA-sponsored tournaments where there is a meeting of the manager and coaches – The penalties for time violations in No. 1 are:
15 minutes late for meeting: Loss of Coin Toss Plus One Game
Each additional 5 minutes late: Loss of Game; Up to Three Game
2. Not starting play within 25 seconds after a 10-minute warm-up.
3. The receiver must play at the reasonable pace of the server and must be ready to receive when the server is ready to serve.
4. 90-second rule on game changeover.
5. Violations of continuous coaching guidelines – The penalties for violations in No. 2, No. 3, No. 4 and No. 5 are:
1st Offense: Warning
Each Subsequent Offense: Point
6. ANY unsporting conduct including but not limited to:
 - 6.1. Prolonging an argument after being directed to play
 - 6.2. Visible or audible profanity.
 - 6.3. Abuse of racquet, balls or equipment.
 - 6.4. Abusive conduct by a player or a person associated with a player.
 - 6.5. Taunting or baiting an opponent (any attempt to embarrass, ridicule or demean another person).
 - 6.6. In an officiated match, excessive overrules by an official, or excessive appeals by a player can be deemed unsporting conduct and penalized as such.

The penalties for violations of No. 6 above are:

1st Offense	Point
2nd Offense:	Game
3rd Offense:	Disqualification

7. Code Violations Resulting in Immediate Disqualification:
 - 7.1. Verbal or physical abuse or player or official.
 - 7.2. Extreme unsporting behavior.
 - 7.3. Not resuming play after 5 minutes following a treatment of an injury or illness.
 - 7.4. Being late for a tournament match (10 minutes) after the match has been called to start. (This is after the coach has reported to the tournament manager that they are present. A team still has 30 minutes to report to the tournament at the sectional and district tournament level.)

Note: These are minimum regulations, and, depending upon the severity of the situation, a coach or official may issue a penalty more severe than is listed.

Note For Fans:

Fans are also encouraged to practice good sporting behavior. Please do not approach officials, tournament managers or OHSAA staff. Let the coaches coach, let the players play, let the officials officiate.

COMMUNICABLE DISEASE PROCEDURES

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouthguards and other articles containing body fluids.

SERVICE ANIMAL INFORMATION

It is the position of the Ohio High School Athletic Association that all individuals, including those with disabilities, shall have access to OHSAA tournaments and regular season contests conducted by the member schools. This statement is designed to apprise all OHSAA member schools and tournament managers of the law relating to these accommodations for persons with disabilities and to remind the membership of obligations as it relates to this law.

According to the federal law known as the Americans with Disabilities Act, see complete reference here https://www.ada.gov/service_animals_2010.htm, **only dogs** are recognized as service animals and are defined as “dogs which are individually trained to do work or perform tasks for people with disabilities.” Under this law, as an organization which serves the public, the OHSAA and its member schools, shall allow these service animals to accompany people with disabilities in all areas of facilities where the public is normally allowed to go.

The service dog must be harnessed, leashed or tethered unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices. In that case, the individual must maintain control of the animal.

When it is not obvious what service the dog provides, only limited inquiries are allowed. Staff members may ask two questions: 1) **Is the dog a service animal required because of a disability?** and 2) **What work or task has the dog been trained to perform?** Staff shall not ask about the person’s disability, require medical documentation, require a special identification card or training documentation for the dog, or ask the dog to demonstrate its ability to perform the work or task.

We thank you in advance for making these accommodations for people who have disabilities so that they may fully enjoy the events that are sponsored by the Ohio High School Athletic Association and its member schools. If you have questions, as always, please contact a representative of your District Athletic Board for a sectional or district tournament or the sport administrator on our staff for all other inquiries.

SPORTING CONDUCT

RespectSM THE GAME

The OHSAA challenges everyone to take positive steps toward positive sporting behavior. It is the responsibility of each of us to serve as a positive role model and set high expectations for others.

ADMINISTRATORS

Athletic departments are comprehensive, pre-eminent teaching departments with a subject matter all their own: self-confidence, leadership, teamwork, discipline, perseverance, respect for others, strategic thinking, dedication, the importance of rules, and sportsmanship. These are true-life lessons, and participation in athletics provides another forum for learning.

Coaches and Officials are responsible for promoting sportsmanship and positive behavior on the field. Administrators, we need your continued assistance in promoting sportsmanship and controlling fan behavior in the stands! Let the parents and fans know what you expect!

COACHES

Your athletes will demonstrate the attitudes and behaviors they have learned from you, either through direct instruction or through observation of your actions. ***Never underestimate the influence you have on your players!*** You must:

- Abide by and teach the rules of the game in letter and in spirit.
- Set a good example for players and spectators to follow.
- Respect the integrity and judgment of game officials. Treating them with respect, even if you disagree with their judgment, will serve to create a positive impression of you and your team.
- Display modesty in victory and graciousness in defeat.
- Develop a program that rewards participants and spectators for displaying proper sportsmanship and enforces penalties on those who do not abide by sportsmanship standards.

It is difficult to develop a great setter, a great hitter or a great defensive player. However, your greatest challenge is to develop mature young adults who will become great citizens and role models in your community.

OFFICIALS

Your job is not an easy one, but officials must be aware that they are an important component in the educational development of students. To carry out this responsibility, you must:

- Know the rules and mechanics of our sport and the philosophy behind them.
- Get fit and stay fit. An official with complete rules and mechanics knowledge and people skills in the world does no good if he or she cannot physically keep up with play.

- Maintain professional and ethical relationships with athletic administrators, especially in the area of fulfilling game contracts.
- Work cooperatively with fellow officials during games and within the officials' association to improve members' performances.
- Maintain at all times and when interacting with all participants, an attitude of civility and professionalism.
- Practice effective preventive officiating as much as possible before, during, and after a match. The quiet word, proper signals, timely verbal instructions, a simple thank-you to a player for avoiding an unsporting act, and well-thought-out pre-game conferences with the teams and other game officials will result in an improvement of sporting conduct by eliminating the chance for things to go wrong.

STUDENT-ATHLETES

You serve as a role model for your younger siblings, young fans in the stands, your teammates, and your classmates. Set high expectations for everyone and help them follow-through! You must:

- Accept and understand the seriousness of your responsibility, and the privilege of representing your school and the community.
- Live up to the standards of sportsmanship established by the school administration and the coaching staff.
- Learn the rules of the game thoroughly and discuss them with others. This will assist everyone in the achievement of a better understanding and appreciation of the game.
- Treat opponents as you would like to be treated.....with respect.
- Respect the integrity and judgment of game officials. Treating them with respect, even if you disagree with their judgment, will serve to create a positive impression of you and your team.

CONCLUSION

Good sportsmanship is everyone's responsibility. It is the essence of interscholastic athletics. Remember...some may question an official's call or a coach's substitution, but no one can question the value of good sportsmanship.
