Welcome to the State Championships

From the Executive Director

On behalf of the Ohio High School Athletic Association, welcome to the 52nd Annual Girls State Volleyball Tournament. I extend these wishes on behalf of the OHSAA's Board of Directors, our staff and our member schools.

Over 350,000 young people in our state annually participate in interscholastic athletics. The state tournament is the pinnacle of each high school season, and the air is filled with excitement in anticipation of today's event.

Few things bring schools, communities and students together like high school activities and sports. This tournament event not only promises to help rekindle the spirit of citizenship and community, but it also will afford our students the lifelong memories of playing together to achieve successes later in life.

The Ohio High School Athletic Association is proud to host today's tournament event, and we're also proud to provide quality programs which help apply the lessons of life in an unequalled atmosphere. While we hope student-athletes are participating in interscholastic athletic programs because they're having fun, participation also promotes citizenship and sportsmanship; instills a sense of pride in community; teaches lifelong lessons of teamwork and self-discipline, and facilitates the physical and emotional development of our youth. In short, interscholastic athletic programs are vital to our youth because they provide lessons that are as important as those taught in the classroom, and they help prepare our sons and daughters for the next level of life.

As you watch the competition today, you as spectators can also contribute to the quality of this tournament event and the experience of our young people. By meeting the challenge of displaying sporting behavior in the stands, you are providing a sound example for the students in attendance and are also representing your schools and communities with pride and dignity. Indeed, such events should be both a playing experience and a learning experience for our high school students, so let's make sure that, whether we win or lose today, that our focus is to recognize and celebrate the commitment, dedication and determination of the young people competing.

The OHSAA wishes all teams and participants good luck, and we hope your experience at this tournament is positive. And as you watch today, please remember that everyone has the opportunity and responsibility to "Respect The Game!"

Spectators are asked to add to the quality of this tournament by displaying sportsmanship in the stands and showing respect for all participants and officials. You are representing your school and your communities, just like the student-athletes competing. Let's make sure that, win or lose, our focus is to recognize and celebrate the dedication and determination of the young people competing.

Sincerely,

Doug Ute

2026 Volleyball Sportsmanship, Ethics and Integrity Award

Jennifer Chapman

Each year, all 29 of the Ohio High School Athletic Association sanctioned sports' coaches associations and allied professional organizations can recognize and honor one of their members with an OHSAA Sportsmanship, Ethics and Integrity Award. The recipients are selected by the directors of the respective associations. Individuals selected should reflect the values of sportsmanship, ethics and integrity through all of their professional responsibilities and should be a role model for others. The recipient of the 2026 Volleyball Sportsmanship, Ethics and Integrity Award is **Powell Olentangy Liberty High School head coach Jennifer Chapman.**

Jennifer has been the only girls volleyball head coach in the history of Olentangy Liberty High School, starting the program from scratch when the school opened in 2003. She has built more than a successful program – she has built a culture. Her steady leadership, positive tone and understanding of how to connect to young women has shaped athletes on and off the court. Jennifer's conduct during competition reflects the highest standards of sportsmanship, as she treats officials, opponents and her own athletes with respect. These qualities have made her a respected figure not only within Liberty High School, but throughout the Central District volleyball community.

Jennifer has received numerous awards during her 23 years at Liberty. Her overall won-lost record stands at 430-151. Under Coach Chapman, Liberty has won the OCC seven times, the district championship nine times, and advanced to the Final Four in 2018 and 2021.

Jennifer has served on the Central District Board for many years, including as secretary and treasurer for 13 years. She is know for being the veteran coach who younger coaches turn to guidance on the behind-the-scenes responsibilities of running a program, offering her time, insight and mentorship to coaches across the region.

Jennifer teaches Health and Physical Education at Liberty High School. She is a native of Perrysburg, Ohio, and went on to play volleyball and softball at Heidelberg University, where she earned a bachelor's degree before earning a master's degree in education from Marygrove College.

OHSAA Board of Directors Approves Expansion Proposal

Soccer, girls volleyball, basketball, baseball and softball adding divisions starting in 2024-25

OHSAA NEWS RELEASE – FEB. 15, 2024

COLUMBUS, Ohio – After months of discussion and meetings around Ohio to gather feedback, the Ohio High School Athletic Association Board of Directors unanimously approved a proposal Thursday morning to utilize a new formula to determine how many divisions will be offered for postseason tournaments. The change affects OHSAA General Sports Regulation 17 and will result in girls and boys soccer now having five divisions, while girls volleyball, girls and boys basketball, softball and baseball will all have seven divisions. In those sports, Division I and Division II will only include 64 schools.

