1. Organization of Tournaments
The District Athletic Boards organize and supervise district tournaments in their respective districts, subject to the regulations adopted by the Board of Directors. The regional and state tournaments are under the supervision of the Board of Directors and administered through the Executive Director’s office.

2. Eligibility
All participants must be eligible under the Bylaws and Regulations of the OHSAA.
A student who uses anabolic steroids or other performance enhancing drugs is ineligible for interscholastic competition until such time as medical evidence can be presented that the student’s system is free of anabolic steroids or other performance enhancing drugs.

3. Divisions
There will be three divisions, I, II and III in all levels of the OHSAA Track and Field tournaments. Schools must compete in the division and sites to which assigned by the OHSAA. For the 2021 state tournaments, Division I will compete at Hilliard Darby High School, Division II at Pickerington High School North and Division III at Westerville North High School.

4. Rules
The 2020 NFHS Track and Field Rules shall apply in all cases unless changed in the regulations that follow. Since there was no season last year, the NFHS’ 2020 rules will be used in 2021. There shall be no juries of appeals convened, and the decisions of the referee are final.

5. Entry Requirements
5.1. Entries shall be submitted electronically via www.baumspage.com, which must include the name and number of individual the name and number of the individual entries in all events except relays and a numerical list of all squad members with the assigned number of each athlete.

5.2. The completed electronic entry and eligibility certificate must be in the possession of the tournament manager no later than 5:00 p.m. on Friday, May 15, 2021, or at a later date and time if established by the district athletic board.

5.2.1. If the completed entry is not submitted by the designated time and date, the entry will not be accepted without payment of a $50 late fee and approval by the OHSAA.

*Note: An earlier deadline for entries may not be established, but completed entries will be accepted earlier and are encouraged.

5.3. In the first level of competition, a maximum of two eligible athletes may be named on the entry form for each event other than relay events.

*Note: A substitute may replace an entered athlete provided the substitute is submitted on the online roster, and provided the substitute is submitted to the tournament manager via online or on the scratch/substitution form no later than 12:00 p.m. NOON of the first day the event is contested. For Saturday competition, substitutions MUST be made at the time coaches check in that morning. After that time, no substitutions will be accepted. The Clerk of the Course will accept scratches as per usual.

In regard to the above regulation, substitutions may be permitted only in the event that a competitor becomes injured or ill during the contest. For example, a competitor is injured during the running of the high hurdles and cannot compete in a later event (e.g., 300 I.H). In this case, the coach should be permitted to substitute.
*Note:* In accordance with NFHS Rule 4-2-1, a contestant shall not compete in more than **FOUR (4)** individual events, including relays. If a contestant competes in more than the four allowable events, the tournament manager shall scratch the contestant from the excess number of event(s) by following the listed order of events. First day of competition means the day the event is to be competed. For example, an athlete who qualifies in an individual event in a tournament for the next level of competition may not be replaced by another athlete. An athlete who is disqualified due to participation in more than four events is ineligible for further tournament competition.

*Note:* NFHS rules and OHSAA participation regulations restrict each athlete to a maximum of **FOUR (4)** events in each tournament whether competed on one day or over two days. Members of relay teams must be designated on the relay card prior to competing the first time. All members of a relay team must be listed on the eligibility certificate.

Each level of tournament competition (district, regional, state) qualifies a school relay team.

5.4. Members of qualifying relay teams may be changed from one level of competition to the next level of competition provided the four-event entry limitation is observed.

5.5. Substitution Forms will be provided for changes at the first level of tournament competition.

*Note:* Scratches shall be reported to the Clerk no later than 15 minutes prior to the start of the event.

6. Uniforms

6.1 In accordance with NFHS Track and Field Rule 4-3 team members shall wear the school uniform. A competitor must be in a legal track and field uniform. Effective in 2020, uniform numbers are no longer required on the back of contestants' uniforms.

*Note:* A contestant who competes with an illegal uniform shall be disqualified from that event.

6.2 In accordance with Rule 3-2-4, j, contestants wearing two-piece uniforms must tuck their school-issued uniform tops into their uniform bottoms. If wearing a one-piece uniform, the required hip numbers must be placed so as to be visible to the FAT operator. In addition, the games committee at each tournament site shall specify in advance those areas of competition where removal of any portion of the team uniform, except shoes, is prohibited and shall specify those areas where the use of electronic devices is allowed.

