Re: 2025 Wrestling Tournament Information

Managers will receive information from Gary Baumgartner or Terry Young regarding use of Baumspage.com for collecting information and posting results. Baumspage.com is the official coordination site for all OHSA section, district, and state tournaments. If you have questions, please contact Gary or Terry (contact information below) or myself.

The following documents are enclosed:

- 1) **Wrestling Tournament Participation Form** *Page 4 (Sectional Managers Only) – Site managers that do not use the Baumspage Mobile Tournament Application must complete this form as this year's participants will determine the number of tournament qualifiers in the future. For sites that use the **Baumspage Mobile Tournament Application**, the **Tournament Participation Report** is generated automatically when the final results are certified. This form must only include the number of wrestlers who actually wrestled. This form must be returned no later than one week after the tournament concludes.
- 2) **OHSA Sectional Tournament Site Manager's Timeline** *Pages 5-6.(Sectional Managers Only) – Also available on Baumspage, this timeline includes details about online entry, seeding and drawing, posting of tournament information and results, and passing qualifier files to the district tournament.
- 3) **The Weigh-In Procedure** *Page 7 (Sectional and District Managers) – Please review with your staff and the weigh-in officials.
- 4) **Letter to State Qualifier Head Coaches** *Page 8 (District Managers Only) – Please make copies of the letter and distribute to coaches.

Other important information follows:

- 1) All tournaments must have a physician present during weigh-ins. Medical coverage during the tournament may be provided by Certified Athletic Trainers.
- 2) A weight allowance of one pound per day, up to a maximum of two pounds, may be permitted when a school (schools) is out of session and the team cannot practice due to school policy on the day prior to the tournament. When such weight allowance is provided the weight allowance for successive days of wrestling will be reduced or eliminated. (see **NFHS Wrestling Rule 4.5.5.**)
- 3) **Tournaments must follow and be scored by NFHS Rules! Trackwrestling managers need to work with Trackwrestling support to ensure that the Team Scores do not award advancement points for rounds that have all byes.**

Officials Fees

Site managers do not pay the officials, they will be paid by your respective District Athletic Board.

The OHSA Director of Wrestling Officiating Development Toby Dunlap (440-487-6308) and wrestling State Rules Interpreters will be visiting tournaments sites. The Alternate Selection Procedure - excerpted from the 2025 Wrestling Tournament Regulations (<https://ohsaaweb.blob.core.windows.net/files/Sports/Wrestling/WRindTourneyRegs.pdf>):

The Alternate selection procedure is as follows:

- 1. Alternate – Sectional/District 5th Place:** Prior to the scheduled start of the first session of the District/State Tournament, if one qualifying wrestler from a sectional/district is unable to wrestle, the 5th place wrestler from that sectional/district shall be placed on the vacated bracket line in the 1st round. No other wrestler will be moved on the bracket.
- 2. Alternate – Other Sectionals/Districts 5th Place:** If the 5th place wrestler from the sectional/district with the vacated spot is unable to wrestle, 5th place alternates from the remaining sectionals/districts become eligible for the vacated bracket line. If only 1 alternate is able to wrestle, he/she is placed on the bracket line. Otherwise, a coin flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. No other wrestler is moved on the bracket.
- 3. Alternate – Multiple from Same Sectional/District:** If more than 1 wrestler from a sectional/district in the same weight class is unable to wrestle, a coin flip (2 alternates) or random draw (3 alternates) determines on which bracket line the alternates are placed. No other wrestler is moved on the bracket.
- 4. Alternate – Bye/No Alternates:** A Bye is placed on the bracket for a wrestler who fails to make weight and no alternate is available.
- 5. Alternate – Less than 4 Placers at Sectional:** If there are less than 4 placers from a sectional, 5th place alternates from the remaining sectionals become eligible for the vacated bracket line/lines. If only 1 alternate is able to wrestle, the wrestler is placed on the bracket line. Otherwise, a coin-flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. **For girls district tournaments only:** If there are not enough 5th place alternates available to fill the bracket, the 6th place alternates from the remaining sectionals become eligible for the vacant bracket lines.

Wrestling Tournament Participation Form

The Board of Directors of the OHSAA annually sets up the representation from each district based upon the number of teams (7 participants) participating in the tournament. Please list the school and the number of participants that actually participated.

NOTE: For sectionals that use the [Baumspage Mobile Tournament Application](#), the Participation Report is generated automatically when you click the “I certify that these results are accurate and this event is officially complete.” checkbox and “**Post Final Results to Baumspage**”.

The Weigh-In Procedure

The **tournament manager** oversees the operation of the entire wrestling tournament. The tournament manager coordinates all aspects of the event, including weigh-ins. The weigh-in of contestants initiates the official action of setting the bracket for each weight class. The procedure listed below will allow the weigh-ins to proceed efficiently.

