2025 WAIVER REQUEST Tennis Non-Interscholastic Rule*

Please complete and return to John Kronour at jkronour@ohsaa.org

OHSA regulations permit schools to request a waiver of General Sports Regulation 7.2.2 – Participating on Non-School Teams. The waiver, permitting non-intercholastic participation during the school season once a student has participated on the school team, may be granted up to two times per school season. Each waiver is good for one event. To be considered one event, all play in the event must have an established start and end date not to exceed 7 consecutive days. **No waivers will be granted for events taking place after September 2, 2025. This waiver request must be submitted by a school administrator. NO waivers from a coach, student, or student's parent(s) will be acknowledged.**

*This request does not waive tennis regulation 2.0, which prohibits a student from participating in the OHSA Tennis Tournament if that student continues to participate on or after the established non-intercholastic date prior to participating on the school team. Any participation on or after the non-intercholastic date, in the absence of receiving an approved waiver, shall prohibit the student from participation in the OHSA Tennis Tournament.