The new divisions will go into effect with the fall of 2024. The board will continue to discuss additional sports, noting several recent meetings regarding track and field. There are no changes to the number of football divisions, which is already at seven. In addition, any changes to the current deployment of the Competitive Balance process would need to be voted upon by OHSAA member schools during the annual referendum voting process.

Doug Ute, OHSAA Executive Director, praised the board's decision as a step toward to level the playing field of OHSAA tournaments.

"It's the right thing to do for the student-athletes who have been competing at this disadvantage," said Ute. "For too long, the largest schools in our divisions have been so much larger than the smaller schools in the same division, which has resulted in many schools accepting that they realistically have little chance at making a run in the tournament. In some of our sports, there have been more than 200 schools competing for a state title in that division, which is significantly more than what most other states do, and what we do in many of our own sports.

"We know that there is a lot of work to do in the coming months to prepare for additional divisions this fall," Ute said. "We have already started working on the details to accomplish this, but one thing we know for sure is that having two or three more state champions in these sports doesn't water them down or diminish winning a state title. And we anticipate that this new format will be revenue neutral, since every school makes the tournament already."

Each year, the Board of Directors would still have final authority in determining how many divisions to be used that school year, but the proposal calls for the following scale to be used to guide the board's decision on the number of divisions for girls volleyball, football, soccer, basketball, softball and baseball, however note that the sports of lacrosse, field hockey, ice hockey and boys volleyball would not change from their current division numbers: 199 or fewer teams: 1 Division; 200 to 299 teams: 2 Divisions; 300 to 399 teams: 3 Divisions; 400 to 499 teams: 4 Divisions; 500 to 599 teams: 5 Divisions; 600 to 699 teams: 6 Divisions; 700 and more teams: 7 Divisions.

For girls volleyball, soccer, basketball, softball and baseball, the largest 64 schools would be placed into Division I. The next largest 64 schools would be placed into Division II. The remaining schools would be divided as evenly as possible into the remaining divisions. The OHSAA already does something similar to this in football, in which the largest 10 percent of schools are placed into Division I and the remaining schools are divided evenly in Divisions II through VII.

