

# Memorandum

**To:** NFHS Member State Associations

**From:** Lindsey Atkinson, NFHS Director of Sports

**Subject:** NFHS Volleyball Rule 4-2-1f Modification

**Date:** August 11, 2021

---

Due to a supply chain shortage of match permissible spandex in some areas of the country, state associations have the authority to temporarily issue a case-by-case modification of Rule 4-2-1f limiting the size and number of manufacturer's logos for the 2021 fall volleyball season.

The modification would allow for multiple logos along the waistband **only**, while maintaining the requirement that all uniform bottoms must be like-colored. The modification does not permit more than one manufacturer's logo greater than 2 ¼ square inches on any other part of the uniform bottom or the uniform top.

**Rule 4-2-1f: ART 1 . . . All uniforms shall adhere to the following:**

*f. A single partial/whole manufacturer's logo/trademark/reference, no more than 2 ¼ square inches with no dimension more than 2 ¼ inches, is permitted on each piece of the uniform provided placement does not interfere with the visibility of the player's number.*

Schools must request permission to modify rule 4-2-1f and provide proof of intent to purchase legal uniform bottoms from a uniform supplier.

Thank you for your attention and consideration.
