

2021 OHSAA Individual Wrestling Tournament Addendum & Regulation Change Summary

Please note: Due to COVID-19 all tournament information listed below is subject to change. The OHSAA and the District Athletic Boards have worked to develop a plan to provide consistency at all tournaments and the best opportunity to conduct the 2021 Sectional and District Tournaments in the safest environment possible.

1 - 6th Match Placement Policy for One-Day Sectionals

- 1) For one-day sectionals with more than 10 wrestlers in a weight class, there is a possibility of either the Third or Fifth Place match cannot be wrestled due to the NFHS 5 Match per day limit.
- 2) If the match cannot be contested, all sectionals will use [OHSAA 6th Match Placement Policy](#) to determine placement on the district bracket or to determine the alternate.

2 - Sectional Format

- 1) 1-day sectional when possible
- 2) 3 mats, fourth mat optional (depending on facility layout)

 - b. Session 2 - weight classes 152 - 285 (Group 2)
 - c. All brackets wrestled to completion.
- 6) The NFHS 5-Match Per Day Limit cannot be waived.
 - a. Use the Modified Random draw for weight classes with 10 wrestlers.
 - b. Weight classes with more than 10 wrestlers will use [OHSAA 6th Match Placement Policy](#) if their final match cannot be contested.
- 7) Managers should determine a schedule that will expedite procedures to keep wrestling moving and minimize delays between matches.
 - a. Weight classes with more than 8 contestants on the bracket may be wrestled first to minimize delays due to the "45 Minute Rule". Weight classes do not have to be wrestled in sequence from light to heavy.
 - b. Finals should be wrestled continuously without breaks between weight classes.
 - c. The two sample schedules below were based on using 3 mats for sectionals with approximately 125 to 135 wrestlers and are provided as models for possible time frames for each session.
 - i. [SW Sectional at Graham](#)
 - ii. [Sample Bare Bones Schedule](#)
 - d. The times needed for the sectional should be adjusted to ensure a timely start and adequate time to clear the facility and sanitize between sessions.
- 8) When a 1-day sectional is not possible due to number of wrestlers at the site, a 2-day sectional will be wrestled by weight class groupings listed above in four total sessions, two sessions per day
 - a. Day 1, Session 1 - Group 1 wrestle through two rounds of championship and one round of consolation. (Facility option for two rounds of consolation)

 - d. Day 2, Session 4 - Group 2 wrestle through completion of championship and consolation brackets
- 6) Alternates
- a. will not be admitted into the tournament unless they become participants. It is understood that this is harsh compared to previous years' practice, but this is not a normal year, and an extra 28-56 wrestlers cannot be admitted to the tournament if they are not participants. This is the only logical approach this year. If the transportation logistics are not feasible for a school or individual wrestler, then they should not travel to the site because there is no guarantee they will be admitted as a participant.
 - b. Alternates may arrive and enter the facility, and they will remain in a location until the conclusion of weigh-ins and skin checks. If they are not used, they will be asked to leave the facility. Alternates are not participants unless officially informed by the tournament manager. Coaches of qualifiers that are known to be unable to participate in the next round should contact the tournament manager ASAP! The manager will follow-up with the alternate to determine availability. If a wrestler fails to make weight or pass skin check and there is no alternate available to fill the spot, then the vacated line on the bracket will become a bye.
- 7) Finals should be wrestled continuously with awards mat-side after each match or picked-up later. There will be no podium presentation of awards / medals.
- 8) The sample schedule below was adapted from the Division III District Tournament at Troy Hobart Arena with 4 mats.
- a. [Sample District Schedule](#)
 - b. Wilmington Model (3 day)
 - i. Session 1 (106 to 145): Thursday,
