Re: Future of the Dual Team Wrestling Tournament

In an administrator's update that was emailed to all schools this afternoon, it was announced that the OHSAA Dual Team Wrestling Tournament would be suspended for the 2020-21 school year.

It saddens me to relay this information to the wrestling community. We all know that the dual team tournament provides a unique team environment and atmosphere for our sport that the individual tournament simply cannot. I don't know what the future holds for the dual team tournament, if and when it could be resumed, or when that determination would be made. I just wanted to pass this information along to you as quickly as possible for planning purposes.

I hope to provide an update to all wrestling schools by the end of next week as we set our eyes on the 20-21 wrestling season and how it fits within the current Ohio Department of Health's (ODH) orders.
