

## 16. TRACK AND FIELD (OUTDOOR) — BOYS AND GIRLS

### A. GENERAL REGULATIONS

#### 1) Interscholastic Participation

1.1) Each student participant is limited to participation in a maximum of one contest per day.

1.2) Participation limitations:

Grades 9-12 — Maximum of four track and field events per contest. The four events may be any combination of track and field events, including relays, or may be four track events or four field events. This regulation applies to all competitions, single and multi-day, and both regular season and OHSAA tournaments. **PARTICIPATION LIMITATION PENALTY**—An athlete who exceeds the participation limitation becomes an ineligible athlete. The forfeiture bylaws apply as written in Bylaw 10.

Participation in non-varsity and varsity events on the same day is permissible provided the individual participation limit is not exceeded and occurs within the same contest.

Grades 7 & 8 — Maximum of three events per contest.

1.3) The javelin is not an approved event in interscholastic competition.

1.4) A school squad may be divided so that the school is represented at two different contests on the same day. However, each contest counts in the maximum of 16 permitted for that school team. There is no distinction between 9th grade, Junior Varsity or Varsity competition.

1.5) Grades 7 & 8: 10 days of practice required prior to first interscholastic competition.

#### 2) Non-Interscholastic Participation

2.1) A member of an interscholastic track and field squad (any student who has participated in a regular season or tournament contest) sponsored by the Board of Education **shall not participate in a non-interscholastic contest** as an individual or a member of a team in the sport of track and field **during the school's season** (Sports Regulation 7.2.2).

2.2) Individual Non-Interscholastic Competition Dates:

A track and field athlete who has not participated for the school in track and field that season must cease non-interscholastic track and field competition four weeks (28 days) prior to the Monday of the week of the State Tournament in track and field in order to be eligible for OHSAA Tournament competition.

In addition, an athlete who has participated for the school in track and field who violates this non-interscholastic competition date by participating in a non-interscholastic contest in track and field shall be ineligible for OHSAA tournament competition in track and field in addition to any other penalties that may be prescribed.

Date: May 4, 2020.

2.3) Road racing is interpreted as a different sport than track and field. If the majority of the race is run on a road, participation is not a violation of the non-interscholastic competition bylaw.

#### 3) Penalties

3.1) The maximum penalty for violation of Sports Regulation 7.2 (participation with a non-interscholastic track and field squad or in non-interscholastic competition while a member of the school's interscholastic track and field squad) or any OHSAA regulations for any member of the school squad, EXCEPT a senior, may be ineligibility for the remainder of the interscholastic track and field season or the ensuing track and field season. For a senior, the maximum penalty shall be ineligibility for the remainder of the school year.

**4) Transfer Bylaw**

While all questions regarding the transfer bylaw should be addressed to the appropriate school administrator information regarding the transfer bylaw can be found on the OHSAA website at this link, <http://www.ohsaa.org/Eligibility/Transfer>. Note that students who transfer and do not meet an exception to the transfer bylaw, and who participated in high school track and field within 12 months of the transfer date, are ineligible for all regular season contests and the OHSAA postseason tournament beginning with varsity regular season contest #9.