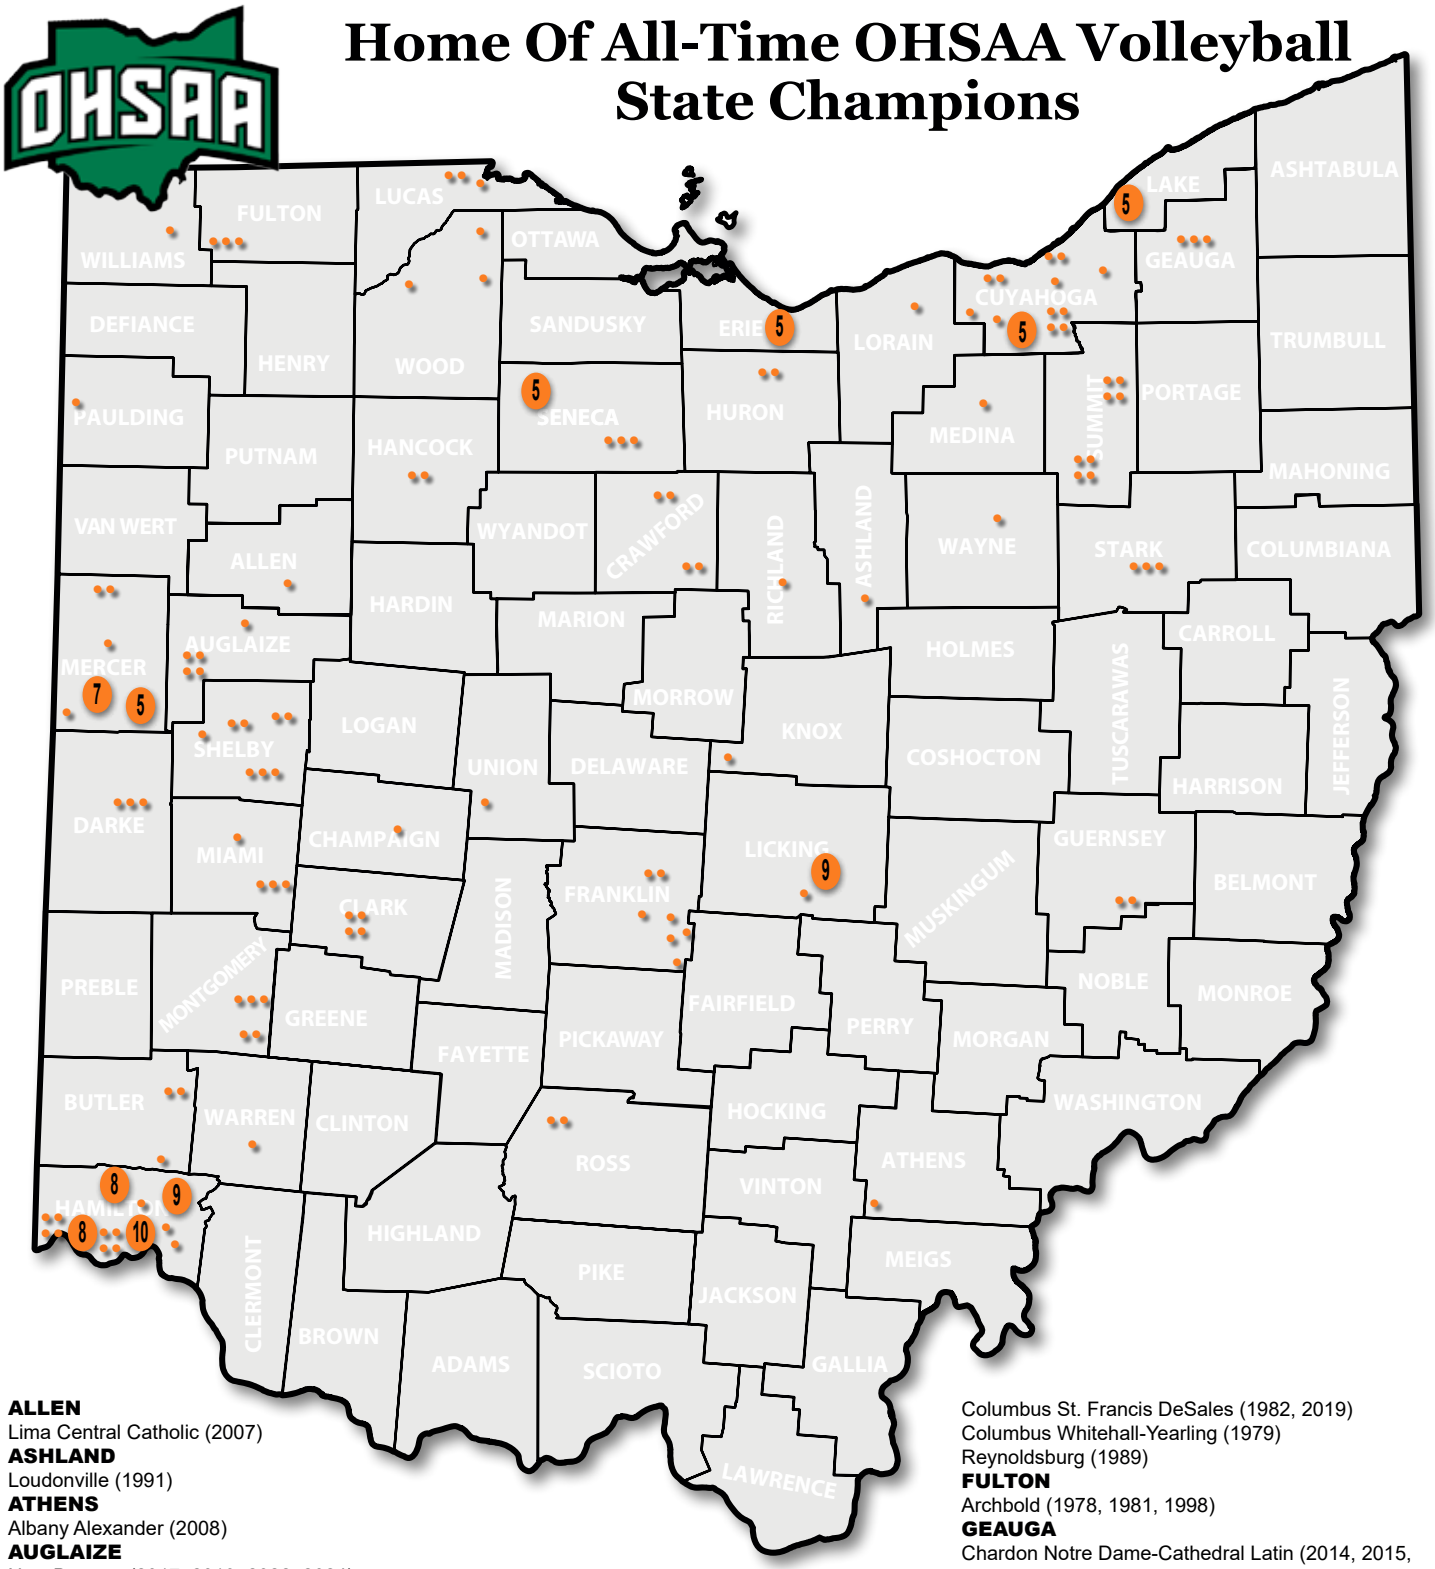

The proposal does not call for a change to the formula that the OHSAA uses for individual sports to determine the number of student-athletes required for team designation, which includes five in bowling, five in cross country (who score for their team at the district tournament), four in golf, three in girls gymnastics, seven in swimming and diving, four in tennis, nine in track and field and seven in wrestling.

The proposal calls for the following number of divisions to be used for individual sports: 200 or fewer teams: 1 Division; 201 to 450 teams: 2 Divisions; 451 to 700 teams: 3 Divisions; 701 and more teams: 4 Divisions.

OHSAA member schools vote to determine any changes to the bylaws or constitution via the referendum process each spring. Member schools also vote for representatives for their District Athletic Boards, who are then selected to serve on the State Board of Directors on a three-year term. The Board of Directors are then charged with reviewing and approving the General Sports Regulations on behalf of the OHSAA membership. The OHSAA General Sports Regulations do not go to the member schools for voting and are posted at: https://ohsaaweb.blob.core.windows.net/files/Sports/GeneralSportsRegulations.pdf

The 11,200 seat arena is the official home of the NCAA Division 1 Wright State University men's and women's basketball programs and the women's volleyball program. 0It's a stopping point for national touring concerts and performances including musicians from every genre, comedians, and world renowned family shows. Past performers include: Kevin Hart, KISS, Dierks Bentley, Cirque du Soleil, Darius Rucker, WWE, Kid Rock, Disney On Ice, Florida Georgia Line, Elton John, Monster Jam, Newsboys, Jeff Dunham, The Eagles, Theresa Caputo, James Taylor, Lee Brice, Tina Turner, Professional Bull Riding, AC/DC, The Harlem Globetrotters, Thomas Rhett, Trans-Siberian Orchestra, Journey, Toby Mac, George Strait, Lil Wayne, Phish, Mötley Crüe, Fall Out Boy, Brantley Gilbert and several hundred more.

The Nutter Center has also become home for high profile sporting events including regional and state high school volleyball, basketball, and wrestling tournaments. The Nutter Center hosts Wright State University's Fall and Spring Commencements as well as several area high school graduation ceremonies.