6.3 In accordance with NFHS Track and Field Rule 4-3-1-a each competitor shall wear shoes.

*Note:* Shoes on all weather tracks must be rubber-soled shoes or track shoes as specified by the tournament manager or games committee.

6.4 In accordance with Board of Directors approval in December 2019, ALL tournament managers should be cognizant and cooperative with the following Sports Regulation governing "Headgear."

Refer to the National Playing Rules of the particular sport to determine what head decorations or headwear are permissible.

**Exception:** In the event a head coach represents to the referee in advance of the start of the competition that a competitor wishes NOT to expose his/her uncovered head, the referee shall approve a covering or wrap which shall not:

1) Fundamentally alter the sport
2) Be abrasive, hard or dangerous to any other participant
3) Be attached in such a way that it is likely to come off during competition, and
4) Be deemed to be unsporting/offensive

For other exceptions not addressed above, school administrators and/or head coaches shall contact the OHSAA sport administrator (Dale Gabor – dgabor@ohsaa.org or 440-829-9913) in advance of the competition date to discuss if a waiver is available, and, if so, the details of the waiver process.

*Note:* If there are any concerns about the head decorations or head gear well in advance of the start of the competition on that day, contest officials shall approach the head coach (or assistant coach, if the head coach is not available) to address the issue.

7. School Representative

No team or individual entry will be allowed to compete in the OHSAA tournaments at any level of competition unless a coach or a person authorized by the Board of Education is present throughout the competition. Teams and individual entries unaccompanied by such a school representative will be disqualified (Bylaw 3-3-1 N.B. - see General Sports Regulation 14). When a male coach is assigned to a girl’s team, a female supervisor (non high school student) should
accompany the girls team. Likewise, when a female coach is assigned to a boy’s team, a male supervisor (non high school student) should accompany the boys team.

Note: This Order of Events and Time Schedule is consistent with the Order of Events and Time Schedule of both the regional and state meets.

9. Qualifying Tournaments

Each district and regional track and field tournament is a qualifying tournament for the tournament that follows. These tournaments are not preliminaries for the succeeding tournament. The personnel of qualifying relay teams may be changed from one tournament to the next.

10. Qualification to Regional Tournaments

The first four individuals or relay teams in each event in the district tournaments shall qualify for regional competition. Only four qualifiers in each event shall be permitted to qualify from a district tournament to a regional tournament. See Section 12 for procedure to determine qualifiers in case of ties.

11. Scoring and Ties

NFHS Track and Field Rule 2-2-1 shall apply. In field events, ties shall be broken by applying the specific procedures outlined in NFHS Track and Field Rule 6-3-2 and 6-3-4.

12. Determining Qualifiers in Case of Ties

If there is a tie in an event that would result in more qualifiers than permitted, refer to NFHS Track and Field Rule 4-5-4. Accordingly,
12.1 Track Events: “if there is a tie in any heat or flight which affects qualification for the next level of competition, the tying competitors shall qualify if lanes or positions are available; if they are not available, the tied competitors shall compete against each other for the available lane or position.”

*Note: When using F.A.T., timing to the 1/1000 may be used to break a tie for the last qualifying position.

12.2. Shot Put, Discus, Long Jump; ties shall be broken according to NFHS Track and Field Rules 6-3-2. It is mandatory that all legal trials be measured and recorded.

12.3 High Jump and Pole Vault; the qualifier shall be determined according to NFHS Track and Field Rule 6-3-2.

*Note: Be sure that contestants are notified of any ties in qualifying positions immediately after the event so they will be available to compete for the qualifying position. When further competition is required to determine qualifiers, no records may be established and the awarding of points as well as awards shall be based upon the ties prior to the additional competition required to select a qualifier. Competitors tied for the last qualifying place in District and Regional competition shall be given one additional jump at the tying height before continuing with the competition. If the tie is not broken, the jump off for the last qualifying place shall take place only after the conclusion of the event when the other qualifying positions have been determined. A reasonable warm-up period with the bar set at an appropriate height subject to the discretion of the head event judge shall be given.

