Welcome to the Ohio High School Athletic Association Girls Tennis State Tournament. We are pleased to have you as our guests and would like to thank you for your coverage.

Enclosed in your media packet are this welcome letter, a media credential and a program that includes the participants, brackets and past state tournament history. If you have any questions, about covering the tournament, please consult with Dustin Ware from the OHSAA.

Media workspace is available inside the shelter house across the street from The College of Wooster tennis courts.

We ask that while following the tournament you adhere to these guidelines.

1. Media and photographers are to remain off the courts until the trophy presentations on Saturday.
2. Media are permitted in the walkway between the courts. The gates may be opened so that photographers have a clear view of the courts.
3. Interviews with participants may take place only after a match. Do not converse with participants during play or during breaks of play.

Inclement Weather: The Aspen Racquet Club in Wooster will host state tournament matches if play is not possible outside.

Results will be posted and brackets updated on the OHSAA website throughout each day's competition.

Thank you for your attendance and coverage of the Girls Tennis State Tournament!