The tournament manager shall verify that all scales are recently certified by the county weights and measures department, balanced to zero, and placed in the weigh-in room, with ample time allotted for wrestlers to check their weight prior to the start of actual weigh-ins. Weigh-ins are gender neutral allowing male and female contestants to weigh-in together (weigh-ins are conducted in full legal uniform with suitable undergarments per NFHS rules). **The initial weigh-in shall be conducted by weight class starting at 106/100 and ending at 285/235.**

The tournament manager coordinates the weigh-in with the assigned head official. The head official will be aware of the weight allowance protocol associated with inclement weather day(s) and/or consecutive days of competition. Each scale should have an official, a recorder and an assistant recorder to oversee the weigh-in procedure. At the start of weigh-ins all wrestlers must be in the designated weigh-in room, if space allows, and no one is allowed to dehydrate or rehydrate. No contestant is allowed to leave the designated weigh-in room unless permission is granted by the tournament administration, e.g., the tournament manager or head official. All exercise must stop when the weigh-in process begins. Wrestlers may wear socks during weigh-in. Any overweight wrestler shall immediately re-weigh on the same scale once. If he/she is still overweight, the participant gets one try on every other scale in his/her assigned weigh-in room. During any re-weigh attempt the athlete must step on the scales exactly as he/she did on the initial weigh-in attempt. Duties are listed below.

Official - Inspects each wrestler for compliance with the NFHS health and safety check protocol. This includes fingernails, skin inspection, physician's note, and the legality of any special equipment. If any adjustments need to be made, the official shall instruct the recorder to mark the necessary correction on the weigh-in form. The on-site physician is the final authority for decisions on for skin issues.

Recorder – Records all necessary information pertaining to each individual athlete on the tournament manager weigh-in form. Example: if the fingernails need trimmed, he/she should record (N), etc. Next, the exact weight is to be read aloud and recorded for each participant during every weigh-in session. At the initial weigh-in session, the recorder is to be informed if a weight allowance is in effect due to inclement weather day(s). Note: the minimum weight for the **boys 285-pound** weight class is **210-pounds** at the start of the season, then **212-pounds** on and **after December 25th**, and the minimum weight for the **girls 235-pound** weight class is **184-pounds** at the start of the season, then **186-pounds** on and **after December 25th**. The weight allowance for the second day (or weigh-outs) of a two-day event, shall be communicated to the recorder. The recorder shall also be informed if an athlete is attempting to make his/her scratch alpha weight at the initial weigh-in. It is the responsibility of the head coach of the wrestler attempting to make scratch alpha weight for the first time to notify the tournament manager who in turn will notify the weigh-in staff. The athlete shall also declare to the weigh-in staff his/her intention to make his/her scratch alpha weight. **Clearly indicate any wrestler that does not make weight by circling or highlighting the recorded weight.**

Assistant Recorder - It is recommended the third adult observer be a coach, randomly selected to assist with the reading of the scale, recording of the data and to generally confirm that the weigh-in procedure is following protocol. The three weigh-in personnel are to work as a team and communicate as necessary to ensure a smooth weigh-in.

At the conclusion of weigh-ins the official shall sign the weigh-in sheets from his respective scale. The prompt return of the weigh-in forms to the tournament manager allows any re-draws to be efficiently completed, allowing the tournament to start on time. The tournament manager shall designate with the head official the team(s) of weigh-in personnel for the following morning second weigh-in. The weigh-in forms should be created to allow for the recording of multiple day weigh-ins/weigh-outs.

Weight-out - If a first day weigh-out is utilized, this will begin after the **130 (girls)** or **144 (boys)** weight-class and end 30 minutes after the last heavyweight match. Wrestlers who have completed their competition for the first day may report to the scale room to weigh-out when it is announced. During the weigh-out process, participants may have multiple attempts on the scale(s), they may exercise, and they may use the restroom.

Skin Checks - Skin checks must be conducted in a private room each day before the start of the competition. For instance, if you have a 2-day tournament skin checks must be conducted on second morning in addition to first day.

Personal grooming and appropriate dress is a standard of professionalism. The wearing of jeans, t-shirts, sweat suits and warm-up suits (top or bottom), head wear and similar apparel are not considered suitable attire for coaches during the OHSA Sectional, District or State Wrestling Tournaments and, therefore, are prohibited. Coaches who are inappropriately dressed will not be allowed on the competition floor. Moral obligation and ethical conduct are part of winning and losing. Good sportsmanship, appearance, honor and concern for the well-being of the competitors should be placed before all else. The Rules have been established in the spirit of this statement.