13. Decisions
Referees decisions are final in all tournaments. Exception: The Executive Director retains the right to rule on all instances involving ineligible participants. The Games Committee will serve in an advisory capacity to the referee if the referee chooses to seek advice. The referee shall not observe any type of video device unless the device has been approved in advance and when authorized may use the device only for determining order of finish.

14. Appeal Procedure
14.1 Obtain appeal form from the Tournament Manager.

14.2 Complete appeal form, sign and present to the tournament referee.

14.3 The tournament referee will review the appeal, reach a decision, complete and sign the referee’s decision portion of the appeal form and notify the coach of the final decision.

14.4 The decision of the tournament referee is final and not subject to further review except as indicated in #13.

15. Awards
15.1 Awards presented at the site of the OHSAA Track and Field Tournament must be approved by the Executive Director.

15.2 District Tournaments – The first-place team shall be awarded a district championship trophy. The runner-up team shall be awarded a district runner-up trophy. Due to the COVID-19 pandemic, no awards presentations to individuals will occur at the district, regional or state level. A very brief team trophy presentation, followed by brief team photos, may occur.

15.3 Awards Ceremony – The medal ceremony and the awarding of team trophies is to be a celebration of the accomplishments of the athletes, not an opportunity to display unusual or inappropriate attire. Therefore, for all medal and trophy ceremonies, athletes shall be attired in team issued warm-ups or uniform and shall be free of all other articles including but not limited to headwear, sunglasses, footwear other than running shoes, and any other decorative item. There shall be no flowers brought to the awards podium.

16. District Tournament Managers
District tournament managers shall be responsible for the proper organization and management of the track and field tournaments that they are managing. District tournaments shall be conducted according to the NFHS Track and Field Rules and the OHSAA tournament regulations for girls and boys track and field. The district tournament manager shall electronically submit to the regional tournament manager the names of qualifiers for each event. The complete results of the district tournaments shall be transmitted electronically on Sunday, May 23, 2021, no later than 1:00 p.m. as directed by the regional manager.

17. Unsporting Conduct Penalty
During participation in OHSAA Tournaments any student or coach ejected for unsporting conduct shall be ineligible for the remainder of that day as well as for all contests in track and field until two regular season/tournament contests
have been competed at the same level as the ejection. Individuals ejected for unsporting conduct shall be reported to the OHSAA Executive Director by the tournament manager. The Executive Director will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants it. Participation in athletic contests is a privilege. Each individual is expected to conduct himself or herself in an exemplary manner while participating.

Beginning in 2021, any player or coach ejected for fighting shall be ineligible for all contests for the remainder of that day. In addition, the player or coach shall be ineligible for all contests at all levels in that sport until FOUR regular season/tournament contests are played at the same level as the ejection or disqualification.

18. **Property Damage**
There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The tournament manager is authorized to deduct from the school’s share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive the District Board or Board of Directors will become involved. Student crowd control at OHSAA sponsored tournaments is the responsibility of the principals of the competing schools.

19. **Sponsorship and Rights**
The Ohio High School Athletic Association is the sponsoring association for the district, regional and state track and field tournaments. The OHSAA reserves all rights in regard to the management of these tournaments and the sale of any items at the tournaments or any audio-visual reproductions of the tournaments. Any sale of food, clothing, souvenirs or any other items at each tournament site is strictly prohibited without permission of the respective District Athletic Board for district tournaments and the OHSAA Commissioner for regional and state tournaments. The videotaping of any or all portions of the tournament for resale purposes is prohibited without permission.

20. **Prohibited Advertising**
There shall be no advertising through printed media, billboards, radio or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program.

21. **Raffles Prohibited**
There shall be no raffles or any type of games of chance permitted at the site of track and field tournament contests during the period beginning one hour prior to the tournaments and ending one hour after the tournaments have ended.

22. **Prohibited Sales**
The sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contests involving OHSAA member schools.