In addition to the main arena, WSU's Nutter Center houses four basketball courts, a recreational running track, weight room, 60,000 square feet of exhibit space, banquet rooms, several classrooms, and dressing rooms.

Feed Your Game with Beef

OHIO BEEF COUNCIL

If there were a protein contest, beef would surely be crowned the king! Among the powerful package of 10 essential nutrients beef is known for, protein may be one of the most notable. In fact, one 3-oz cooked serving of beef provides 50% of your Daily Value (25 grams) of this important nutrient—making it an excellent source!

Protein supports strength!
Protein helps support strong, lean bodies. Eating enough protein-rich food is essential to help protect lean body mass and prevent the loss of muscle and strength associated with aging.

Get more from your workout!
Studies show exercise is more effective when paired with a higher-protein diet, and complete proteins, like beef, provided the amino acids necessary for muscle-building and recovery.

Aim for evenly distributed daily protein intake.

Breakfast
30g Protein

Lunch
30g Protein

Dinner
30g Protein

Enjoy a heart-healthy diet!
Heart-healthy diets with high-quality, lean protein help maintain normal blood cholesterol levels and normal blood pressure.

Sports Nutrition Game Plan

High school athletic programs need a fueling solution to combat the challenges of resource limitations and undernourished athletes. The Sports Nutrition Game Plan and Athlete Feeding Programs Toolkit provide nutrition education and resources to fuel athlete growth, development, performance, and recovery.

For Coaches:
- Access easy-to-share nutrition resources for your team.
- Learn how to plan pre-game meals and snacks.
- Support health and performance with expert advice.

For Parents:
- Find quick and healthy meal ideas for busy schedules.
- Understand how Booster Clubs can help fuel teams.
- Learn what foods best support your athlete's growth, performance, and recovery.

Still Hungry? Keep Exploring!

Tippecanoe Takes Down Bloom-Carroll To Win First State Championship

DAYTON, OH – Tipp City Tippecanoe defeated Carroll Bloom-Carroll in four sets (25-19, 25-22, 24-26, 25-10) to win the Division III state final, Saturday evening, at the Nutter Center, at Wright State University.