23. **Lightning and Inclement Weather**

**Recognition**
Coaches, certified athletic trainers, athletes and administrators shall be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately 2-to-3 miles, anytime that lightning can be seen or thunder heard, the risk is already present. Weather can be monitored using the following methods:

- Monitor Weather Patterns -- Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition and by scanning the sky for signs of potential thunderstorm activity.
- National Weather Service -- Weather can be monitored using small, portable weather radios from the NWS. The NWS uses a system of storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20% chance) event organizers shall be at a heightened level of awareness to the potential danger of lightning.

**Management**
- Evacuation -- If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures shall be announced and posted at all athletic venues.
- Thirty-Minute Rule -- Once lightning has been recognized, competition shall not be resumed until at least 30 minutes after the last flash of lightning is witnessed or thunder is heard to begin or resume a contest. Given
the average rates of thunderstorm travel, this would allow the storm to move 10-to-12 miles away from the area and significantly reduces the risk of local lightning flashes. Any subsequent lightning or thunder after the beginning of the 30-minute count should reset the clock and another count should begin.

**Note:** At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.

24. **Electronic Devices and Unfair Acts**
In accordance with NFHS rule 4-6-5, it is considered an unfair act for a competitor to receive communication electronically DURING a race or trial. In accordance with NFHS rule 3-2-8 (NEW IN 2014) electronic devices may be used in unrestricted areas and coaching boxes, providing the location does not interfere with progress of the meet as determined by the meet referee. Electronic devices shall not be used to transmit information to the competitor DURING the race or trial and electronic devices shall not be used for any review of an official’s decision. The penalty for violating this rule is disqualification from the event for the competitor and disqualification from the meet, on the basis of unsportsmanlike conduct, for team personnel, including coaches, managers, etc. Once a competitor is called up, the trial and allowable time has begun for an attempt, at which time coaches must cease use of electronic devices in communication with the athlete. Electronic communication may be resumed in accordance with NFHS rule 3-2-8 (see above) following the athlete’s attempt.

25. **Admission – District and Regional Tournaments**
All district tickets $10.00 per person per session. All regional tickets $12.00 per person per session. Children age 5 and under will not be charged admission. Tickets will be handled by the OHSAA’s online partner, HomeTown Ticketing, and procedures will be shared with the participating schools.

26. **Complimentary Admission – District and Regional Tournaments**
Complimentary admittance to district and regional track and field tournaments is restricted to the following people:
- Officials - 1 for the official plus one guest
- Workers - 1 for the worker
- Competitors and Coaches according to the following:
  - Number of Competitors Passes
  - 1-4 One more than number of competitors
  - 5-8 Two more than number of competitors
  - 9 or more Three more than number of competitors

*Note: Passes will not be provided to alternate members of relay teams unless they participate.

27. **Media**
Credentials for district and regional tournaments may be obtained by contacting the tournament manager, including telecasting/broadcasting/streaming. All media arrangements are to be made prior to the tournament. **District and regional tournament managers should review requests for LIVE telecasting/video streaming with the Executive Director’s office.** Contact Tim Stried, Communications Department, at 614-267-2502, ext. 124, or tstried@ohsaa.org. All requests for credentials for the state tournament should also be made with Tim. Note that the OHSAA prohibits live television or video streaming of tournament contests unless prior permission has been obtained.

2. **Entries**
   2.1. The District Tournament Managers of boys and girls track and field tournaments will transmit complete results of the district tournaments to the regional tournament manager on Sunday, May 23, 2021, no later than 1:00 p.m.

The coaches on the games committee will be appointed by the tournament manager.

The games committee will be responsible for all provisions of NFHS Track and Field Rules 3-2-3 and 3-2-4 and may serve in an advisory capacity to the referee in any matters involving appeals. This is subject to the discretion of the referee. Games committee members are not required to meet in person. All business may be conducted via electronic communication.

5. **Seeding and Lane Assignments**
NFHS Track and Field Rule 5-6 will be the basis for seeding competitors and forming heats.

   5.1. 800m, 1600m, 3200m, 4x800 relay and all field events - starting line assignments and field event order of competition and flights shall be determined by the games committee by lot using an open draw.

   5.2. All track events except the 800m, 1600m, 3200m runs and the 4x800 relay - the runners shall be assigned to the lanes based upon their seeded position and using the following order:

Competitors may use ONLY legal and approved implements in warm-up and competition according to NFHS Rule 6-2-10.