Tippecanoe (29-0) finished eighth in the final regular-season OHSVCA coaches poll. The Red Devils have made four tournament appearances, with the last coming in 2020 and runner-up in 1992. Tippecanoe finishes the season as unbeaten state champions, marking the 44th time that accomplishment has been completed in OHSAA Volleyball history.

The Red Devils won a pivotal second set, 25-22, that saw six tie scores and four lead changes.

Sophomore Abby Mader finished with 20 kills, a game high, with her senior teammate, Savannah Clawson right behind, collecting 17 kills. The Red Devils only dropped four sets the entire season.

Bloom-Carroll (27-2) finished second in the final regular-season OHSVCA coaches poll. This was the second state tournament appearance for the Bulldogs, with the previous trip coming back in 2012. Bloom-Carroll secured 27 wins this season, a school record.

Bloom-Carroll fought off a late comeback attempt from the Red Devils in a tight third set, winning, 26-24.

Senior Sylvia Haughn led the Bulldogs with 13 kills, while senior Sienna Hogue notched a team high 12 digs. The Bulldogs finished the match with 11 total team blocks.

State Tournament Team Records Since 2004

With the expansion to seven divisions, the state tournament record book conversion begins with the old Division II records being placed in new Division II and III; the old Division III records being placed in new Division IV and V; and the old Division IV records being placed in Division VI and VII. The old Division I records remain as the new Division I records.

INSIDE THE OHSAA

What is the Ohio High School Athletic Association? Here's a look at who makes up the OHSAA and how the OHSAA supports education-based athletics and its member schools and carries out its mission.

OHSAA MISSION STATEMENT:

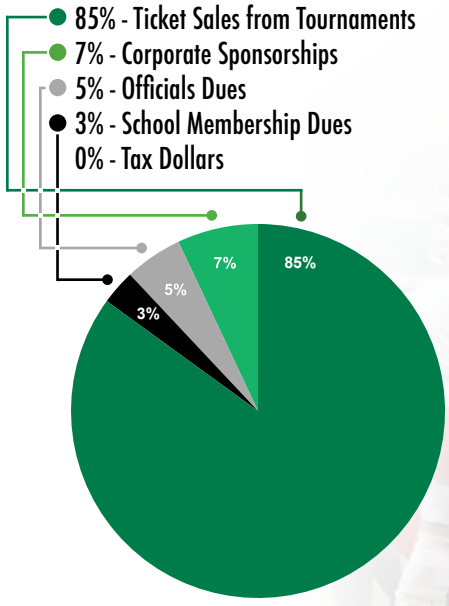

To serve our member schools and enrich interscholastic opportunities for students.

MEMBERS, STAFF AND PARTNERS

» Schools are volunteer members -
  815 High Schools, 740 7th & 8th Grades Schools
» 29 Sanctioned Sports (15 Girls, 14 Boys)
» Approximately 400,000 Student-Athletes in Grades 7-12
» Approximately 15,000 Officials
» Approximately 70,000 Coaches
» Six District Athletic Boards elected by the member schools in that district
» State Board of Directors
  (rotation system from the District Athletic Boards)
» Executive Director and Office Staff (24 full-time employees)
» Partner with Coaches Associations for Each Sanctioned Sport
» 10 Allied Educational Organizations

FINANCES

» Since 2022, OHSAA annually gives $3 million back to schools in travel reimbursement and Athletic Enrichment Fund donation
» OHSAA annually awards more than $200,000 in college scholarships
» OHSAA pays for catastrophic insurance coverage for students and accident insurance for officials ($500,000 annual premium)
» OHSAA State Office Revenue Sources:

TOURNAMENTS, ELIGIBILITY AND SERVICES

» OHSAA focuses on the life lessons that student-athletes learn through their involvement with athletics.
» Strives to conduct the best state tournaments in the country
» Advocate to Ohio Dept. of Health and Governor's Office for return to play during COVID-19 pandemic
» Enrollment data for tournament divisions comes from Ohio Dept. of Education
» Member schools voted for Competitive Balance Proposal in 2014 (affects soccer, volleyball, football, basketball, softball and baseball)
» Assist schools with monitoring eligibility of student-athletes:
  - Constitution and bylaws voted on by school principals each May.
  - Schools are the primary enforcement of bylaws and sports regulations.
» Provide services to member schools, such as:
  1. Coaches Education
  2. Sports Medicine and Safety Programs
  3. Parent Preseason Meeting Resources
  4. Sportsmanship and "Respect the Game" Programs
  5. Website Posting Board Services
  6. Booster Education
